military action The idea of the Vanishing Indian also fueled the erasure of Indigenous peoples histories a practice that continued in the 1900s in civic celebrations that featured white St Louisans playing Indian and heritage groups claiming the mounds as part of their own history Yet Native peoples endured and in recent years have successfully begun to reclaim the sole monumental mound remaining within city limits Drawing on a wide range of sources Patricia Cleary explores the layers of St Louis s Indigenous history Along with the first in depth overview of the life death and afterlife of the mounds Mound City offers a gripping account of how Indigenous histories have shaped the city s growth landscape and civic culture
