Developing Spiritual Success Arthur Jaggard,2011-12-02 How does one write about Spiritual Success and preserve any sense of humility Spiritual Success and How I Achieved It has been the tongue in cheek working title of this book It serves to remind me that I know so very little The irreverence serves to caution against the arrogance of pretending to know anything at all None of this book is actually new As Robert Webber used to remind us the ancient is the future 1 Those to whom I am indebted include a long line of teachers reaching back to the early church fathers I have had several excellent mentors and many tremendous teachers and professors They all have helped connect me to the rich heritage that we have in Jesus Christ

Primary Speech Ann Belford Ulanov,1982-01-01 Prayer is our

basic expression of religious belief It is our personal and most private act of devotion Words cannot do justice to the feelings wishes terrors pains or pleasures that we exchange with God This book sets out to define prayer as both a means of drawing nearer to God everyday and as a coping tool that people can use in order to achieve harmony balance and satisfaction in their in their lives **Lord, I Keep Getting a Busy Signal** William Powell Tuck,2014-03-24 Do you feel like your prayers are not heard Prayer has often been described simply as communicating with God How many of us talk to God daily If we did not speak to our spouse daily how much would we know about her him Dr William Powell Tuck brings not only years of studying the Scripture but perhaps more importantly his own prayer experience and his time as a pastor counseling and teaching others I have often been embarrassed to admit that praying has not come so easily or naturally to me he confesses in this book This frank and open attitude gives us all a renewed hope makes us eager to see what Dr Tuck has to say about prayer and try his suggestions Freedom of Simplicity Richard J. Foster,2005-08-30 A revised and updated edition of the manifesto that shows how simplicity is not merely having less stress and more leisure but an essential spiritual discipline for the health of our soul The Wonders of Solitude Dale Salwak,2011-12-21 This diverse group of poets novelists artists theologians explorers and psychologists muse on solitude as a means of discovering God and self and as inspiration for creativity and inner peace They grapple with how to reconcile the spirit of community with the spirit of seclusion and ultimately how to use the power of silence and solitude to counter the distractions of our daily lives The Wonders of Solitude is an inspiring companion in the struggle to remove ourselves as Salwak writes from our peripheral concerns from the pressures of a madly active world and to return to the center where life is sacred a humble miracle and mystery *The Use of Classical Spiritual Disciplines in Evangelical Devotional Life* Daniel D. Green,2008-03-01 This is a presentation of a research project on the effect of classical spiritual disciplines on the spiritual and psychological well being of participants Eighteen persons studied and practiced thirteen different spiritual disciplines over a period of sixth months Pretests and posttests measured the resultant change Foundational chapters survey the literature of the disciplines and discuss the potential benefits and dangers of the spiritual practices considered Substantial appendices contain the lessons presented on the disciplines themselves as well as the test instruments used to measure results A narrative relating the progress of the project from inception to completion is included
