## Saga Of Henry Starr:

*The Saga of Henry Starr* Robert J. Conley, 2012-08-01 Henry Starr was one of the most notorious criminals of the Old West famed far and wide for robbing two banks in the same town at the same time a feat even the Dalton Gang couldn't pull off Still Henry Starr was a reluctant outlaw An honest hardworking seventeen year old Cherokee cowboy with a steady job and a steady girl he was framed and arrested for a crime he didn't commit When he was falsely accused and convicted a second time Starr figured that since he was branded a criminal he might as well become one and proceeded to make himself one of the most wanted men in the West If I'm going to have the name of a criminal I might as well have the game he declared as he embarked on his life of crime By the time he was through he was said to have robbed more banks than any other man in history From Henry Starr's initiation as an outlaw to a death sentence handed down by Hanging Judge Parker to his final days playing the bad guy in Hollywood movies *The Saga of Henry Starr* is a colorful retelling of a true Western legend

**The Saga of Henry Starr** Robert J. Conley, 1990-09-01 Recounts the life and adventures of notorious outlaw Henry Starr his youth as a fledgeling criminal his encounter with a hanging judge and his later years playing Hollywood villains

**The Return of Henry Starr** Richard Slotkin, 2024-08-06 Wild West lore collides with a life of crime in this biographical novel of the legendary Cherokee outlaw Growing up on Indian Territory in Oklahoma Henry Starr had an illustrious family lineage half Cherokee warriors half western outlaws Inspired by dime store novels and old family tales he began robbing banks to avenge the bitter mistreatment of his people But while Starr's criminal career soon made him a legend it also won him a death sentence That was years ago before a lucky twist of fate set Henry free But while the world has changed around him the myth of the outlaw Henry Starr lives on Now his best chance at a new life is to work in Hollywood depicting his former self in silent films As Henry is drawn into a glamorized version of his own past it becomes difficult to separate truth from fiction And he soon finds himself returning to the life that made him a notorious icon A fictionalized tale of Henry Starr's dramatic life novelist and historian Richard Slotkin brings authentic period detail to this saga of the frontier

*The Aldrich Saga* Charles Dickerson, 2004 The Sac River flowed gently through the valley circling Aldrich on the west The author accompanied by his father came from the city to make his home with Sara Dickerson Charles being ten years old upon his arrival in Aldrich would live with his grandmother until 1939 when he graduated from high school The last frontier had passed in 1890 The population was about 120 million people The stock market had crashed in 1929 and the U.S. was facing a major depression The Aldrich Saga is set in a Bible belt village of varied people religious zealots political pundits town drunks and all of the other kind that inhabit including the church going folk It was the author's eight years with Sara that he was privy to so many pleasant stories events and happenings Halloween was celebrated with gusto in Aldrich and the different personalities made news There were the visiting Gypsies the politikin of the town loafers and the certain pseudo intellectuals who would trash Franklin Roosevelt and make dire predictions about Hitler being the

Anti Christ Two misers in Polk County engendered much conversation Medicine shows drumming their wares in bottles that were suspect brought laughs There were the old gentlemen telling of their exploits in the Civil War followed by WWI veterans who also got out their message Clarence Alden was a superb ventriloquist that nearly scared a man to death by throwing his voice into a coffin that was being unloaded by men at the Springfield Frisco Station The words of Solomon are interesting for people unfamiliar with him The author being an ex teacher presents his views on politics Then there is the snow bound train in 1918 that foundered on the way to Kansas City as told by Ralph Dickerson The story of the Aldrich Bank being robbed is told by the infamous Henry Star in 1908 The author remembers Granny s copper wire the only dishonesty I can remember her committing to keep the light bill to the one dollar minimum Ralph Dickerson caught the Spanish Flu which killed twenty three million people Sara with her mysterious medicines cured him There is also the story of Bill Akard a world champion shooter who had put on shooting exhibitions for the King of England and the Russian Czar and who persuaded Henry Starr not to rob the bank For many years the Aldrich village has been gone with the winds *Chasing the Sun* Edward Joseph Beverly,2008 *Chasing the Sun* is a guide to Western fiction with more than 1 350 entries including 59 reviews of the author s personal favorites organized around theme The Peace Chief Robert J. infamous Younger brothers but also the dark path of a Cherokee diaspora from Georgia to Indian Territory Davis born in 1891 grew up on a family ranch on the Canadian River outside the small community of Porum in the Cherokee Nation The range was being fenced and for the Davis family and others cattle rustling was part of a way of life a habit that ultimately spilled over into violence and murder The story goes way back to the wild woolly cattle days of the west an aunt wrote to Thompson s mother when there was cattle rustling bank robberies feuding One of these feuds that Joe Davis was raised right into was the decade long Porum Range War which culminated in the murder of Davis s uncle in 1907 In fleshing out the details of the range war and his grandfather s life Thompson brings to light the brutality and far reaching consequences of an obscure chapter in the history of the American West      **Postindian Aesthetics** Debra K.
