The Challenge of Competence Phil Hodgkinson, 1994-11-10 Offers a range of related perspectives on competence issues which should be of interest to policy makers practitioners academics and researchers in the fields of teaching social work and youth and community work The book includes comparisons with vocational education initiatives in Europe

Competence-Based Assessment Wolf, Alison, 1995-01-01 Competence based assessment is the cornerstone of the UK Government's reforms of vocational training and of non academic full time education post 16 Australia has adopted similar policies and there is considerable interest in the notion of competence in both Europe and North America Alison Wolf describes the main characteristics of the competence based approach as it has emerged in the UK and traces its origins in American experimental programmes of the 1970s The arguments for the approach are discussed in detail Many of these arguments derive from the demonstrable limitations of more conventional assessment especially in predicting work performance She then analyses the theoretical assumptions which competence based assessment shares with the criterion referenced movement as a whole distinguishing clearly between those claims which can be sustained and those which cannot She also synthesizes the growing body of evidence on implementation Many lessons have now been learned about whether and how one can establish a workable robust and reliable competence based system It has become evident both that the preconditions for success are often missing and that if they are ignored competence based reforms may have largely negative consequences The final chapter reviews the prospects for competence based awards and offers some conclusions on what is essential to a competence based approach

Outcomes: Nvqs And The Emerging Model Of Education And Training Gilbert Jessup, 2003-12-16 Jessup's widely acclaimed book provides explanations of the many facets of National Vocational Qualifications who they are for why they have been developed how they work and the benefits they confer The author explains how NVQs relate to a wide range of issues in education and training [The NVQ Assessor and Verifier Handbook](#) Jenny Tucker, Ros Ollin, 2004 Praise and Reviews the plain English guide to the assessment process with excellent examples I am sure this book will be the standard guide for many years to come Alistair Graham Former Chairman Training and Development Lead Body the content now reflects the increased demands of the standards and the greater profile that assessment and verification has compared to then David Morgan Director of Marketing and Communications Employment National Training Organisation A best seller first published 10 years ago as The NVQ and GNVQ Assessor Handbook this third edition of an essential book remains a user friendly jargon free guide All those involved in the assessment of candidates working towards national qualifications require accreditation themselves Fully revised and in line with the new Learning and Development standards this highly regarded book provides the fundamental information practical advice and background

knowledge for anyone wishing to obtain the assessor or internal verifier qualifications Contents include the context of NVQ quality assurance overview of key changes affecting the assessment and verification of NVQs knowledge assessment for assessors and internal verifiers requirements for assessors using a range of methods and observational assessors requirements for internal verifiers assessment and internal verification in practice tips for candidates The NVQ Assessor and Verifier Handbook illustrates how to perform efficiently by giving practical advice on the assessor and verifier awards to both candidates and trainers

Competence-based Assessment Techniques Shirley Fletcher, 2000 A critical guide to the key principles methods implications and benefits of competence based techniques and vocational qualifications Part One examines the purpose and use of the different competence based systems while Part Two gives practical information on implementation Developments in competence based assessment outside the UK is also covered Case studies and checklists are included

Competency Based Education And Training John Burke, 2005-10-18 First published in 1989 Routledge is an imprint of Taylor Francis an informa company

Assessment, Supervision and Support in Clinical Practice Ci Ci Stuart, 2007-01-01 A book for all the mentors and assessors of clinical practice in the nursing and midwifery professions who have the crucial task of ensuring that the clinical practice of students attains the standards required for professional registration

Change And Intervention Peter Raggatt; Lorna Unwin both of The Open University., 2013-10-28 First published in 1991 The constant changes in both vocational education and training VET policy and practice since the early 1970s have been well documented Some of these changes are a direct result of government intervention in education and training policy for example TVEI YTS and the introduction of a competency based framework for qualifications This volume brings together some key players and key policies which are part of the complex structure and presents them for public scrutiny The editors do not set out to pursue one ideological argument but rather to present a series of different perspectives which taken together reveal the massive scale of change and intervention shaping the country's VET infrastructure

The Oxford Handbook of Skills and Training Chris Warhurst, Ken Mayhew, David Finegold, John Buchanan, 2017-02-23 Skills and workforce development are at the heart of much research on work employment and management But are they so important To what extent can they make a difference for individuals organizations and nations How are the supply and more importantly the utilization of skill currently evolving What are the key factors shaping skills trajectories of the future This Handbook provides an authoritative consideration of issues such as these It does so by drawing on experts in a wide range of disciplines including sociology economics labour industrial relations human resource management education and geography The Handbook is relevant for all with an interest in the changing nature and future of work employment and management It draws on the latest scholarly insights to shed new light on all the major issues concerning skills and training today While written primarily by leading scholars in the field it is equally relevant to policy makers and practitioners responsible for shaping the development of human capability today and into the future
