**World War 1914-1945: 1. Lightning Strikes Twice** Peter Liddle,John Bourne,Ian Whitehead,2015-02-19 Comparing and contrasting the World Wars      **Atlantic Convoys and Nazi Raiders** Bruce A. Watson,2005-12-30 In November of 1940 the German pocket battleship Admiral Scheer attacked British Convoy HX 84 The merchant cruiser HMS Jervis Bay a converted passenger liner that was the convoy s only escort armed only with antique 6 inch guns charged the Nazi raider While the Jervis Bay did not stand a chance of surviving the battle her crew s fatalistic bravery inspired awe in all who witnessed the fight Watson recounts how the Scheer s 11 inch guns turned the ship into a burning hulk in twenty two minutes but most of the convoy escaped In November of 1940 the German pocket battleship Admiral Scheer attacked British Convoy HX 84 The Armed Merchant Cruiser HMS Jervis Bay the only escort and mounting antique 6 inch guns charged the Nazi raider While the Jervis Bay did not stand a chance of surviving the battle her crew s fatalistic bravery inspired awe in all who witnessed the fight Watson describes how the Scheer s 11 inch guns turned the converted passenger liner into a burning hulk in twenty two minutes but most of the convoy escaped How did this confrontation come to pass Both the necessity of arming a passenger liner and pretending it was a warship and the building of the Admiral Scheer and her sister ships for the express purpose of commerce raiding find their roots in the events political decisions re armament policies war plans naval traditions and blunders that arose in pre war Britain and Germany But this event holds a significance beyond the battle itself The sinking of the Jervis Bay symbolizes the end of an era in naval warfare The Armed Merchant Cruisers of the Second World War inherited a long sometimes noble and sometimes ignoble history Long employed in blockade or patrol duty armed merchant cruisers ventured out for the first time to escort convoys a defensive duty for which they were eminently unsuited and for which the Jervis Bay paid a fearful price      **Beware the British Serpent** Robert L. Calder,2004-03-01 Using newly uncovered archival material Calder offers provocative new insights into the war work of more than forty prominent British authors focusing particularly on Somerset Maugham Noel Coward H G Wells Vera Brittain and J B Priestley He provides a comprehensive analysis of the suspicions beneath the wartime Anglo American alliance and describes the tensions that arose between the British Ministry of Information and the Foreign Office over the nature and direction of the propaganda campaign in the United States Calder demonstrates that Britain s well organized propaganda campaign in the United States to persuade it to enter World War I had left isolationist and Anglophobic Americans highly suspicious of anything that hinted of propaganda Any effort to influence public opinion had therefore to be carefully and subtly undertaken and the British

Government soon realised that well known authors employed officially or semi officially were ideal for the task Respected for their pens they were especially suited to reminding Americans of their strongest links with Britain a common language and a shared cultural heritage of Shakespeare Dickens Austen Hardy Thackeray and others As well their profession had often led them to tour speak write and live in America and because they could live on their royalties and speaking fees they were not on the payroll of the British government and thus could not be identified as paid foreign agents Black Market Britain Mark Roodhouse,2013-03-21 Britain s underground economy flourished during the 1940s and early 1950s thanks to rationing and price control producers traders and professional criminals helped consumers to get a little extra on the side from under the counter or off the back of a lorry Yet widespread evasion of regulations designed to ensure fair shares for all did not undermine the austerity policies that characterised these years and its vital role in securing compliance with economic regulation In Black Market Britain Mark Roodhouse argues that Britons showed self restraint in their illegal dealings The means motives and opportunities for evasion were not lacking The shortages were real regulations were not watertight and enforcement was haphazard Fairness not patriotism and respect for the law is the key to understanding this self restraint By invoking popular notions of a fair price a fair profit and a fair share government rhetoric limited black marketeering as would be evaders had to justify their offences both to themselves and others Black Market Britain underlines the importance of fairness to those seeking a richer understanding of economic life in modern Britain *If the Gods are Good* Gerald Duskin,Ralph Segman,2004 To give readers a full appreciation of the significance of what took place the authors put the battle in the context of contemporary naval and political events and describe the battle action aboard several ships including the Admiral Scheer BOOK JACKET **Best Little Stories from World War II** C. Brian Kelly,2010-11-01 The untold stories of bravery triumph and redemption in the depths of the darkest world war Behind the great powers global military conflict and infamous battles are more than 100 incredible stories that bring to life the Second World War During the six years of war were countless little known moments of profound triumph and tragedy bravery and cowardice and good and evil These amazing and unbelievable stories of brotherhood redemption escape and civilian courage shed new light on the war that gripped the entire world Experience the action through the eyes of people like Lieutenant Jacob Beser who was aboard both the Enola Gay and Bock s Car and felt the force of the shockwave that nearly destroyed the planes after dropping the H bombs that obliterated Hiroshima and Nagasaki Professor William Miller who collapsed during a death march of POWs in Germany and was saved by the same man who had rescued him from what would have been a fatal car wreck in Pennsylvania five years earlier The brave civilians who answered the British Admiralty s call to help rescue an army from Dunkirk during the height of a dangerous battle and sailed small fishing boats into relentless German fire ultimately saving 335 000 men from This is the perfect book for any history buff looking for the untold stories of military and civilian daring during World War 2 *Consolidated List of Government Publications* Great Britain. His Majesty's Stationery Office,1941 Henry Steele

