**Love Poem to Tofu & Other Poems** Mong-Lan, 2007 In this highly unusual chapbook memorable poetry and beautiful calligraphic art are married to exquisite tastes One immediately identifies with Mong Lan's poems while with her calligraphic art one wishes to linger And the tastes remain even after the pages are closed Whether Mong Lan is singing of her love to food or writing of Southeast Asia particularly Vietnam and Thailand her poetry is quick witted humorous vibrant intoxicating and worldly One sips the words slowly imbibes to smell not only to taste then to devour wholeheartedly of what the soul sings

*CBS's Don Hollenbeck* Loren Ghiglione, 2011 Loren Ghiglione recounts the fascinating life and tragic suicide of Don Hollenbeck the controversial newscaster who became a primary target of McCarthyism's smear tactics Drawing on unsealed FBI records private family correspondence and interviews with Walter Cronkite Mike Wallace Charles Collingwood Douglas Edwards and more than one hundred other journalists Ghiglione writes a balanced biography that cuts close to the bone of this complicated newsman and chronicles the stark consequences of the anti Communist frenzy that seized America in the late 1940s and 1950s Hollenbeck began his career at the Lincoln Nebraska Journal marrying the boss's daughter before becoming an editor at William Randolph Hearst's rip roaring Omaha Bee News He participated in the emerging field of photojournalism at the Associated Press assisted in creating the innovative ad free PM newspaper in New York City reported from the European theater for NBC radio during World War II and anchored television newscasts at CBS during the era of Edward R Murrow Hollenbeck's pioneering prize winning radio program CBS Views the Press 1947-1950 was a declaration of independence from a print medium that had dominated American newsmaking for close to 250 years The program candidly criticized the prestigious New York Times the Daily News then the paper with the largest circulation in America and Hearst's flagship Journal American and popular morning tabloid Daily Mirror For this honest work Hollenbeck was attacked by conservative anti Communists especially Hearst columnist Jack O Brian and in 1954 plagued by depression alcoholism three failed marriages and two network firings and worried about a third Hollenbeck took his own life In his investigation of this amazing American character Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation Separating myth from fact CBS's Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America's tortured conscience

**Radical Visions** Vicente F. Gotera, 1994 Although poets have written about warfare since at least the time of Homer the Vietnam war has struck many observers as being immune to the interpretations of poetry and myth Lyric poetry of a traditional kind writes one critic has proved inappropriate to communicate the character of the Vietnam war its remoteness its jargonized recapitulations its seeming imperviousness to aesthetics Nonetheless the past two decades have seen an unprecedented outpouring of poetry that seeks to describe and come to terms with that bitterly divisive conflict In *Radical Visions* Vince Gotera argues that poetry written by Vietnam veterans underlines the failure of traditional American myths to help Americans understand the war and its aftermath The book blends sociohistorical commentary with close readings of individual works by such poets as Michael Casey Walter McDonald and W D Ehrhart In the book s first section *The Nam* Gotera examines several key mythic structures the Wild West a violent extension of the mythic virgin land the machine in the garden the city on the hill regeneration through violence all of which helped delude Americans about Vietnam and the war being fought there In the second part *The World* Gotera shows how another myth the American Adam as an exemplar of ahistorical innocence proved unusable for returning veterans attempting to readjust to American life In addition to exposing these failed myths Gotera argues the poetry by Vietnam veterans reflects an effort to construct new myths most notably that of the warrior against war an oxymoronic structure arising from the difficulties faced by returning veterans In the book s final chapters Gotera examines the work of Bruce Weigl

and Yusef Komunyakaa two poets whom the author considers most successful at portraying the moral absurdity of the Vietnam war without sacrificing lyrical aesthetics The first comprehensive study devoted exclusively to poetry by Vietnam veterans Radical Visions argues that this body of writing registers an important advance in the aesthetics and poetics of war literature and offers a cogent antiwar statement rooted in personal experience Ho Chi Minh Benjamin Goluboff, 2017-10 Through a series of narrative poems Goluboff explores the era and a life of North Vietnamese Leader Ho Chi Minh in his verse portrait of a man and his place in the world Other additional poems add depth to this exploration **The Oxford Handbook of Soviet Underground Culture** Mark Lipovetsky, Maria Engström, Tomáš Glanc, Ilja Kukuj, Klavdia Smola, 2024 In 1932 the Central Committee of the Communist Party issued the resolution On the Restructuring of Literary and Arts Organizations This resolution put an end to the coexistence of aesthetically different groups and associations of writers and artists that had been common during the 1920s and instead led to the establishment of the monopoly of Socialist Realism in 1934 Ironically this resolution unwittingly created a rich literary and artistic production of underground intellectuals known as the Soviet underground during an era of political and aesthetic censorship in the Soviet Union The Oxford Handbook of Soviet Underground Culture is the first comprehensive English language volume covering a history of Soviet artistic and literary underground In forty four chapters an international group of leading scholars introduce readers to a web of subcultures within the underground highlight the culture achievements of the Soviet underground from the 1930s through the 1980s emphasize the multimodality of this cultural phenomenon and situate the study of underground literary texts and artworks into their broader theoretical ideological and political contexts The volume presents readers with several approaches to mapping the underground that include chapters on nonconformist cultures in Ukraine Belarus Baltic countries Central Asia and provincial cities of Russian Federation Finally the volume also provides an analysis of groups shaped around religious and cultural identity as well as queer and feminist underground circles America & Other Poems Nobuo Ayukawa, 2008 America and Other Poems is the first English translation of a single volume by the seminal Japanese Modernist poet Ayukawa Nobuo One of Japan's most influential yet overlooked poets Nobuo was an important voice for peace and probity in the years that followed World War II and the collapse of Japan's rationale for war This landmark selection spans from 1947 through 1976 and includes work ranging from early writings about the poet's experience on the front line to poems focused on the influence of Western culture on Japanese society Nobuo's lyrical complex poetry offers a rare perspective on war from an ordinary Japanese soldier's point of view It also provides a window into the complex postwar relationship between Western literary culture and the Japanese struggle to make sense of postwar accountability This award winning translation also features texts by Shogo Oketani contextualizing Nobuo's life and work *Critical Survey of Poetry* Philip K. Jason, 2003 Presents alphabetized profiles of nearly seven hundred significant poets from around the world providing biographies primary and secondary bibliographies and analysis of their works The Republic of Vietnam,

