The Bihar Provincial Kisan Sabha, 1929-1942 Walter Hauser,2019-02-22 On December 5th 1920 in Patna the Dasnami sannyasi Sahajanand Saraswati encountered Mahatma Gandhi for the first time

Sahajanand was already known in social reform circles in Bihar as an energetic activist and educator working to promote Bhumihar Brahman identity. Inspired by the Mahatma's radical reformulation of Indian nationalism, the Swami as Sahajanand would soon come to be known, threw himself into nationalist politics and the Indian National Congress. Within a decade, moved by the plight of tenant farmers struggling against excessive rent demands and abusive landlord exactions, the Swami had spearheaded the formation of the Bihar Provincial Kisan Sabha. This organization quickly became the largest organization of its kind in India, catapulting the Swami onto the national stage. By the early mid 1930s, the Swami had publicly broken with both the Mahatma and the Gandhians and had made common cause with the left wing of the Congress. Later, as the storm clouds of World War II gathered on the horizon, he joined forces with the Forward Bloc and the Communist Party of India. By the time of his death in 1950, the Swami, disillusioned with politics, had dissociated himself from all parties. This pioneering 1961 study by Walter Hauser tracks the history of the Bihar peasant movement as it both influenced and was buffeted by national and international politics. Hauser offers here a penetrating analysis of the character of the movement and the mind of its leader as he grappled with and gravitated toward Marxism-Leninism in the 1930s and 1940s. Initially written as a Ph.D. dissertation at the University of Chicago, Hauser's path-breaking Bihar Provincial Kisan Sabha 1929-1942 is now being published in its entirety for the first time. The volume includes a Foreword by one of Hauser's many students, William R. Pinch. BRAHMINS WHO REFUSED TO BEG Anurag Sharma, 2022-11-12

Bhumihars are a prominent Ayachak Brahmin community of East India. Ayachak Brahmins gave up priestly duties and took up agriculture for subsistence and bore arms to protect the motherland. Ayachaks have coexisted alongside the traditional priestly Yachak class within the Brahminical fold across India since time immemorial. Bhumihar Brahmin community, though small, has a rich history of both valour and scholarship. Even as the Greeks led by Alexander the Great were ravaging the north-western flanks of India, Chanakya was plotting a quiet pushback. When the successors of King Ashoka, smitten by the non-violent ways of Buddhism, were dilly-dallying against the imminent threat of a Greek resurgence, Pushyamitra Shunga rose to shake the warriors out of their stupor of non-violence and pushed back the Greeks beyond the borders of Bharat forever. When forced to use a rifle cartridge laden with beef starch against their Hindu beliefs, a Mangal Pandey became the first one to rise in protest, and soon a nation followed. The indomitable spirit of the community has inspired and dazzled with their scholarship as well. Ramdhari Singh Dinkar's pen, drenched in the patriotic fervour of Veer Rasa, inspired many mutinies against the British. From the venerable Shri Babu, the first chief minister of Bihar in independent India, to Raj Narain, the giant killer who defeated Indira Gandhi, the community has shone in the field of politics and leadership. The community has not shied away from raising its voice against injustice and led reform movements like abolition of Zamindari and the temple entry movement. They may have lost their traditional tools of subsistence, but they still carry the twin endowments of bravery and intellect in their genes.

Bhumihar Ayachak brahmins are truly the brahmins who refused to beg Caste, Society and Politics in India from the Eighteenth Century to the Modern Age Susan Bayly, 2001-02-22 The phenomenon of caste has probably aroused more controversy than any other aspect of Indian life and thought Susan Bayly's cogent and sophisticated analysis explores the emergence of the ideas experiences and practices which gave rise to the so called caste society from the pre colonial period to the end of the twentieth century Using an historical and anthropological approach she frames her analysis within the context of India's dynamic economic and social order interpreting caste not as an essence of Indian culture and civilization but rather as a contingent and variable response to the changes that occurred in the subcontinent's political landscape through the colonial conquest The idea of caste in relation to Western and Indian orientalist thought is also explored
