The Nuts & Bolts of Christian Education Delia Halverson, 2010-10-01 Can you give me the book that will tell me how to DO Christian education The Nuts Bolts of Christian Education is designed to answer the most frequently asked questions by new as well as veteran teachers and leaders Even though most churches provide teacher and leader training at least once a year generally these one or two day sessions are unable to answer every question that arises during the year The Nuts Bolts of Christian Education is a practical guidebook that leads new and experienced teachers through the challenging and sometimes confounding landscape of the education ministry of a congregation This is not a collection of lesson plans it is a chock full survey of nearly every aspect of Christian education one could imagine DOING Christian Education starts here
