Nympho Other Maniacs:

The Nympho and Other Maniacs Irving Wallace, 2019-04-28 In this exciting and provocative book Irving Wallace one of America's most famous novelists turns to nonfiction to tell the candid stories of more than thirty women of the last two centuries who defied the social standards of their times sexually politically intellectually rebelling against conventional behavior or ideas to go their own ways These ladies by intention or unwittingly gave succeeding generations of women new freedoms freedoms the very mention of which scandalized their contemporaries but which led ultimately to today's Women's Liberation Movement With a gift of narrative rare in nonfiction Irving Wallace describes the lives of Ninon de Lenclos who founded a School of Lovemaking in France of Emma Hamilton who became pregnant by England's greatest naval hero without her husband's noticing it of Napoleon's sister Pauline Bonaparte whose intense sexual activity was the despair of her gynecologist of Napoleon's mistress Maria Walewska who was asked to sacrifice her virtue to the Emperor to save Poland from his wrath Perhaps nobody has ever done such justice to Lord Byron's reckless females among them the sensuous Teresa Guiccioli who left her titled husband for Byron the unhappy Caroline Lamb who pursued Byron with such passion as to nearly drive him and her husband mad and the unfortunate Claire Clairmont who gave Byron both a daughter and a hellish time Certainly no one has ever written so entertainingly about such extraordinary tales as Victoria Woodhull who ran for president of the United States in 1872 on a platform advocating free love short skirts vegetarianism birth control and world government she also made a fortune as the first lady stockbroker with the backing of her good friend Commodore Vanderbilt or Lady Jane Eleanborough who enjoyed thirty six renowned lovers three of them kings and four husbands the last an Arab sheik *The Nympho and Other Maniacs* is a magnificent tour de force a book that goes far beyond the amusing and incredible adventures of the uninhibited ladies themselves to make some wise and unexpected points about life love marriage and women *The Nympho and Other Maniacs* Irving Wallace, 1971 [Irving Wallace](#) John Leverence, 1974 This profile of Irving Wallace and his work includes more than 200 photographs and illustrations It recounts his Midwest Hollywood and European years his experiences during a lifetime of travel his adventures as a journalist in the Far East and Europe his embroilment in political and literary controversies his legal battles and many other facets of his extraordinary life

Insatiable Wives David J. Ley, 2009-12-16 This enlightening work investigates the history incidence and causes of a unique sexual lifestyle pursued by increasing numbers of couples It is called by many names and lived in a variety of ways by different couples The most common terms used to describe it are hotwife or cuckold lifestyle This sexual practice a form of sexual nonmonogamy is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men The author includes interviews and comments from couples living the lifestyle throughout the U S and presents the stories in an attempt to determine the history of this sexual

practice and its role in society and in relationships He explores the psychological social biological and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious Blackmail Mike Hepworth,2023-01-20 First Published in 1975 *Blackmail* Publicity and Secrecy in Everyday Life examines why blackmail is often taken more seriously than murder and why it is widely considered as a serious social threat Both fictional and real life situations are used to explore the kinds of social situation in which various individuals become vulnerable to blackmail In isolating the key ingredients of reputational blackmail in Britain over the last hundred years this book is not preoccupied with threats to accuse someone of a major criminal offence such as murder or armed robbery but rather with those cases where the penalties of discovery are less clear cut and where public reaction may be much more ambivalent Mike Hepworth focuses attention on the way blackmail is stigmatized in criminological and other literature and the possible validity of the stereotype in the light of alternative interpretations This book is an interesting read for scholars and researchers of criminology and sociology

Battleground of Desire Peter N. Stearns,1999-04 Stearns history Carnegie Mellon University explores the history of American self control and discusses the wide social implications of self control as a characteristic prescribed by every culture in different ways He investigates issues that define American attitudes towards morality sexuality and disciplines of the body covering the Victorian legacy through current norms In comparing trends throughout our cultural history he points out that there has been no collapse of impulse control or moral demonstration between the eras only a shift in form Annotation copyrighted by Book News Inc Portland OR *Pornography* Andrea Dworkin,2025-02-25 Andrea Dworkin s 1981 critique of pornography is an important and urgent document about how the culture consumes and manipulates images of women Essential and discomfiting reading in a social media era where women s bodies are being commodified and displayed more than ever Andrea Dworkin s seminal 1981 work on the issue of pornography argues that the industry serves only to harm and oppress women Her discussion of pornography as an outgrowth of the power that men exert over women the power of owning the power of money and the power of sex among others still blazes with its clarity and immediacy and illustrates how these inequities while displayed in raw form in pornography are endemic in all media With a lively and deeply compelling voice Andrea Dworkin succinctly outlines her anti pornography stance Though the media environment may have changed this passionately and powerfully argued classic remains a relevant and crucial contribution to the area of feminist studies
