Safe Harbor A Story Of Abuse And Redemption:

Safe Harbor Robert O. Barclay, 2001-11 The story of a mother and son who have to rebuild their lives after their alcoholic and abusive husband father dies The son at fourteen is struggling with the idea of girls and sex The mother after a lifetime of misery is trying to find happiness Both need to learn how to love *Making an Issue of Child Abuse* Barbara J. Nelson, 2016-04-23 In this absorbing story of how child abuse grew from a small private sector charity concern into a multimillion dollar social welfare issue Barbara Nelson provides important new perspectives on the process of public agenda setting Using extensive personal interviews and detailed archival research she reconstructs an invaluable history of child abuse policy in America She shows how the mass media presented child abuse to the public how government agencies acted and interacted and how state and national legislatures were spurred to strong action on this issue Nelson examines prevailing theories about agenda setting and introduces a new conceptual framework for understanding how a social issue becomes part of the public agenda This issue of child abuse she argues clearly reveals the scope and limitations of social change initiated through interest group politics Unfortunately the process that transforms an issue into a popular cause Nelson concludes brings about programs that ultimately address only the symptoms and not the roots of such problems
