It's Never Too Late to Sleep Train Craig Canapari, MD, 2019-05-07 From a leading pediatric sleep physician comes a revolutionary program that will have everyone in the house sleeping through the night When Dr Craig Canapari became a father he realized that all his years of 36 hour hospital shifts didn't even come close to preparing him for the sleep deprivation that comes with parenthood The difference is that parents don't get a break it's hard to know if there's a night of uninterrupted sleep anywhere in the foreseeable future Sleepless nights for kids mean sleepless nights for the rest of the family and a grumpy group around the breakfast table in the morning In *It's Never Too Late to Sleep Train* Canapari helps parents harness the power of habit to chart a clear path to high quality sleep for their children The result is a streamlined two step sleep training plan that focuses on cues and consequences the two elements that shape all habits and that take on special importance when it comes to kids bedtime routines Dr Canapari distills years of clinical research and experience to make sleep training simple and stress free Even if you've been told that you've missed the optimal window for sleep training Dr Canapari is here to prove that it's never too late whether your child is 6 months or 6 years old He's on your side in the battle against bedtime and with his advice parents and children alike can expect a lifetime of healthy sleep Never Too

Poem For Jesus Sheralyn Turner,2025-02-17 For me poetry has always been a sanctuary a place where I could pour the unspoken pieces of my heart It s not just about words it s about releasing emotions I didn t even realize were buried inside My poems reflect a journey of healing growth and rediscovery of my own strength They are born from moments of darkness where I struggled to find light and from seasons of numbness where I longed to feel again There was a time when my heart felt locked away burdened by past hurts failures and rejection Life seemed heavy and I wondered if I would ever truly find joy again But even in those moments I found solace in writing My pen became a vessel for the prayers I couldn t always speak and the tears I didn t always cry Each poem became a conversation with God and with myself peeling back layers of pain and opening me up to hope Through poetry I ve learned to see beauty in the brokenness I write not just to inspire myself but to remind others that no matter how deep the shadows there is always light waiting to break through My words come from a place of faith and resilience a quiet determination to rise again no matter how many times I ve fallen Every poem I write reflects a heart that refuses to give up a heart that finds joy in God s grace and strength in His promises It s my way of saying This is where I ve been but it s not where I ll stay Writing reminds me that our stories even the hard parts have power and they re worth sharing **The Jurist** ,1863 **The Oxford Dictionary of Phrase and Fable** Elizabeth Knowles,2006-10-12
