Sail A Crooked Ship:

Sail a Crooked Ship Nathaniel Benchley, 1961 *Box Office*, 1962 **Ernie Kovacs & Early TV Comedy** Andrew Horton, 2022-02-24 Exploring the pioneering career of the man whose quirky comic experiments influenced decades of television from *Laugh In* to *Late Night* A true pioneer of television Ernie Kovacs entertained audiences throughout the 1950s and early 1960s with his zany irreverent and surprising humor and also inspired a host of later comedies and comedians including Monty Python David Letterman much of *Saturday Night Live* Rowan and Martin's *Laugh In* *Captain Kangaroo* and even *Sesame Street* Kovacs created laughter through wildly creative comic jokes playful characterizations hilarious insights and wacky experiments Nothing in moderation his motto and epitaph sums up well Kovacs's wholehearted approach to comedy and life In this book Andrew Horton offers the first sustained look at Ernie Kovacs's wide ranging and lasting contributions to the development of TV comedy He discusses in detail Kovacs's work in New York which included *The Ernie Kovacs Show* CBS prime time 1952 1953 *The Ernie Kovacs Show* NBC daytime variety 1956 1957 *Tonight* NBC late night comedy variety 1956 1957 and a number of quiz shows Horton also looks at Kovacs's work in Los Angeles and in feature film comedy He vividly describes how Kovacs and his comic co-conspirators created offbeat characters and situations that subverted expectations and upended the status quo Most of all Horton demonstrates that Kovacs grasped the possibility for creating a fresh genre of comedy through the new medium of television and exploited it to the fullest **Natalie and R.J.:**

Nachman, 2009-08-26 The comedians of the 1950s and 1960s were a totally different breed of relevant revolutionary
performer from any that came before or after comics whose humor did much more than pry guffaws out of audiences Gerald
Nachman presents the stories of the groundbreaking comedy stars of those years each one a cultural harbinger Mort Sahl of
a new political cynicism Lenny Bruce of the sexual drug and language revolution Dick Gregory of racial unrest Bill Cosby and
Godfrey Cambridge of racial harmony Phyllis Diller of housewifely complaint Mike Nichols Elaine May and Woody Allen of
self analytical angst and a rearrangement of male female relations Stan Freberg and Bob Newhart of encroaching pervasive
pop media manipulation and in the case of Bob Elliott Ray Goulding of the banalities of broadcasting Mel Brooks of the
Yiddishization of American comedy Sid Caesar of a new awareness of the satirical possibilities of television Joan Rivers of the
obsessive craving for celebrity gossip and of a latent bitchy sensibility Tom Lehrer of the inane hypocritical mawkishly
sentimental nature of hallowed American folkways and in the case of the Smothers Brothers of overly revered folk songs and
folklore Steve Allen of the late night talk show as a force in American comedy David Frye and Vaughn Meader of the merger
of showbiz and politics and along with Will Jordan of stretching the boundaries of mimicry Shelley Berman of a generation of
obsessively self confessional humor Jonathan Winters and Jean Shepherd of the daring new free form improvisational comedy
and of a sardonically updated view of Midwestern archetypes Ernie Kovacs of surreal visual effects and the unbounded vistas
of video Taken together they made up the faculty of a new school of vigorous socially aware satire a vibrant group of voices
that reigned from approximately 1953 to 1965 Nachman shines a flashlight into the corners of these comedians chaotic and
often troubled lives illuminating their genius as well as their demons damaged souls and desperate drive His exhaustive
research and intimate interviews reveal characters that are intriguing and all too human full of rich stories confessions
regrets and traumas *Seriously Funny* is at once a dazzling cultural history and a joyous celebration of an extraordinary era in

Star Peter Biskind, 2010-01-12 In this compulsively readable and constantly surprising book Peter Biskind the author of
the film classics *Easy Riders Raging Bulls* and *Down and Dirty Pictures* writes the most intimate revealing and balanced
biography ever of Hollywood legend Warren Beatty Famously a playboy Beatty has also been one of the most ambitious and
successful stars in Hollywood Several Beatty films have passed the test of time from *Bonnie and Clyde* which confirmed for
him the importance of controlling the projects he was involved in to *Shampoo* *Heaven Can Wait* *Reds* for which he won the
best director Oscar *Bugsy* and *Bulworth* Few filmgoers realize that along with Orson Welles Beatty is the only person ever
nominated for four Academy Awards for a single film and unlike Welles Beatty did it twice with *Heaven Can Wait* and *Reds*
Biskind shows how Beatty used star power commercial success savvy and charm to bend Hollywood moguls to his will

