**The Oxford Handbook of New Religious Movements** James R. Lewis, Inga B. Tollefsen, 2016-04-12 The study of New Religious Movements NRMs is one of the fastest growing areas of religious studies and since the release of the first edition of *The Oxford Handbook of New Religious Movements* in 2003 the field has continued to expand and break new ground In this all new volume James R Lewis and Inga B T llefsen bring together established and rising scholars to address an expanded range of topics covering traditional religious studies topics such as scripture charisma and ritual while also applying new theoretical approaches to NRM topics Other chapters cover understudied topics in the field such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs The first part of this book examines NRMs from a social scientific perspective particularly that of sociology In the

second section the primary factors that have put the study of NRMs on the map controversy and conflict are considered The third section investigates common themes within the field of NRMs while the fourth examines the approaches that religious studies researchers have taken to NRMs As NRM Studies has grown subfields such as Esotericism New Age Studies and neo Pagan Studies have grown as distinct and individual areas of study and the final section of the book investigates these emergent fields

*Shakti's New Voice* Angela Rudert, 2017-10-04 Shakti's New Voice is the first comprehensive study of Anandmurti Gurumaa a widely popular contemporary female guru from north India known for offering spiritual teachings and music on satellite television and the Internet Based on extensive ethnographic fieldwork and religious historical research as well as unexpected and unprecedented outsider contact with the guru Angela Rudert offers an intimate portrait of Gurumaa that will be of interest to the guru's admirers as well as to scholars To examine Gurumaa's innovation Rudert turns to examples drawn from fieldwork research in the guru's ashram and from other locations in India and in the United States These examples specifically discuss Gurumaa's religious pluralism her gender activism and her embrace of new media in order to illuminate elements of continuity and change within the time honored South Asian tradition of guru bhakti devotion to the guru Raised in a Sikh family educated in a Catholic convent school and understood to have attained her enlightenment in Vrindavan the famous Hindu pilgrimage site of Lord Krishna's divine play Gurumaa refuses identification with any particular religious tradition or ism yet her teachings draw from many She speaks strongly often harshly about contemporary issues of gender inequality while calling for women's empowerment and she has established a non governmental organization called Shakti to promote girls education in India In the case of Anandmurti Gurumaa and those spiritual seekers in her fold innovations and re interpretations of tradition come from within the pluralistic setting of Indian religiosity while they exist and act within a global religious milieu

Eastspirit: Transnational Spirituality and Religious Circulation in East and West Jørn Borup, Marianne Qvortrup Fibiger, 2017-08-28 Mindfulness yoga Tantra Zen martial arts karma feng shui Ayurveda Eastern ideas and practices associated with Asian religions and spirituality have been accommodated to a global setting as both a spiritual religious and a broader cultural phenomenon Eastern spirituality is present in organized religions the spiritual New Age market arts literature media therapy and health care but also in public institutions such as schools and prisons Eastspirit Transnational Spirituality and Religious Circulation in East and West describes and analyses such concepts practices and traditions in their new Western and global contexts as well as in their transformed expressions and reappropriations in religious traditions and individualized spiritualities back in the East within the framework of mutual interaction and circulation regionally and globally

**From Yoga to Kabbalah** Véronique Altglas, 2014-05-01 Religious exoticism implies a deeply ambivalent relationship to otherness and to religion itself traditional religious teachings are uprooted and fragmented in order to be appropriated as practical methods for personal growth Western contemporary societies have seen the massive popularization of such exotic religious resources as yoga and meditation Shamanism

Buddhism Sufism and Kabbalah Vronique Altglas shows that these trends inform us about how religious resources are disseminated globally as well as how the self is constructed in society She uses two case studies the Hindu based movements in France and Britain that started in the 1970s and the Kabbalah Centre in France Britain Brazil and Israel She draws upon major qualitative and cross cultural empirical investigations to conceptualize religious exoticism and offer a nuanced and original understanding of its contemporary significance From Yoga to Kabbalah broadens scholarly understanding of the globalization of religion how religions are modified through cultural encounters and of religious life in neoliberal societies

**Finnish Women Making Religion** T. Utriainen, P. Salmesvuori, 2014-07-17 Finnish Women Making Religion puts forth the complex intersections that Lutheranism the most important religious tradition in Finland has had with other religions as well as with the larger society and politics also internationally

**Living and Working in Sofia** Waltraud Kokot, 2012 Western popular images of Bulgaria are still fused with stereotypes about the Balkans as a peripheral Other In these constructions cities and contemporary urban life hardly figure at all This book presents a variety of urban livelihood strategies social relations and personal agencies in the context of social and cultural change A central task of social anthropology is to bring the unfamiliar into focus and this urban ethnographic study contributes to a better understanding of Sofia as a major city in contemporary Europe Series lines Beitrage zur Stadtforschung aus dem Institut fur Ethnologie der Universitat Hamburg Vol 7

**The A to Z of New Religious Movements** George D. Chryssides, 2006-04-17 Alongside the older and more established religions there are hundreds indeed thousands more which have recently emerged These new religious movements or NRMs for lack of a better name are not only numerous they are also extremely varied and stem from a wide array of sources They run the gamut from small to large and all possess a tendency to constantly expand And while their potential for good is considerable more often than not it is their abuses that are noticed Still writing them off as sects is too easy especially when they are as poorly understood as they often are The A to Z of New Religious Movements is a major contribution to understanding these new and formative religions While leaving any evaluation to the reader it offers brief descriptions of well over a hundred NRMs in the dictionary section along with information on the founders and leaders and also their roots in Christianity Buddhism Hinduism Islam and other more traditional religions The impact of modern philosophy and science are also weighed Since their roots often lay further back the chronology starts in the 18th century and continues to the present and the introduction attempts the arduous task of defining and categorizing the NRMs The extensive bibliography provides further reading

**Religions of the World** J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six volumes offer entries on every country of the world with particular

emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world s smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world s most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions

*Modern Hinduism in Text and Context* Lavanya Vemsani,2018-07-26 Modern Hinduism in Text and Context brings together textual and contextual approaches to provide a holistic understanding of modern Hinduism It examines new sources including regional Saiva texts Odissi dance and biographies of Nationalists and discusses topics such as yoga dance visual art and festivals in tandem with questions of spirituality and ritual The book addresses themes and issues yet to receive in depth attention in the study of Hinduism It shows that Hinduism endures not only in texts but also in the context of festivals and devotion and that contemporary practice devotional literature creative traditions and ethics inform the intricacies of a religion in context Lavanya Vemsani draws on social scientific methodologies as well as history ethnography and textual analysis demonstrating that they are all part of the toolkit for understanding the larger framework of religion in the context of emerging nationhood transnational and transcultural interactions
