to Britain's servicemen and their feelings about the war how the conflict changed people and how life continued on the home front *A Nurse at the Front* Ruth Cowen, 2012-03-01 This the first in a series of four unique War Diaries produced in conjunction with the Imperial War Museum will tell a story that is rarely heard the experiences of a nurse working close to the Western Front in the First World War Incredibly Edith Appleton served in France for the whole of the conflict Her bravery and dedication won her the Military OBE the Royal Red Cross and the Belgian Queen Elizabeth medal among others Her diary details with compassion all the horrors of the war to end wars including the first use of poison gas and the terrible cost of battles such as Ypres but she also records what life was like for nurses and how she spent her time off duty There are moments of humour amongst the tragedy and even lyrical accounts of the natural beauty that still existed amidst all the destruction **World War I for Kids** R. Chappine, 2023-10-24 While World War II has long been viewed as a pivotal period that allowed women expanded opportunities in the military and the labor force locally focused considerations have long been left out of the national narrative New Jersey Women during World War II On the Home Front and Abroad by Patricia Chappine explores the experiences that detail the wartime narrative of New Jersey women on the home front and abroad and describes the impact these women had as they pushed past gendered social boundaries and joined the war effort in numbers greater than any previous generation of Americans Through expansive research Chappine examines the critical role the women of New Jersey played as they stepped into newly formed military branches and entered the labor force in areas never before open to them volunteering in staggering numbers Focusing on the nuances of women's wartime experiences this book blends the personal with the social political and economic climate of New Jersey and the communicated aspirations uncertainties and fears of women during World War II to offer new insights into the role they all played **Doughboys on the Great War** Edward A. Gutiérrez, 2017-01-20 It is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918 Edward

Coffman wrote in *The War to End All Wars* In *Doughboys* on the Great War the voices of thousands of servicemen say otherwise The majority of soldiers from the American Expeditionary Forces returned from Europe in 1919 Where many were simply asked for basic data veterans from four states Utah Minnesota Connecticut and Virginia were given questionnaires soliciting additional information and remarks Drawing on these questionnaires completed while memories were still fresh this book presents a chorus of soldiers voices speaking directly of the expectations motivations and experiences as infantrymen on the Western Front in World War I What was it like to kill or maim German soldiers To see friends killed or maimed by the enemy To return home after experiencing such violence Again and again soldiers wrestle with questions like these putting into words what only they can tell They also reflect on why they volunteered why they fought what their training was and how ill prepared they were for what they found overseas They describe how they interacted with the civilian populations in England and France how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home and perhaps most significantly what it all added up to in the end Together their responses create a vivid and nuanced group portrait of the soldiers who fought with the American Expeditionary Forces on the battlefields of Aisne Marne Argonne Forest Belleau Wood Chateau Thierry the Marne Metz Meuse Argonne St Mihiel Sedan and Verdun during the First World War The picture that emerges is often at odds with the popular notion of the disillusioned doughboy Though hardened and harrowed by combat the veteran heard here is for the most part proud of his service service undertaken for duty honor and country In short a hundred years later the doughboy once more speaks in his own true voice

Women's Writing on the First World War Agnes Cardinal,Dorothy Goldman,Judith Hattaway,1999 Covering every genre of writing about World War I from the period 1914 to 1930 this anthology collects letters diary entries reportage and essays as well as polemical texts novels and short stories by well known women authors
