Saga Best New Writings On Mythology Volume 2:

Saga Jonathan Young,1995-08 An occasional volume collecting the most innovative articles published each year in the area of myth and ritual studies by the most outstanding thinkers in the field The wisdom of ancient storytellers has been handed down to us by a long succession of inspired men and women in the form of great mythic narratives full of guidance and encouragement Some of today s finest writers and scholars have turned their attention to unravelling the secrets of these timeless tales to explain their value in contemporary life This sourcebook of cutting edge writing on myth and ritual represents the most advanced thinking in this rapidly changing field

Nurturing Our Humanity Riane Eisler,Douglas P. Fry,2019-07-05 Nurturing Our Humanity offers a new perspective on our personal and social options in today s world showing how we can build societies that support our great human capacities for consciousness caring and creativity It brings together findings largely overlooked from the natural and social sciences debunking the popular idea that we are hard wired for selfishness war rape and greed Its groundbreaking new approach reveals connections between disturbing trends like climate change denial and regressions to strongman rule Moving past right vs left religious vs secular Eastern vs Western and other familiar categories that do not include our formative parent child and gender relations it looks at where societies fall on the partnership domination scale On one end is the domination system that ranks man over man man over woman race over race and man over nature On the other end is the more peaceful egalitarian gender balanced and sustainable partnership system Nurturing Our Humanity explores how behaviors values and socio economic institutions develop differently in these two environments documents how this impacts nothing less than how our brains develop examines cultures from this new perspective including societies that for millennia oriented toward partnership and proposes actions supporting the contemporary movement in this more life sustaining and enhancing direction It shows how through today s ever more fearful frenzied and greed driven technologies of destruction and exploitation the domination system may lead us to an evolutionary dead end A more equitable and sustainable way of life is biologically possible and culturally attainable we can change our course

The Other Within Daniel Deardorff,2018-08-14 Daniel Deardorff knows otherness firsthand This highly regarded singer in the old sense of that word musician storyteller maker of ritual had polio as an infant and has used a wheelchair most of his life giving him a lived perspective that deeply informs his views on this subject In The Other Within Deardorff starts with a radical notion to disclose the blessings of outsiderhood the many gifts and insights contributed to culture by the marginalized and outcast Unlike studies that stress the plight of the outsider this one asserts that to be cast down and out of the consensus worldview affords a difficult yet significant opportunity to encounter oneself not as defined by society but as one actually is An eloquent spokesman for the man or woman on the weird road Deardorff presents dozens of powerful examples from myth and literature to illustrate his message in a richly allusive complex series of essays Drawing on the work of mythologists poets psychologists and scholars The Other Within takes readers on an initiatory journey

uncovering the roots of human identity and imagination and offering insights including trickster wisdom revealing the mythic underpinnings of everyday life This second edition includes updated text a new introduction and a helpful glossary
