became an avenue for embodied worship it forced a reckoning with evangelical teachings about the body Female Christian athletes increasingly turned to their own bodies to understand their religious identity and in so doing came to question evangelical mainstays on gender and sexuality What was once a male dominated masculinist project of sports engagement became a female dominated movement that challenged evangelical ideas on femininity marriage hierarchy and the sinfulness of homosexuality Though evangelicalism has not changed sporting culture for those involved in sports ministry sport has changed evangelicalism Out of Egypt Jeanette Howard,2001 Now in its fifth printing an invaluable support for women struggling with their sexual identity and those who want to help Homosexuality and the Politics of Truth Jeffrey Satinover,1996-02-01 A Christian psychiatrist examines the latest research refuting the alleged genetic basis for homosexuality and assessing the social power homosexuals have gained **The Complete Christian Guide to Understanding Homosexuality** Joe Dallas,2010-07-01 One of the hot button issues of our day is fully addressed in this comprehensive new resource on homosexuality This well researched and highly readable guide is the perfect go to manual for families church workers counselors pastors civic leaders schools and those who themselves struggle with same sex attraction Readers will find the answers to these and many more important questions What is homosexuality Is the tendency for homosexuality genetic How should the church respond What s the proper response when a relative or friend announces they re gay What are the legal and civic ramifications of homosexuality Should homosexuals serve openly in the military What about gay marriage and adoption Authoritative authors Joe Dallas Desires in Conflict When Homosexuality Hits Home and Dr Nancy Heche The Truth Comes Out tackle the hard questions about same sex attraction in this helpful volume **Pastoral Care and Counseling in Sexual Diversity** Richard L Dayringer,H Newton Malony,2014-01-27 Learn to reach out to these hidden Christians Offering a wide variety of points of view from the welcoming to the traditional Pastoral Care and Counseling in Sexual Diversity addresses one of the crucial issues facing the church in these shifting times Pastors of all Christian churches whatever their denomination or theology are likely to be faced with pastoral care or counseling of someone who is lesbian gay bisexual or transgendered This valuable compendium examines various ways you can meet the spiritual and psychological needs of these members of your congregation Pastoral Care and Counseling in Sexual Diversity addresses the basic problems of sexual diversity including definitions of sexual orientations and issues of human development It offers wise guidance for offering pastoral care and counseling and it provides tested solutions for the problems counselors face in dealing with these individuals Pastoral Care and Counseling in Sexual Diversity offers thought provoking points of view on a wide range of issues including changes in attitudes toward homosexuality among mental health professionals the limits of confidentiality sexual diversity in the black church a developmental model for effective treatment of male homosexuality pastoral care and the formation of sexual identity Biblical perspectives on homosexuality counseling lesbians AIDS ministries and grief counseling Pastoral Care and Counseling in Sexual Diversity is an essential resource for pastors

ThirdWay, 1995-12 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture Dwelling in the Land Jeanette Howard, 2015-10-15 Some gay Christians have sought healing Others have turned away from a conservative interpretation of the biblical texts Others have remained celibate and invested their lives in Christian service All have found that their sexual orientation has strongly influenced who they perceive themselves to be and how others perceive them Jeanette believes that to identify herself as gay does not do justice to what God has been doing in her life As a Christian you can be identified by the fact that you belong to Christ Allowing God to dismantle your false identity permits you to live out of your authentic self As you grow in Christ you are able to perceive true goodness and health you rid yourself of old habits of thinking you learn to recognise what is holding others back and discover new areas of ministry You do not have to accept the labels that the world and the church attach to you Jeanette's book is in four parts Identity Surrender Abiding and Fruitfulness Someone I Love Is Gay Anita Worthen, Bob Davies, 1996-05-23 Finding out that a child spouse relative or friend is homosexual can be an unwelcome surprise You're hit with a complex combination of emotions grief shame fear guilt You are flooded with questions ranging from why to what's next You wonder what a biblical response would be At the same time someone you care about deeply may be awaiting your response What should you say Someone I Love Is Gay was created out of Anita Worthen's struggle over these issues with her son and her work with New Hope Ministries in San Rafael California and Bob Davies's personal experience and professional experience with Exodus International in Seattle Washington Drawing also on the experiences of others they will help you to handle your feelings while responding appropriately to your loved one *Transformative Encounters* David W.
