Esoteric Astrology - Vol. 5 Dr. Douglas M. Baker, 2015-05-24 Esoteric Astrology Vol 5 Rising Signs Libra through Pisces The Theory Interpretation and Practice This publication takes a new and revitalised look at astrology It is simple to understand yet remains a powerful tool capable of providing a solid foundation for the comprehension of this broad and magnificent subject This textbook like most of Dr Baker s printed books eBooks and DVDs enhances your studies via many charts lists tables and images over 100 in this one This major work is a very comprehensive introduction for those who want to study this subject in earnest and for the more advanced student it will serve as an essential reference manual In today s computer based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds and with 100% accuracy Consequently the needless paraphernalia usually associated with learning astrology has been stripped away Emphasis is placed on the application of astrology to the unique problems of the modern world its use as a method of revealing purpose and meaning in life and ultimately as a key to the psychosynthesis of personality The horoscope is described in comprehensive detail with special attention given to the esoteric ruling planets of the zodiac signs which are more relevant than orthodox rulers in the charts of spiritually minded people The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world The significance of karma is represented for it gives dramatic effect to our daily actions and the third factor of esoteric psychology lying beyond our understanding of heredity and environment is given full prominence This integrative and enriching work can be read alone as a fascinating introduction and foundation to the New Astrology or can be followed up with the author s extensive range of astrological books and video tapes audio lectures and the all embracing Dictionary of Astrology for the 21st Century Together they provide a complete system for the professional and novice alike containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology

Astrology and Aptitude Kim Falconer, 2005-07 Joseph Campbell advised everyone to live authentically by following our bliss but how many of us do Somewhere along the way we lose sight of our aims We forget the myths that guide us and end up lost in the dark This book is a light in that darkness a guide to our own natural talents aptitudes and potential With Astrology and Aptitude you will Explore abilities related to the planets signs and houses Discover over 30 minor asteroids linked to career and creativity Follow practical delineations and chart examples Learn about talents hidden in the fixed stars Vertex and Aries Point Become the person you are most capable of being Focusing on the symbolic meaning of the signs houses planetary aspects and transits this book describes ways to identify and

boost the natural modes of expression bringing them out into the open Included are delineations of asteroid gods and goddesses fixed stars Arabic parts the Vertex Aries Point midpoints and Lunar Nodes Also included is a reference guide to vocational rulerships and a comprehensive index Astrology and Aptitude is a must read for everyone serious about becoming everything they can possibly be and supporting others to do the same **Astrology** Mrs. Mabel (McGeorge) Shoemaker,1905 Learning Astrology Damian Sharp,2005-10-08 Sharp elegantly casts a web of astrological knowledge as he explains the nuances of each aspect that influences the individual horoscope Library Journal Astrology is both a science and an art It is a symbolic representation of all of the elements religious spiritual emotional mental and physical visible and invisible that exist in the universe and come together in various and diverse combinations to account for individual human beings and the forces that shape and act upon them While there are numerous astrology books available many are decades old and require you to wade through a morass of technical details just to get to the basics In Learning Astrology Damian Sharp provides a fun fresh approach to understanding this ancient art making it easily accessible to those who are completely new to the subject and or put off by older more complicated books In clear concise language and an easy to follow order he provides insight into sun signs and planets houses and aspects and shows us how to actually read an astrological chart simply and accurately And if you want the more technical details Sharp provides those too By the end of the book you ll be discussing conjunctions sextiles squares and trines like a pro Learn astrology from Damian Sharp and become your own astrologer
