Pryor,Glenn D. Reeder,2015-06-19 In the early 1980s we witnessed the birth of one of the most complex and perplexing social problems faced by modern society the epidemic of infection with human immunodeficiency virus HIV which causes acquired immunodeficiency syndrome AIDS Originally published in 1993 this title looks at the social psychology surrounding HIV and AIDS The organization of the volume centres upon two themes The Theoretical Roots of Prevention and

The Dilemma of the PWA person with AIDS The goal of this volume is not to evaluate previous attempts to answer these social problems but to provide theoretical analyses of some of the basic sociopsychological processes that underlie the problems Over 20 years on this is a snapshot of research into HIV and AIDS and attitudes of the time looking at social problems that are very much still with us The Naked Truth Leader's Guide Lakita Garth,2011-08-31 In a world where it seems like everybody's doing it how do you help students say no to premarital sex Lakita Garth tells you how As an internationally known abstinence advocate and sought after speaker she talks to more than 500 000 students a year about abstinence and sexuality Here she frankly humorously and passionately shares her principles with teens for staying pure until marriage while equipping them with the life skills necessary to be responsible and successful Through her four phase Decision Making Model young people will understand the principles of self control self discipline delayed gratification and achieving their dreams They'll be ready to establish healthy dating relationships and clearly defined boundaries for physical intimacy while understanding and valuing marriage The eight session companion DVD a leader's guide and student guides will make this resource perfect for small group use **Safer Sex** Diane Richardson,1990 This is a practical manual for women on sexual practice with an emphasis on minimizing the risk of pregnancy It describes ways to explore needs and desires recommends openness with the sexual partner and provides a guide to the best condoms and lubricants The author aims to reassure and surprise women who are worried that sexual activity in the age of AIDS needs to be restricted She has also written *Women and the AIDS Crisis* **STI Prevention** Cassian Pereira,AI,2025-03-17 STI Prevention provides a comprehensive guide to understanding preventing and managing sexually transmitted infections STIs This essential resource addresses the widespread impact of STIs on individual and public health empowering readers to make informed decisions The book explores the historical and social context of STIs acknowledging stigmas and misinformation that hinder open discussions about sexual health For instance did you know that comprehensive knowledge proactive prevention and timely treatment are key to controlling the spread of STIs Or that safe sex practices and vaccination strategies are evidence based methods discussed in detail The book begins by introducing fundamental STI concepts including causes and transmission and then progresses to detailed discussions of specific STIs like chlamydia gonorrhea syphilis herpes and HPV It explores their prevalence symptoms and long term effects A dedicated section outlines evidence based prevention methods including safe sex practices and vaccination strategies The book culminates with a review of current treatment options emphasizing early detection and proper medical care *Readings in Sexualities from Africa* Rachel Spronk,Thomas Hendriks,2020-02-04 Images and stories about African sexuality abound in today's globalized media Frequently old stereotypes and popular opinion inform these stories and sex in the media is predominately approached as a problem in need of solutions and intervention The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities sexual practices and gendered changes taking place across the continent They present a nuanced

and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide though the quickly expanding literature This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein Scholars working in Africa the U S and Europe reflect on issues of representation health and bio politics same sex relationships and identity transactional economies of sex religion and tradition and the importance of pleasure and agency This multidimensional reader provides a comprehensive view of sexuality from an African perspective Bodily Discursions Deborah S. Wilson,Christine Moneera

Laennec,1997-01-01 This collection of feminist essays from a variety of disciplines explores the idea of the body as a site for the production of political ideologies **Understanding Sex and Relationship Education, Youth and Class S.**

Elley,2013-10-04 This book sets out an original Youth Work based SRE programme and explores how a range of socioeconomic cultural and sexual norms values and attitudes differently shape decision making on sex intimacy and future plans across different contexts Disciplinarity and Dissent in Cultural Studies Cary Nelson,Dilip Gaonkar,2013-10-28 First published in 1996 As recently as the early 1990s people wondered what was the future of cultural studies in the United States and what effects its increasing internationalization might have What type of projects would cultural studies inspire people to undertake Would established disciplines welcome its presence and adapt their practices accordingly Disciplinarity and Dissent in Cultural Studies answers such questions It is now clear that while striking and innovative work is underway in many different fields most disciplinary organizations and structures have been very resistant to cultural studies Meanwhile cultural studies has been subjected to repeated attacks by conservative journalists and commentators in the public sphere Cultural studies scholars have responded not only by mounting focused critiques of the politics of knowledge but also by embracing ambitious projects of social political and cultural commentary by transgressing all the official boundaries of knowledge in a broad quest for cultural understanding This book tracks these debates and maps future strategies for cultural studies in academia and public life The contributors to Disciplinarity and Dissent in Cultural Studies include established scholars and new voices In a series of polemic and exploratory essays written especially for this book they track the struggle with cultural studies in disciplines like anthropology literature and history and between cultural studies and very different domains like Native American culture and the culture of science Contributors include Arjun Appadurai Michael Denning Lawrence Grossberg Cary Nelson Constance Penley Andrew Ross and Lynn Spigel **Condoms and Sexually**

Transmitted Diseases ... Especially AIDS. ,1990 *Your Guide to Safer Sex and the Condom* ,1991 *Anne Hooper's Intimate Sex Guide* Anne Hooper,1997 Including The Intimate Sex Guide Book The Ultimate Sex Video and fragrant sensual oils this pack has everything you need to perfect the physical and mental techniques that energize and arouse erotic power

Gay and Lesbian Activism in the Republic of Ireland, 1973-93 Patrick McDonagh,2021-10-07 This thematically arranged study traces the emergence of visible gay and lesbian communities across the Republic of Ireland and their impact

on public perceptions of homosexuality Along the way it explores the critical and hidden activism of lesbian women the role of rural provincial activists the importance of interactions with international gay and lesbian organisations and the extent to which HIV and AIDS impacted the gay rights campaign Gay and Lesbian Activism in the Republic of Ireland 1973-93 focuses in particular on activists efforts to engage with the different religious organisations in Ireland the Trade Union movement Irish political parties and the media and how these efforts in turn shaped the strategies and activities of gay and lesbian organisations McDonagh argues that gay and lesbian activists mounted an effective campaign to improve both the legal and social climate for Ireland's gay and lesbian citizens In doing so gay and lesbian individuals were important agents of social and political change in the Republic of Ireland in the period from the 1970s to the early 1990s particularly in relation to Irish sexual mores The book also helps to contextualise the changes in perceptions of homosexuality that have taken place in recent years and encourages scholars of Irish history to further explore the contribution of Ireland's LGBTQ community in transforming Irish society in the 20th and 21st centuries
