The Borsen Incursion Julian M. Miles, For five centuries a unified Earth has been the centre and ruler of all it surveys an empire that spans two thousand worlds It has been unchallenged for three hundred years The Borsen use strange technology to strike down any opposition with terrifying ease Yet their seemingly unstoppable forces show an inexplicable reserve It leads a few to suspect they have a purpose beyond conquest Faced with a dire threat for the first time in living memory military bureaucracy and entrenched arrogance lead to grievous losses Even when a miraculous new technology offers an upper hand factionalism arises to threaten those who use it As the Borsen escalate their offensive the forces of Earth are hamstrung by infighting and political manoeuvring Finally one group rebels turning against the edicts of the stultified command structure But have they done so in time to save humanity A centuries spanning tale of space warfare told from major and minor viewpoints using over fifty pieces of carefully crafted short and flash fiction this book will take you from the start of the incursion to its end letting you witness the war while revealing its impacts and revelations from every angle
