Return From A Far Country:

Better Than New Daniel H. Kiser, 2014-05-29 It would be wonderful if every Christian could maintain the newness and wholesomeness of his or her salvation experience But the unfortunate reality is Christians do sin There may be a number of Josephs and Daniels within the ranks of Christendom who succeed in retaining a sterling character from start to finish Human experience however reveals that the greater part of God s family consists of people like David Samson Jonah Jacob and Simon Peter people who for one reason or another lose the enthusiasm spiritual strength and sensitivity that once characterized their lives Spiritual battles temptations disappointments and failures take their toll Harmful indiscretions cause painful bruising to the soul Prodigal sons and daughters abound But in spite of self inflicted wounds there is good news there is great news God s love and compassion abound even more His desire is not to discard damaged lives God s intention is to restore wayward sons and daughters to their proper place in His family The Father s plan is to make them better than new This book explores the process by which the better than new condition can be realized Guiding Gideon Christopher Basil Brown, 2015-07-30 Guiding Gideon chronicles the encounters between Gideon a young man in his thirties in the midst of crisis and his spiritual guide Julian With Julian accompanying him to attend prayerfully to the life directly before him Gideon traverses the troubled landscape of his interior life where he encounters grace his deepest wounds become sacred and he is invited into fuller participation in the kingdom of God Julian reflects prayerfully on each session conscious that he is a privileged witness to the restorative movements of the Spirit within Gideon s life and that the same Spirit is forming him in the way of Jesus Guiding Gideon is for all who desire to become more attentive to their formation in the likeness of Christ It is also for spiritual guides who want their mentoring counseling pastoral care or spiritual directing to reflect and embody the way of Jesus Written as a narrative Guiding Gideon offers prayerful reflection within the context of guiding a fictional pilgrim and also invites readers to witness the formation of a fictional guide Reflective of the contemplative vision of New Monasticism Guiding Gideon models a prayer action praxis inspired by Jesus Sermon on the Mount The Redeemers Return A.W Pink, 2017-10-14 This book is designed mainly for those who are beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour Jesus Christ and who have perhaps for years been giving earnest heed to the more sure Word of prophecy we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us Many books have already appeared before the public presenting in clear and Scriptural language the various aspects of the subject of our Lord s Return and we hesitated long before we decided to add one more to the number The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing **Eight Lectures on the Second Coming of**

Christ, and Allied Subjects, Etc William Trotter (of York.),1863 *The Coming Kingdom of Christ* John R. Rice,2000-08

THE PARABLES OF THE LORD JESUS CHRIST John Sandbek,2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set the metrics for ruling and reigning with him The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus s parabolic teaching from these three ordinations and how each relates to Christ s future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning **Glad Tidings** Henry Dana Ward,1838 The Harp of God: Proof Conclusive That Millions Now Living Will Never Die J. F. Rutherford,2019-12-04 In *The Harp of God Proof Conclusive That Millions Now Living Will Never Die* J F Rutherford presents a profound exploration of biblical prophecies and doctrines concerning the afterlife and the concept of resurrection Blending theological insights with a narrative style that is both persuasive and evocative Rutherford employs his distinctive deductive reasoning to argue that millions living in his time would witness the fulfillment of divine promises The text serves as a foundational piece for the theological convictions of Jehovah s Witnesses and reflects mid 20th century religious thought particularly amid the tensions of the Great Depression and World War II which shaped spiritual discourse and existential concerns in America J F Rutherford a pivotal figure in the development of the Jehovah s Witness movement was deeply influenced by his experiences as a legal professional and a biblical scholar His commitment to interpreting scripture through the lens of contemporary existential crises spurred his writing Rutherford s assertive personality and rhetorical skills allowed him to challenge prevailing religious orthodoxy offering a fresh perspective on salvation and resurrection His prior works further established his reputation as a formidable thinker whose writings reflect the aspirations and anxieties of his followers This book is essential reading for anyone interested in religious studies eschatology or the historical dynamics of the Jehovah s Witness movement Its compelling arguments and rich theological assertions invite readers to reflect on the implications of faith and the enduring question of life after death A fascinating account that continues to resonate in theologies of hope and resurrection it offers an engaging glimpse into the evolving interpretation of biblical prophecy In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the

central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read **Homiletic Review**, 1914 Preaching that Matters Stephen Farris, 1998-01-01 Preaching is the art of building a bridge in the hearer's mind from the ancient world of the biblical text to the realities of our daily lives Throughout this book Stephen Farris offers splendid insights into ways that the Bible can connect with modern life and gives specific guidance to preachers on how to make these connections happen This is a highly practical book for ministers and for classroom use *The Church in End-Time Prophecy* Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end-time topics in all the scriptures No other end-time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through Toward a Pastoral Theology of Holy Saturday Adam D. Tietje, 2018-11-01 Veterans who experience the overwhelming trauma of war are often still stuck in the far country In the aftermath many feel abandoned by God Adam D Tietje suggests that Holy Saturday Christ's descent into hell is the place where God fully identifies with our God abandonment In light of the resurrection it can be seen that the complete hiddenness of God on Holy Saturday is in fact the fullness of revelation God has chosen to be revealed precisely through the cross and the grave The author takes a Chalcedonian approach to the problem of relating a theology of Holy Saturday to the psychology of trauma Through the use

of this method he suggests that pastoral caregivers might understand trauma and moral injury as soul wounds Sanctuary lament and confession and forgiveness and reconciliation are found to provide a direction for the care of such wounds A Verse by Verse Commentary on Revelation Elder G. E. Jones,2007-09-12 While Revelation is basically a book of prophecy yet it is full of doctrinal teaching Such doctrines as God s foreknowledge the inspiration of the Word the deity of Christ blood redemption the resurrections repentance faith security the perpetuity of the churches Israel s restoration the great tribulation period the judgments the reward of the saints and the earthly reign of Christ and His saints are all found in the book The whole plan of redemption and the fulfillment of all prophecy finds its consummation in Revelation The only light which God s children have to strengthen and encourage them in this day of fear and uncertainty is the light of prophecy God s faithful saints put their faith in the coming of the Son of God our Redeemer our protector and our sure refuge in the time of life s gravest perils Let us sound out the sure word of prophecy From the author of That Ye May Marvel or The Significance of Bible Numbers and The Pattern The Tabernacle The Christ Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Revelation 1 3 The Zondervan 2022 Pastor's Annual T. Fellowship with God Henry Miranda,2006-01-10 I wrote this book in the hopes of helping others find their walk with Christ a little easier The path we choose to follow as Christians may be hard and even seem difficult at times but it brings us closer to God This is a description of the path described by Jesus Christ backed by specific reference to scripture and providing clear answers to questions that many of us have It is easy to understand and proceeds in a logical manner to provide insight on how to walk the narrow path The book gives comfort to those who are in need of God s presence by giving clear descriptions of how the doors to the Kingdom of Heaven are always open It describes the presence of the Holy Spirit and aids in understanding our relationship with God and Jesus Christ This is for those that are interested in Christian faith The book is easy to read gives sound advice on understanding our relationship with Jesus Christ and is based on specific quotations from scripture Studies in the Gospel of Luke Adelbert Denaux,2010 This volume offers a collection of Lukan studies by Adelbert Denaux whose preferred field of studies has been the Gospel of Luke for many years The thirteen papers collected in this volume have been delivered in different languages and on different occasions The papers deal with several
