**Chronicles of Agamemnon** Alex Korneyev, 2024-02-28 This book is dedicated to the prehistory of the Trojan War This historical fiction is based on ancient myths and describes the events that took place in the fifty year period preceding the campaign of Achaeans on Ilion The book consists of five parts The first part is devoted to the capture of Ilion by Hercules and the enthronement of King Priam The second describes the adventures of Agamemnon in exile from the moment of the death of his father King Atreus The third reflects the accession of Agamemnon in Mycenae and his actions to strengthen the royal power up to his marriage to the daughter of the king of Sparta The fourth part describes the period from the wedding of Helen and Menelaus to the abduction of Helen by Paris The fifth part is devoted to the preparation of an assault on Troy up to the gathering of the Achaeans in Aulis The book reflects such mythological themes as the Calydonian hunt the Theban campaigns of the Argives the Oedipus cycle and Eriphyla's necklace and the last years of Theseus and others All events names of heroes and geographic names are taken from ancient sources The interpretation of the motives of the characters actions is the fruit of the author's inspiration *Poetics of the Elements in the Human Condition: The Sea* Anna-Teresa Tymieniecka, 2012-12-06 Aldous Huxley's Short Fiction Andrija Matić, 2024-04-13 Aldous Huxley's Short Fiction analyzes Huxley's short stories within a modernist context highlighting that he shared more characteristics with distinguished modernists than is usually believed The book also explores other features of Huxley's short stories focusing on themes such as consumerism mainstream education shallow intellectualism women's emancipation toxic masculinity and sensational journalism themes that correspond with both Huxley's time and our world and position him among the most prophetic authors of the twentieth century This study demonstrates that Huxley's short fiction can provide answers to questions that remain confusing or partially explained in the research on Huxley's work It illustrates the constants and

changes in Huxley's opinions on organized religion, mysticism, and the relation between sexuality and spirituality while also clarifying Huxley's political opinion, which is often misunderstood due to his advocacy of pacifism. Finally, the in-depth interpretations of Huxley's short stories reveal the dynamics of his literary style, especially his complex humor and irony, areas he developed more than any other modernist author of short fiction.

The Adventures of Anatole Nancy Willard, 2018-11-20 Newbery Medal winning author Nancy Willard's trilogy of adventure tales, now in one volume. Children won't be able to put down these stories of the journeys of a boy and his orange cat Plumpet. Anatole has a knack for seeking and finding adventure, often with Plumpet, his orange cat who is accustomed to ghost trains, amnesiac soldiers, flying horses, and wallpaper portals, just a few of the enchantments encountered along the way. From his perilous search for wild fennel to cure his grandmother's asthma to his high stakes game of checkers to save his uncle from a wizard's evil spell, Anatole's missions will keep young readers turning the pages of this omnibus edition of the Newbery Medal winning author Nancy Willard's trilogy of fantasy tales: *Sailing to Cythera*, *The Island of the Grass King*, and *Uncle Terrible*. David McPhail's pen and ink illustrations throughout are beautifully detailed engagements with Willard's world of make-believe. Anatole may be small, but he is determined to right the wrongs he finds in each of the lands he enters. Whether kindness or evil will prevail is a matter of suspense, but Anatole is always on the side of the light.

Deer Isle and Stonington, 2004 The island communities of Deer Isle and Stonington lie in Penobscot Bay, a region known and loved by sailors the world over. Deer Isle and Stonington portrays life on the island from the age of ferries and steamships to the building of the Deer Isle Sedgwick Bridge through World War II. These vintage photographs allow the reader to watch as the island's main streets grow and change. Represented are landmarks such as the Mark and Pumpkin Island lighthouses, the Stonington Opera House, and the oldest buildings on the island. The vital industries of seafaring, sail making, commercial fishing, granite quarrying, and yachting are pictured here alongside images of everyday life, celebrations, and ceremonies, shopping and picnics, education, and worship, work and play.

Helen of Troy Margaret George, 2006-08-03 Acclaimed author Margaret George tells the story of the legendary Greek woman whose face launched a thousand ships in this New York Times bestseller. The Trojan War fought nearly twelve hundred years before the birth of Christ and recounted in Homer's *Iliad* continues to haunt us because of its origins: one woman's beauty, a visiting prince's passion, and a love that ended in tragedy. Laden with doom yet surprising in its moments of innocence and beauty, *Helen of Troy* is an exquisite page-turner with a cast of irresistible legendary characters: Odysseus, Hector, Achilles, Menelaus, Priam, Clytemnestra, Agamemnon, as well as Helen and Paris themselves. With a wealth of material that reproduces the Age of Bronze in all its glory, it brings to life a war that we have all learned about but never before experienced.
