Joshua Slocum,1900 Sailing Alone Around the World Captain Joshua Slocum,2015-07-30 *Sailing Alone Around the World* by Captain Joshua Slocum Illustrated by Thomas Fogarty and George Varian Joshua Slocum February 20 1844 on or shortly after November 14 1909 was the first man to sail single handedly around the world He was a Nova Scotian born naturalised American seaman and adventurer and a noted writer In 1900 he wrote a book about his journey *Sailing Alone Around the World* which became an international best seller He disappeared in November 1909 while aboard his boat the *Spray* In the fair land of Nova Scotia a maritime province there is a ridge called North Mountain overlooking the Bay of Fundy on one side and the fertile Annapolis valley on the other On the northern slope of the range grows the hardy spruce tree well adapted for ship timbers of which many vessels of all classes have been built The people of this coast hardy robust and strong are disposed to compete in the world s commerce and it is nothing against the master mariner if the birthplace mentioned on his certificate be Nova Scotia I was born in a cold spot on coldest North Mountain on a cold February 20 though I am a citizen of the United States a naturalized Yankee if it may be said that Nova Scotians are not Yankees in the truest sense of the word On both sides my family were sailors and if any Slocum should be found not seafaring he will show at least an inclination to whittle models of boats and contemplate voyages My father was the sort of man who if wrecked on a desolate island would find his way home if he had a jack knife and could find a tree He was a good judge of a boat but the old clay farm which some calamity made his was an anchor to him He was not afraid of a capful of wind and he never took a back seat at a camp meeting or a good old fashioned revival As for myself the wonderful sea charmed me from the first At the age of eight I had already been afloat along with other boys on the bay with chances greatly in favor of being drowned When a lad I filled the important post of cook on a fishing schooner but I was not long in the galley for the crew mutinied at the appearance of my first duff and chucked me out before I had a chance to shine as a culinary artist The next step toward the goal of happiness found me before the mast in a full rigged ship bound on a foreign voyage Thus I came over the bows and not in through the cabin windows to the command of a ship **Sailing Alone Around The World** Joshua Slocum,2013-02-26 On April 24 1895 Captain Joshua Slocum set out on a three year journey to circumnavigate the world alone by boat Crossing the Pacific and Atlantic oceans in his sloop the *Spray* Slocum visited South Africa South America and Australia before returning home as the first man to successfully sail around the world solo Slocum s memoir tells of pirate attacks gale force winds strange hallucinations and the ever present threat of shipwreck Restless and land weary Slocum set sail again in 1909 and was never heard from He was declared legally dead in 1924 HarperPerennial Classics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperPerennial Classics collection to build your digital library *Sailing Alone Around the World* by Joshua Slocum Joshua Slocum,2017-10-22 *Sailing Alone Around the World* by Joshua Slocum Sailing Alone Around the World Joshua Slocum,2018-01-12 *Sailing Alone Around the World* 1900 is a sailing memoir by Joshua Slocum about his single handed
