Safe Houses are Dangerous Helen Long, 1989 **Silent Heroes** Sherri Greene Ottis, 2021-12-14 In the early years of World War II it was an amazing feat for an Allied airman shot down over occupied Europe to make it back to England By 1943 however pilots and crewmembers supplied with escape kits knew they had a 50 percent chance of evading capture and returning home An estimated 12 000 French civilians helped make this possible More than 5 000 airmen many of them American successfully traveled along escape lines organized much like those of the U S Underground Railroad using secret codes and stopping in safe houses If caught they risked internment in a POW camp But the French Belgian and Dutch civilians who aided them risked torture and even death Sherri Ottis writes candidly about the pilots and crewmen who walked out of occupied Europe as well as the British intelligence agency in charge of Escape and Evasion But her main focus is on the helpers those patriots who have been all but ignored in English language books and journals To research their stories Ottis hiked the Pyrenees and interviewed many of the survivors She tells of the extreme difficulty they had in avoiding Nazi infiltration by double agents of their creativity in hiding evaders in their homes sometimes in the midst of unexpected searches of their generosity in sharing their meager food supplies during wartime and of their unflagging spirit and courage in the face of a war fought on a very personal level **A Girl During the War** Anita Abriel, 2022-03-08 The author of the unforgettable story of strength love and survival Jillian Cantor USA TODAY bestselling author *The Light After the War* returns with a sweeping and evocative story of love and purpose in WWII Italy Rome 1943 University student Marina Tozzi is on her way home when she finds out that her father has been killed for harboring a Jewish artist in their home Fearful of the consequences Marina flees to Villa I Tatti the Florence villa of her father s American friend Bernard Berenson and his partner Belle da Costa Greene the famed librarian who once curated J P Morgan s library Florence is a hotbed of activity as partisans and Germans fight for control of the city Marina an art expert begins helping Bernard catalog his library as he makes the difficult trek to neutral Switzerland helping to hide precious cultural artifacts from the Germans Adding to the tension their young neighbor Carlos a partisan seeks out Marina for both her art expertise and her charm Marina swept up in the romance dreams of a life together after the war But when Carlos disappears all of Marina s assumptions about her life in Florence are thrown into doubt and she ll have to travel halfway around the world to unravel what really happened during the war *The Forgotten Conductor: A Tale of the Underground Railroad* Pasquale De Marco, 2025-04-26 In the annals of American history the Underground Railroad stands as a testament to the indomitable spirit of those who dared to defy the chains of bondage This intricate network of secret routes and safe houses provided a lifeline to enslaved people seeking freedom from the oppressive grip of slavery in the South *The Forgotten Conductor* delves into the hidden world of the Underground Railroad shedding light on the courageous individuals who risked their lives to aid fugitive slaves on their perilous journey toward emancipation Through a tapestry of firsthand accounts historical documents and little known stories this book brings to life

the remarkable individuals who made this clandestine network possible From the selfless conductors who guided freedom seekers along treacherous paths to the station masters who provided shelter and sustenance *The Forgotten Conductor* shines a light on the unsung heroes of the Underground Railroad It explores the motivations that drove these individuals to defy the law and risk their own safety for the cause of freedom The book also examines the challenges and dangers faced by fugitive slaves as they embarked on their quest for liberty It delves into the psychological toll of living in constant fear of capture the harrowing escapes from slave catchers and bounty hunters and the resilience and determination required to overcome seemingly insurmountable obstacles *The Forgotten Conductor* is more than a historical account it is a celebration of the human spirit and a testament to the power of collective action in the face of oppression It is a story of courage resilience and the unwavering belief in the inherent dignity and equality of all human beings If you like this book write a review on google books

Cruel Crossing Edward Stourton, 2023-11-07 A chronicle of the perilous European mountain escape route used during World War II with epic stories from survivors and their families After the Nazi invasion of Belgium in 1940 an underground network was established to help British servicemen escape German occupied Europe As the war progressed others began using the secret route as well traveling to the south of France over the Pyrenees mountains and into neutral Spain The Chemin de la Libert runs forty miles across the central Pyrenees Since 1994 it has been hiked each July to commemorate those who made the courageous journey during the Nazi occupation of France BBC Radio presenter Edward Stourton made the trek in 2011 and from his fellow hikers he uncovered amazing stories of wartime bravery and perseverance In *Cruel Crossing* Stourton draws on interviews with survivors as well as family members of those who were there to paint a history of this little known aspect of World War II It is colored by tales of hardship from soldiers trapped behind enemy lines persecuted Jews fleeing Hitler and Vichy France and bold resistance fighters aiding their escape There are scrambles across rooftops in the dead of night drops from speeding trains treachery murder romance and of course heroism These personal stories offer a dramatic and moving trip through the past preserving the memories of those who endured so much to gain back their freedom Praise for *Cruel Crossing* Stourton writes evocatively and with sensitivity of the people who made the arduous trek An engaging collection of tales *Daily Express* In Mr Stourton's hands the Pyrenees become a grim amphitheatre for heroism and betrayal collusion and rebellion *Cruel Crossing* recaptures much of the adventure and the fun as well as the horror and the bitterness as it brilliantly conjures up the voices of the past *Country Life* Heart breaking and breath taking thoroughly moving and very readable Simon Mawer author of *The Glass Room* An important book packed with poignant stories remarkable characters and uncomfortable truths Clare Mulley author of *The Spy Who Loved Me* *Irish Women and Nationalism* Louise Ryan, Margaret Ward, 2019-09-16 Studies of Irish nationalism have been primarily historical in scope and overwhelmingly male in content Too often the shadow of the gunman has dominated Little recognition has been given to the part women have played yet over the centuries they have undertaken a variety of roles as combatants prisoners writers and politicians In this exciting new book the full range of women's contribution to the Irish nationalist movement is explored by writers whose interests range from the historical and sociological to the literary and cultural From the little known contribution of women to the earliest nationalist uprisings of the 1600s and 1700s to their active participation in the republican campaigns of the twentieth century different chapters consider the changing contexts of female militancy and the challenge this has posed to masculine images and structures Using a wide range of sources including textual analysis archives and documents newspapers and autobiographies interviews and action research individual writers examine sensitive and highly complex debates around women's role in situations of conflict At the cutting edge of contemporary scholarship this is a major

contribution to wider feminist debates about the gendering of nationalism raising questions about the extent to which women's rights demands and concerns can ever be fully accommodated within nationalist movements
