Saginaw's Changeable Past Jeremy W. Kilar,Sandy L. Schwan,1994 Foreword Placement of the term changeable next to the word historical in this book's title may appear repetitive to the insightful reader Indeed history is an ongoing process Communities grow populations vary and economies rise and fall History captures and interprets the change that goes on around us Yet in Saginaw change is the password that opens the door to understanding the community's past Few cities have undergone such extensive economic fluctuations physical restructuring and demographic changes as Saginaw The exploitation of inexhaustible resources first by the Indians fur traders and later lumbermen marked earlier changes This bounty did not last forever after 30 years of transition something even better came along By combining text documents remembrances and quotations with a pictorial narrative one can look back at Saginaw's changeable past New faces and new technologies will likely bring additional challenges but by looking at the past Saginaw's citizens can be reassured that the accomplishments and adaptability of earlier generations has prepared the community well for the changeable future

**Bunyan** Eugene S. Shepard, Karretta Gunderson Shepard, 1929      **Michigan Writers' Program** (Mich.), 1949      Arab  
Detroit Nabeel Abraham, Andrew Shryock, 2000 Metropolitan Detroit is home to one of the largest and most diverse Arab  
 communities outside the Middle East Arabic speaking immigrants have been coming to Detroit for more than a century yet  
 the community they have built is barely visible on the landscape of ethnic America Arab Detroit brings together the work of  
 twenty five contributors to create a richly detailed portrait of Arab Detroit Memoirs and poems by Lebanese Chaldean  
 Yemeni and Palestinian writers anchor the book in personal experience and more than fifty photographs drawn from family  
 albums and the files of local photojournalists provide a backdrop of vivid often unexpected images Students and scholars of  
 ethnicity immigration and Arab American communities will welcome this diverse collection      **A Sailor's Logbook** Mark L.  
 Thompson, 1999 A firsthand account of life aboard the ships of the Great Lakes      **Sarkis** Gordon Orear, Sarkis, Elizabeth  
 Orear, 1995 Born in Asia Minor in 1909 Sarkis Sarkisian came to Detroit at the age of 14 He studied formally under John P  
 Wicker at the Wicker School of Fine Arts and for the next fifty years he evolved into a leader of the city's artistic community  
 A teacher and the director of the Art School of Detroit Society of Arts and Crafts now the Center for Creative Studies College  
 of Art and Design he influenced generations of art students This book is a study of Sarkis as an artist and as a teacher A  
 classicist in his belief that the mission of the artist is to create beauty and to represent the inner life of the spirit Sarkis  
 endowed his paintings with gravity and grace His emphasis on the formal elements of art in his painting and in his teaching  
 did not obscure the humanism that influenced both Sarkis celebrates the achievements and contributions of this remarkable  
 artist      A Hanging in Detroit David G. Chardavoyne, 2003 On September 24 1830 Stephen G Simmons a fifty year old  
 tavern keeper and farmer was hanged in Detroit for murdering his wife Levana Simmons in a drunken jealous rage Michigan  
 executed only two people during the fifty year period from 1796 to 1846 when the death penalty was legal within its  
 boundaries Simmons was the second and last person to be executed under Michigan law In A Hanging in Detroit David G  
 Chardavoyne vividly evokes not only the crime trial and execution of Simmons but also the setting and players of the drama

social and legal customs of the times and the controversy that arose because of the affair Chardavoyne illuminates his account of this important moment in Michigan's history with many little known facts creating a study that is at once an engrossing story and the first historical examination of the event that helped bring about the abolition of the death penalty in Michigan Simmons execution came at a time when Michigan had begun to change from a sparsely populated wilderness to a thriving agricultural center and Detroit from a small military outpost to a metropolis founded on trade manufacturing and an influx of immigrants and other settlers The hanging was a defining moment during this period of dramatic social change Thousands of spectators crowded into Detroit expecting to see a thrilling public execution Many of those spectators however left deeply disturbed by the spectacle they had witnessed Chardavoyne a lawyer probes the unsettling incident which sparked a profound shift in attitudes toward capital punishment in Michigan examining along the way such mysteries as why Simmons was hanged for his crime when other contemporary killers were hardly punished at all A Hanging in Detroit will fascinate legal historians and lay readers alike with its incisive look into Great Lakes regional history and crime and punishment in Michigan