establishing an unprecedented level of independence while still working within the studio system Beatty's private life has been the subject of gossip for decades and Star confirms his status as Hollywood's leading man in the bedroom describing his affairs with Joan Collins Natalie Wood Leslie Caron Julie Christie Michelle Phillips Diane Keaton and Madonna among many others Throughout his career Beatty has demonstrated a fascination for politics He was influential in the 1984 and 1988 presidential campaigns of Gary Hart It was said of Hart and Beatty that each wanted to be the other and Biskind shows that there was considerable truth in that wry observation As recently as a few years ago Beatty was speaking out about California politics and contemplating a run for governor Biskind explains how Beatty exercised unique control often hiring screenwriters out of his own pocket and frequently collaborating with them producing directing and acting in his own films becoming an auteur before anyone in Hollywood knew what the word meant He was arguably one of the most successful and creative figures in Hollywood during the second half of the twentieth century and in this fascinating biography Warren Beatty comes to life complete with excesses and achievements as never before

The Ear of the Heart Dolores Hart, Richard DeNeut, 2013-04-16 Listen and attend with the ear of your heart Saint Benedict Dolores Hart stunned Hollywood in 1963 when after ten highly successful feature films she chose to enter a contemplative monastery Now fifty years later Mother Dolores gives this fascinating account of her life with co author and life long friend Richard DeNeut Dolores was a bright and beautiful college student when she made her film debut with Elvis Presley in Paramount's 1957 *Loving You* She acted in nine more movies with other big stars such as Montgomery Clift Anthony Quinn and Myrna Loy She also gave a Tony nominated performance in the Broadway play *The Pleasure of His Company* and appeared in television shows including *The Virginian* and *Playhouse 90* An important chapter in her life occurred while playing Saint Clare in the movie *Francis of Assisi* which was filmed on location in Italy Born Dolores Hicks to a complicated and colorful Chicago family Mother Dolores has travelled a charmed yet challenging road in her journey toward God serenity and yes love She entered the Abbey of Regina Laudis in Bethlehem Connecticut at the peak of her career not in order to leave the glamorous world of acting she had dreamed of since childhood but in order to answer a mysterious call she heard with the ear of the heart While contracted for another film and engaged to be married she abandoned everything to become a bride of Christ

In Theaters Everywhere Brian Hannan, 2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing

dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found **In Morticia's Shadow** James Pylant,2012 Before captivating America as Morticia in The Addams Family actress Carolyn Jones appeared in 30 movies including starring roles with Elvis Presley and Frank Sinatra and had a decade long marriage to producer Aaron Spelling But the road to Hollywood from her native Amarillo Texas was studded with rejection typecasting and unwanted comparisons to an actress who hated her Bette Davis Author James Pylant unveils the real Carolyn Jones with access to her personal correspondence and journal as well as interviews with her family friends and fellow actors What emerges is an intimate portrait of the iconic actress a consummate professional who created a mystique not only for Morticia but for herself Website **Encyclopedia of Television** Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website All Hands ,1962

marked by movies that for their moments summed up America's dreams. Now the acclaimed novelist, biographer, critic, and screenwriter Gavin Lambert, whose twenty-year friendship with Natalie Wood began when she wanted to star in the movie adaptation of his novel *Inside Daisy Clover*, tells her extraordinary story. He writes about her parents uncovering secrets that Natalie either didn't know or kept hidden from those closest to her. Here is the young Natalie from her years as a child actress at the mercy of a driven, controlling stage mother. "Make Mr. Pichel love you," she whispered to the five-year-old Natalie before depositing her unexpectedly on the director's lap. To her awkward adolescence, when suddenly too old for kiddie roles, she was shunted aside just another freshman at Van Nuys High. Lambert shows us the glamorous movie star in her twenties: *All the Fine Young Cannibals*, *Gypsy*, and *Love with the Proper Stranger*. He writes about her marriages, her divorces, her love affairs, her suicide attempt at twenty-six, the birth of her children, her friendships, her struggles as an actress, and her tragic death by drowning. She was always terrified of water. At forty-three, for the first time, everyone who knew Natalie Wood speaks freely, including her husbands Robert Wagner and Richard Gregson, famously private people like Warren Beatty, intimate friends such as playwright Mart Crowley, directors Robert Mulligan and Paul Mazursky, and Leslie Caron, each of whom told the author stories about this remarkable woman who was both life-loving and filled with despair. What we couldn't know have never been told before. Lambert perceptively uncovers. His book provides the richest portrait we have had of Natalie Wood.