1955-1975 Tuong Vu, Sean Fear, 2020-01-15 Through the voices of senior officials teachers soldiers journalists and artists The Republic of Vietnam 1955 1975 presents us with an interpretation of South Vietnam as a passionately imagined nation in the minds of ordinary Vietnamese rather than merely as an expeditious political construct of the United States government The moving and honest memoirs collected translated and edited here by Tuong Vu and Sean Fear describe the experiences of war politics and everyday life for people from many walks of life during the fraught years of Vietnam s Second Republic leading up to and encompassing what Americans generally call the Vietnam War The voices gift the reader a sense of the authors experiences in the Republic and their ideas about the nation during that time The light and careful editing hand of Vu and Fear reveals that far from a Cold War proxy struggle the conflict in Vietnam featured a true ideological divide between the communist North and the non communist South     **National Union Catalog** ,1978     Ho Chi Minh's Blueprint for Revolution Virginia Morris, Clive A. Hills, 2018-09-10 When Saigon fell to North Vietnamese forces on April 30 1975 the communist victory sent shockwaves around the world Using ingenious strategy and tactics H Chi Minh had shown it was possible for a tiny nation to defeat a mighty Western power The same tactics have been studied and replicated by revolutionary forces and terrorist organizations across the globe Drawing on recently declassified documents and rare interviews with H Chi Minh s strategists and operatives this book offers fresh perspective on his blueprint and the reasons behind both the French 1945 1954 and the American 1959 1975 failures in Vietnam concluding with an analysis of the threat this model poses today     **An American Brothel** Amanda Boczar, 2022-02-15 In An American Brothel Amanda Boczar considers sexual encounters between American servicemen and civilians throughout the Vietnam War and she places those fraught and sometimes violent meetings in the context of the US military and diplomatic campaigns In 1966 US Senator J William Fulbright declared that Saigon has become an American brothel Concerned that as US military involvement in Vietnam increased so too had prostitution black market economies and a drug trade fueled by American dollars Fulbright decried an arrogance of power on the part of Americans and the corrosive effects unchecked immorality could have on Vietnam as well as on the war effort The symbol at home and abroad of the sweeping social and cultural changes was often the so called South Vietnamese bar girl As the war progressed peaking in 1968 with more than half a million troops engaged the behavior of soldiers off the battlefield started to impact affect the conflict more broadly Beyond the brothel shocking revelations of rapes and the increase in marriage applications complicated how the South Vietnamese and American allies cooperated and managed social behavior Strictures on how soldiers conducted themselves during rest and relaxation time away from battle further eroded morale of disaffected servicemen The South Vietnamese were loath to loosen moral restrictions and feared deleterious influence of a permissive wWestern culture on their society From the consensual to the coerced sexual encounters shaped the Vietnam War Boczar shows that these encounters sometimes facilitated and sometimes banned by the US military command restructured the South Vietnamese economy captivated international

attention dictated military policies and hung over diplomatic relations during and after the war

**The Cambridge Companion to War Writing** Kate McLoughlin, 2009-07-16 War writing is an ancient genre that continues to be of vital importance Times of crisis push literature to its limits requiring writers to exploit their expressive resources to the maximum in response to extreme events This Companion focuses on British and American war writing from Beowulf and Shakespeare to bloggers on the War on Terror Thirteen period based chapters are complemented by five thematic chapters and two chapters charting influences This uniquely wide range facilitates both local and comparative study Each chapter is written by an expert in the field and includes suggestions for further reading A chronology illustrates how key texts relate to major conflicts The Companion also explores the latest theoretical thinking on war representation to give access to this developing area and to suggest new directions for research In addition to students of literature the volume will interest those working in war studies history and cultural studies

**Memories of a Lost War** Subarno Chattarji, 2001 In this unique and significant addition to Vietnam studies Memories of a Lost War analyzes the poems written by American veterans protest poets and Vietnamese within political aesthetic and cultural contexts Drawing on a wealth of material often published in small presses and journals the book highlights the horrors of war and the continuing traumas of veterans in post Vietnam America In its inclusion of Vietnamese perspectives the book marks a departure from earlier works that have largely concentrated on Vietnam as a war rather than a country

**In the Shadow of Vietnam** W.D. Ehrhart, 2016-03-02 Twenty three powerful moving angry and wise essays published over a period of 15 years on subjects ranging from South Africa to Central America the United States to the Soviet Union all bound together by the lingering physical psychological political and intellectual sensibilities the author first developed as a young enlisted Marine during the Vietnam war Four of the essays deal with Ehrhart s second return to Vietnam in 1990
