Sai Bhagvatham Manoj Nakra,2015-09-22 Sai Bhagvatham is a story of man s engagement with God The book uses over a thousand personal spiritual experiences and anecdotes that record inner experiences of persons wrestling with their religious circumstances The experiences drawn from all religious traditions are evocative of how the divine engages with man The experiences with Sri Sathya Sai Baba are juxtaposed with the narratives of spiritual experiences recorded by seekers over the millennia The experiences with Sai are uncannily similar to the universal experiences of man with God they mirror man s journey to the Divine The spiritual journey with Sai is tangible poignant accessible and more intense than recorded before

Sai is relentless in the pursuit of his purpose transformation of man however much man falters vacillates resists struggles or even tries to escape Sai demonstrates that in the relationship of man with the Divine God is actively engaged with man he is not an impassive bystander The engagement of man with God is planned and activated by God it progresses based upon the responses of man and the engagement stimulates the transformation of man Man in his engagement with God asks the why questions seeking to comprehend and explain God He is also reflective attempting to understand himself and realize who he really is The diverse and innumerable first person incidents with Sri Sathya Sai Baba create a vivid characterization of the persona of Sai hence the use of Bhagvatham in the title *Man to God* Fassan Ramsaran,2020 What is death What is the ultimate purpose of life These are questions that have always perplexed humankind The ancient wisdom on the subject has always been dense esoteric and cloaked in secrecy available to a select few A spiritual quest can seem like looking for a needle in a haystack because there s very little literature that puts it all together But here at last is a compact and digestible summary of main ideas In a completely accessible highly readable guide to self realization author Fassan Ramsaran has created a clear and colorful roadmap of the many paths to truth Lively expressive and reader friendly *Man to God* is a digest of Eastern and Judeo Christian thought that illustrates how different roads can lead to the same place *Man to God* is an exploration of man s relationship to his Maker It asks if there really is a divine Creator and if so why do people feel so estranged With answers backed by thoughts from the great spiritual texts *Man to God* is a journey that builds momentum with each succeeding chapter leading to a deep truth that will be a gift and a revelation to its readers

The Life God Honors Andrew G. Robbins,2012-02 Discover what it Means to be Truly Spiritual Many Western Christians get sucked into the crippling thinking that a life which God will honor means going through the motions of religious observation without any real attention to the process of character transformation as we follow the example of Christ Still others especially those in the charismatic circles to whom most of this book will address the same circles in which the author spent most of his Christian life seem to believe that a truly spiritual life is one that is marked by ecstatic emotional experiences with only a secondary focus on the daily task of building one s faith and character down in the trenches of day to day living where emotional highs are often absent A discussion on the importance of understanding God s work in the day to day might not seem like material noteworthy enough to write a book about Yet you might be surprised how much emphasis God puts on it and how many Christians are frustrated in their spiritual walks because they fail to recognize how God works in the everyday events of their common day Andrew G Robbins has been in different facets of ministry since 1993 mostly in the areas of worship leading and teaching In January 2010 Andrew and his wife Donna launched Blessed Life Fellowship www.BlessedLifeFellowship.org a church and ministry devoted to teaching God s people about the goodness of God and His Kingdom principles for living and experiencing God s abundance A successful businessman and entrepreneur for the last two decades Mr Robbins is also an active writer and has authored numerous books articles and blogs Andrew and Donna reside

in central Indiana and have three children Hannah Luke and Drew

Paramahansa Narasingha Prosad Sil,1991 In the entire corpus of R makṛ ṣṇa a research carried out mostly by his disciples devotees and admirers only a handful have attempted to analyze his divine reputation Yet none has examined the R makṛ ṣṇa a phenomenon fully This is the first comprehensive psychoanalysis of R makṛ ṣṇa s sexuality in general and his androgyny in particular as well as a critical examination of his sermons sam dhis Instead of the popular paramahansa there now emerges the less attractive but more authentic profile of an utterly selfish capricious but highly intelligent spiritual master who elicited awed submission from everybody by his unpredictable and frenzied behaviour The author asserts that R makṛ ṣṇa s spiritual odyssey is better explained as his desperate but successful effort to deal with his emotional and sexual crisis rather than as the universally acknowledged outcome of a divine teleology Attempting to distinguish the historical R makṛ ṣṇa from the godhead of hagiography this study offers a challenging debate on mystic phenomenon **Religions in Movement**

Robert Hefner,John Hutchinson,Sara Mels,Christiane Timmerman,2013-10-23 There has long been a debate about implications of globalization for the survival of the world of sovereign nation states and the role of nationalism as both an agent of and a response to globalization In contrast until recently there has been much less debate about the fate of religion Globalization has been viewed as part of the rationalization process which has already relegated religion to the dustbin of history just as it threatens the nation as the world moves toward a cosmopolitan ethics and politics The chapters in this book however make the case for the salience and resilience of religion often in conjunction with nationalism in the contemporary world in several ways This book highlights the diverse ways in which religions first and foremost make use of the traditional power and communication channels available to them like strategies of conversion the preservation of traditional value systems and the intertwining of religious and political power Nevertheless challenged by a more culturally and religiously diversified societies and by the growth of new religious sects contemporary religions are also forced to let go of these well known strategies of preservation and formulate new ways of establishing their position in local contexts This collection of

essays by established and emerging scholars brings together theory driven and empirically based research and case studies about the global and bottom up strategies of religions and religious traditions in Europe and beyond to rethink their positions in their local communities and in the world **The Heirs of the Prophet** Liyakat N.
