Holy Sex Austin L. Leininger, 2025-10-03 Christians need a new perspective from which to engage in the question and conversation of human sexuality Writing from an understanding of sexual intimacy as a gift from God that offers humankind the opportunity to transcend our separateness as embodied people this text explores the sacramental aspects of sex as an access point for experiencing God's grace While we may certainly learn things about sex from God there are also things we can learn about our passionate relational and loving God from sex Seeking insight from the existing sacraments of Baptism and Eucharist sex is examined sacramentally as a basis for describing a sacramental approach to sexual ethics The method is then applied to difficult contemporary questions for both Church and society Specifically applied to the ongoing discussion of the legitimacy and morality of LGBTQIA2S relationships the method demonstrates a significant contribution to the faithful discussion of sex and theology as mutually informing conversation partners

The Letters of an Unexpected Mystic Robert D. Flanagan,2022-07-20 The apostle Peter is a pillar of the church whose writing has been overlooked until recently when scholarship remedied this gap significantly elevating Peter s letters However one critical area has been omitted Within the Petrine writing is a robust empowered and beautiful mystical theology which makes Peter an unexpected but vital Christian mystic In exploring his love of artwork German theologian and priest Romano Guardini developed the Threefold Seeing which has been brought to light by Yvonne Dohna Schlobitten of the Pontificate Gregorian University His unique method of viewing the artist artwork and observer develops a way of encountering the world and word Instead of looking at the world or the biblical text through separate vantage points the Threefold Seeing integrates all disciplines under greater view of God the artist of all creation The Letters of an Unexpected Mystic employs Guardini s Threefold Seeing to encounter the mystic Peter and the Petrine mystical theology The result is a book that provides its

readers with a means to become the Christian Karl Rahner wrote about in 1971 The devout Christian of the future will either be a mystic one who has experienced something or he will cease to be anything at all
