Sail Wee Ventures:

Hogg's Instructor ,1853 **Sea Venture** Kieran Doherty,2013-09-10 In one of the most triumphant high sea stories ever told Kieran Doherty brings to life the true story of the ship that rescued the Jamestown settlement in 1610 and ensured England's place in the New World When the Sea Venture left England in 1609 it was flagship in a fleet of nine bound for Jamestown with roughly 600 settlers and badly needed supplies aboard But after four weeks at sea as the voyage neared its end a hurricane devastated the fleet leaving the Sea Venture shipwrecked on the island of Bermuda It took Sea Venture's passengers nearly a year and half to reach their destination Awaiting them was not a thriving colony but instead the remaining fifty colonists beleaguered desperate and hungry But the question remains would the English have lost their place in the New World if the ship never arrived A story of strife and triumph but above all endurance Sea Venture begins and ends in hope and remains one of the greatest What Ifs in history With a bravado reminiscent of Patrick O'Brien's legendary sea sagas Doherty braves the elements delivering a powerful history willed by a people destined to change the New World forever **Forthcoming Books** Rose Arny,1995-02 **Sailing Solo Alone** J. J. James,2011-03-01 Sailing Solo Alone is a true story about a man who is a little bored with his life and seeking some kind of excitement buys a yacht Three weeks later he's been up and down the river on a couple of trips raised the sail a few times and read a manual or two then our hero for want of a better word decides to take his 18ft overgrown dingy for a 40 mile trip around the coast The Sea has one attempt at killing him The boat manages to stay upright more by luck than anything else He even finds a safe haven for the night Does he stay there No He actually sets out to sea at three o'clock in the morning If you felt the need to be charitable you may have said it was quite a nice night for a bit of a sail And it was at first but this was the North Sea The North Sea in October Leaving the pier heads and the safety of the harbour Looking to seaward it was as dark as doomsday out there And It was only going to get darker It wouldn't be long before he realised buying a yacht called Solo may not have been one of his better ideas All a little late by then *Harpoon at a Venture* Gavin Maxwell,2013-08-20 In this memoir the Scottish naturalist and author of *Ring of Bright Water* recounts his post World War II life as a shark fisherman in the Hebrides A shark fishery based on the tiny Hebridean island of Soay was the beginning of Gavin Maxwell's enduring love affair with the west coast of Scotland This his first book tells the whole story the challenge and drama of the shark hunt the development of catching techniques and equipment the men who worked with him and some of the frustrations of starting a new enterprise in post war Scotland Every chapter is packed with action and anecdote In each there are also beautifully observed descriptions of sky sea and the individual islands of the Hebrides as well as their wildlife from gannets puffins Manx shearwaters and fulmars to seals dolphins and whales **Cruising World** ,1982-07 **Venture** ,1967-02 The English-American, His Travail by Sea and Land: or, A New Survey of the West-India's Thomas Gage,2022-09-16 In *The English American His Travail by Sea and Land or A New Survey of the West India's* Thomas Gage presents a fascinating and vivid narrative of his journeys
