Recollections James R. Harding, 2012-06-14 This book is part autobiography and part genealogy. It is the story of Jim Harding's first seventy years from childhood through early retirement. It includes an ancestral search of both he and his wife. His intent is to leave the work unfinished so that his children and their children can add to the story. The story follows a fascinating military career that spans twenty-seven family moves across four continents followed by nine plus years of insight into an International Organization. This is Jim's second published work. His first, *First Posting*, is dedicated to his wife Vicki and places her in a fictional 1890s role as a soldier's wife.

Folkboat Story Dieter Loibner, 2008-10-17 This modern classic of small boat literature details the history of the Nordic Folkboat, a class that enjoys remarkable popularity in some of the world's most beautiful and challenging sailing waters. A clinker design that sails equally fast and well whether it is made from wood or fiberglass, the Nordic Folkboat has been around for 60 years. It has stood the test of time as its minimalism, robustness, and sea-kindliness have proved resistant to radical design modifications. Loibner guides us through all the layers of the Folkboat community from those who sail competitively in the many Folkboat regattas worldwide to the devoted following of recreational sailors who appreciate the sturdiness of the design when out cruising with family and friends to what he refers to as the Lunatic Fringe. Any reader who has spent a thrilling afternoon on the dancing prow of a small boat will appreciate the insights and journey of *The Folkboat Story*.
