spiritual lesson inherent in the understanding Christian The Book of Revelation Robert H. Mounce,1998 This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce s original entry on the book of Revelation and reflects more than twenty additional years of mature thought and the latest in scholarship The Antichrist of Revelation Erika Grey,2013-09-16 Nearly all evangelical Christians have learned of the Antichrist He horrifies mystifies and fills us with dread The Antichrist is Jesus Christ s nemesis and the world dictator who the Bible forecasts arrives into his position and ushers in the Tribulation The Antichrist s dictatorship provides the atmosphere of life during the Earth s final years Every generation of Christians have talked about the Antichrist Jesus taught of him and the apostles mentioned him in their books Jesus s teachings on the Antichrist also mystified the church fathers They discussed the Antichrist in detail There are many questions that have been asked about the Antichrist The Antichrist of Revelation provides the answers exposes the myths and reveals the most complete depiction of the Antichrist found in any volume *The 666 Beast Identified* Steve Wohlberg,2021 There is wisdom Let him Who has understanding calculate the number of the beast For it is the number of a man His number is 666 Revelation 13 18 **Christ, Herod and the 666** George Devney,2020-03-05 The revelation written is hard to understand It is 4 symbols I explain what all of these symbols stand for and mean and the events that took place happened 2 3 thousand years ago All past history my book tells the truth about the book of revelation What the ministers and priests preach about on a Sunday morning try to tell people that these things have not happened yet and that they are going to take place in the future and it is all hog wash and not true The priests are trying to tell people that these things are going to happen in the future and it is a lie The book of revelation they don t understand or they do know and are trying to hide it an tell people it is a future event coming trying to scare people and make them dig in their pockets and put money in the collection box The people are fooled or told by these individuals that these things are going to happen The reality is these things actually happened in the past and it is past history **The Mark of the Beast** Godfrey Godfrey,2015-06-03 The Scriptures is full of codes which have been placed for human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man Much of the time we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The Scriptures is replete with numbers Often these numbers have overwhelming value and significance One number that has continued to hold a mysterious grip on many and defy explication is the number 666 There can be no doubt that numbers in the Scriptures need to be studied Numbers are signs A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the

people that the signs are meant for Thus studying a number or group of numbers should not be limited to scholastic approach There is a need to incline or dispose oneself to the Lord for the necessary revelation Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number Rev 13 18 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six We can see from verse 18 just above that 666 is the number of a man This is a bit ambiguous Most persons have misinterpreted it to be the number of a mans identification card or credit card When the Scriptures talks of a man in this case it is generalizing meaning generic man and not a specific person Thus we can see that the beast is actually human In actuality the beast is both spirit and man It is the product of a fusion of a spirit and a human female The product is conspicuously a man but latently a spirit It is man that has degenerated to a sub human level The beast does not have the number of a beast or the attributes of a beast but that of a man This is because the beast is actually human It is redolent of the analogy of defining the Devil as a Serpent Thus instead of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake He is supposed to have been one of the best in Heaven Serpent is only used in analogy In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God The Devil himself was the first beast the beast of Eden He came to the first people like a beast that is a serpent That is why he is known as the Serpent The anti Christ being one with the devil comes in the image and spirit of his father the Devil That is why he is equally known and addressed as the Beast The mark of the Beast is not placed on animals but on man It is a sign which incorporates the numbers of the Living God and the number of the Devil It is an unholy alliance which is detested by the Lord God and cursed Read this book and understand without the least ambiguity what the Mark of the Beast is really all about You shall have your money refunded you if you have a better explanation to this and can prove it Revelation

Bernard Nwaokeleme PhD,2020-09-18 This book attempts to use the encouragement given in Revelation 13 18 where it is clearly implied that the identity of the Beast Antichrist is embedded in the number 666 which requires wisdom and understanding for its interpretation Hence the number 6 that stands as the common feature of the identity of the Beast is used as a base value in the mathematical calculation Following the results obtained whereby it was proved mathematically in the book that the Beast Antichrist will be A Cloned Human the authors now appear to have removed all doubts based on the previous conceptions people had of The 666 Theory interpreted as being represented by historical personages and dignitaries Lots of obstacles were experienced during the composition of this corpus Severally important written manuscripts disappeared and attempts were made by unknown forces to cancel or efface the drawings stored in the memory of the computer Prayers were often said over the lost manuscripts and some were recovered after These obstacles did prolong the publication of this work However the obstacles do prove the reality of the existence of the Devil and his hordes of evil angels who had tried everything possible to stop the research work The attention of world governments have been drawn in the book to the imminent dangers that would face our world if the Antichrist were allowed to surface from either the sea or land as suggested in the Book of Revelation The actual probable date of 2012AD for the birth of the Antichrist has been worked out mathematically as implied in the Revelation Text 13 18 The authors therefore warn all governments that the greatest world enemy is about to come through human cloning science The most needful war to be launched and fought must be the war against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future **Revelation's Essential Truths**

Donald Werner,2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of

Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoid the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God's last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or the false prophets I'm sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it

Decoding 666 Erika Grey, 2024-05-30 The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and don't know can't be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight *Social Security: Mark of the Beast, Form #11.407* Steven Miller, 2020-02-06 Describes why Christians Cannot participate in Social Security without violating the Bible Family Guardian Fellowship the author of this document has given their express
