Developing Minority Language Resources Guadalupe Valdés, 2006-01-01 This book documents ongoing language shift to English among Latino professionals in California. It then describes current instructional practices used in the teaching of Spanish as an academic subject at the high school and university levels to heritage language students who although educated entirely in English acquired Spanish at home as a first language. It specifically examines the potential contribution of these instructional practices to the maintenance of Spanish. Dime!: Extended teacher's edition Fabián A. Samaniego, 1997