**Expanding the Frontiers of Civil Rights** Sidney Fine, 2000 Although historians have devoted a great deal of attention to the development of federal government policy regarding civil rights in the quarter century following World War II little attention has been paid to the equally important developments at the state level Few states underwent a more dramatic transformation with regard to civil rights than Michigan did In 1948 the Michigan Committee on Civil Rights characterized the state of civil rights in Michigan as presenting an ugly picture Twenty years later Michigan was a leader among the states in civil rights legislation Expanding the Frontiers of Civil Rights documents this important shift in state level policy and makes clear that civil rights in Michigan embraced not only blacks but women the elderly native Americans migrant workers and the physically handicapped Sidney Fine's treatment of civil rights in Michigan is based on an exhaustive examination of unpublished published and interview sources Fine relates civil rights developments in Michigan to civil rights actions by the federal government and other states He focuses on the administrations of the three governors Democrats G Mennen Williams 1949 1960 and John B Swainson 1961 1962 and Republican George Romney 1963 1969 and the roles they played in furthering civil rights in Michigan as well as other politicians and policymakers Students of state history civil rights history and those interested in post World War II history will find few accounts as broad ranging as this study of state civil rights legislation during the years the book covers

**Folk and Fairy Tales** D. L. Ashliman, 2004-05-30 Just about everyone is familiar with folk and fairy tales Children learn about them from parents teachers and other adults while researchers study these tales at colleges and universities At the same time folk and fairy tales are inseparable from everyday life and popular culture Movies music art and literature offer imaginative retellings and interpretations of fairy and folk tales But despite the pervasiveness of this folklore type most people have only a vague understanding of these tales This reference is a convenient introduction to folk and fairy tales for students and general readers Written by a leading authority this handbook offers a

broad examination of folk and fairy tales as a folklore type It looks at tales from around the world and from diverse cultures The volume defines and classifies folk and fairy tales and analyzes a number of examples It studies the varied manifestations of fairy and folk tales in literature and culture and reviews critical and scholarly approaches to this folklore genre The volume also includes a glossary and extensive list of works for further reading      *Toast of the Town: The Life and Times of Sunnie Wilson* Sunnie Wilson, John Cohassey, 2005-05-23 As part of the great migration of southern blacks to the north Sunnie Wilson came to Detroit from South Carolina after graduating from college and soon became a pillar in the local music industry He started out as a song and dance performer but found his niche as a local promoter of boxing and musical acts Part oral history memoir and biography *Toast of the Town* draws from hundreds of hours of taped conversations between Sunnie Wilson and John Cohassey as Wilson reflected on the changes in Detroit over the last sixty years Supported by extensive research Wilson s reminiscence is complemented by photographs from his own collection which capture the spirit of the times An influential insider s perspective *Toast of the Town* fills a void in the documented history of Detroit s black business and entertainment community from the 1920s to the present      Letter from Washington, 1863-1865 L. B. Adams, 1999 Before the Civil War Lois Bryan Adams was a well known Michigan poet and editor In 1863 she left Detroit for Washington D C where she was one of the first women in the federal civil service and one of the first employees of the United States Department of Agriculture In addition to her government position Adams was a regular correspondent for the Detroit Advertiser and Tribune Adams was a concerned and observant reporter whose columns covered politics war news hospital and relief efforts African American issues women s issues the Agriculture Department and the attractions and amusements of the nation s capital Adams s descriptions provide a seldom encountered view of the Civil War era Her commentaries show her to be an insightful reporter and provide a fascinating look into this important period of history      *The Last Good Water* Michael Delp, 2003 Table of contents