Commager's The Story of the Second World War Henry Steele Commager, 2004 Henry Steele Commager OCOs The Story of the Second World War compiled in the war OCOs immediate aftermath became an instant classic Commager has presented a broad spectrum of contemporary writing about the war by such figures as Winston Churchill John Steinbeck Walter Lippman John Hersey and William Shirer The book also contains stirring narratives by the soldiers and civilians who experienced the war on the frontlines or who endured it behind the lines Readers will enjoy these remarkable firsthand accounts from all of the major theaters of the war and Commager OCOs expert commentary which puts the war in perspective **The Tattie**

**Lads** Ian Dear, 2016-06-02 Enduring great danger and often terrible conditions in heavy seas the Rescue Tug Services worked tirelessly to bring to port damaged vessels and keep up the supply of food and essential items during two world wars They were first deployed towards the end of the First World War to support and if necessary to salvage merchant shipping that had been damaged by U boat attacks During the Second World War they were needed even more urgently when ships bringing food and other essential supplies to a beleaguered Britain were attacked by both air strikes and submarines Although part of the Royal Navy the contribution of the Rescue Tug Service remained curiously absent from the naval history of the Second World War Yet the Service had developed what a wartime American newspaper called a new type of naval vessel the British fighting escort tug and had saved millions of tons of shipping both warships and merchant ships not to mention the crews and the precious cargoes The official history of the Merchant Navy did not mention the Service either nor did numerous other books on the war at sea In 2014 author Ian Dear was given access to the archives of the Deep Sea Rescue Tug Service which were about to be disbanded His research here and elsewhere produced a view of the war at sea from an entirely new angle The result The Tattie Lads explores why the service might have been omitted from the official story and reveals its fascinating history in a full length book for the first time **Warriors** Ross Kemp, 2010-10-14

\_\_\_\_\_ Ross Kemp has encountered conflict and warfare the world over broadcasting from some of the most volatile military hot zones From meeting the world's deadliest gangsters to perhaps his hardest assignment of all embedded with the British Army in Afghanistan's Helmand province where he witnessed some of the fiercest fighting of the conflict and was trained in the tactics they use to stay alive Stationed with British forces for his award winning television documentaries Ross Kemp has not only experienced the terror and exhilaration of life on the frontline but also the courage and leadership of today's servicemen and women The plight of our Armed Forces is one especially close to his heart and here for the first time Kemp tells the breathtaking stories of commandos medics submariners fighter pilots infantrymen sailors and engineers in daring raids stirring last stands and acts of extreme valour British Fighting Heroes is Ross Kemp's personal tribute to some of the most remarkable men and women to have served in the British Armed Forces during the two World Wars many of them unsung or forgotten From Sgt Major Stan Hollis D Day's only VC winner to Freddie Spencer Chapman the reluctant war hero who spent three years behind enemy lines in Burma fighting guerrilla warfare against troops each account is an

extraordinary tale of courage adventure and patriotic sacrifice      **Catalog of Copyright Entries. New Series** Library of Congress.
