Sailor In The White House The Seafaring Life Of Fdr

David Kirk

Sailor In The White House The Seafaring Life Of Fdr:

Sailor in the White House Robert Cross, 2014-01-15 This behind the scenes look at Franklin D Roosevelt s extraordinary skill as a blue water sailor explores how FDR s love of the sea shaped his approach to public service and even influenced the course of events in World War II Family and friends Secret Service agents and others reveal never before told stories of their days afloat with America s greatest seafaring president including how he escaped injury when fire broke out aboard his small schooner how ships were modified to accommodate his disability and details of his wartime ocean rendezvous with Winston Churchill Sailing pals discuss his abilities as a skipper along with his enjoyment of an evening cocktail at sea during the days of Prohibition Letters and other documents illustrate how the sea was never far from Roosevelt s thoughts Robert Cross examines Roosevelt s great affection for the sea in the context of an era dominated by the Great Depression and two world wars While some criticized Roosevelt for taking too many seagoing trips he lagged hundreds of thousands of miles at sea and was sometimes out of touch with the White House and the Secret Service for hours FDR was quick to explain that his lengthy voyages allowed him to personally assess the world situation instead of relying solely upon White House briefing books The author argues that the skills required to be a good sailor have much in common with those needed to be a successful politician the ability to alter courses make compromises and shift positions as the situation warrants Cross describes FDR as a master at dealing with the unexpected allowing him to excel in the Navy Department the governor s mansion and the White House as well as the open sea From luxury ocean liners and presidential yachts to submarines and kayaks this book lists all of the vessels on which FDR sailed and includes some never before published photographs

Presidential Diversions Paul F. Boller, 2007 Paul F Boller Jr s widely admired and bestselling anecdotal histories have uncovered new aspects and hidden dimensions in the lives of our presidents Now he turns to an uncharted but unexpectedly revealing element of our leaders personalities as he brings us stories of what the presidents did for fun In thumbnail portraits of every president through George W Bush Boller chronicles their taste in games sports and cultural activities George Washington had a passion for dancing and John Quincy Adams skinny dipped in the Potomac Grover Cleveland loved beer gardens and Woodrow Wilson made a failed effort to write fiction Calvin Coolidge cherished his afternoon naps as did Lyndon Johnson his four pack a day cigarette habit Jimmy Carter was a surprisingly skilled high diver and Bush Senior loved to parachute The sketches revitalize even the most familiar of our leaders showing us a new side of our presidents and their presidencies

Franklin D. Roosevelt Roger Daniels, 2015-10-15 Franklin D Roosevelt consensus choice as one of three great presidents led the American people through the two major crises of modern times The first volume of an epic two part biography Franklin D Roosevelt Road to the New Deal 1882 1939 presents FDR from a privileged Hyde Park childhood through his leadership in the Great Depression to the ominous buildup to global war Roger Daniels revisits the sources and closely examines Roosevelt s own words and deeds to create a twenty first century analysis of how

Roosevelt forged the modern presidency Daniels s close analysis yields new insights into the expansion of Roosevelt s economic views FDR s steady mastery of the complexities of federal administrative practices and possibilities the ways the press and presidential handlers treated questions surrounding his health and his genius for channeling the lessons learned from an unprecedented collection of scholars and experts into bold political action Revelatory and nuanced Franklin D Roosevelt Road to the New Deal 1882 1939 reappraises the rise of a political titan and his impact on the country he remade

FDR Jean Edward Smith,2008-05-13 NATIONAL BESTSELLER A model presidential biography Now at last we have a biography that is right for the man Jonathan Yardley The Washington Post Book World One of today s premier biographers has written a modern comprehensive indeed ultimate book on the epic life of Franklin Delano Roosevelt In this superlative volume Jean Edward Smith combines contemporary scholarship and a broad range of primary source material to provide an engrossing narrative of one of America s greatest presidents This is a portrait painted in broad strokes and fine details We see how Roosevelt s restless energy fierce intellect personal magnetism and ability to project effortless grace permitted him to master countless challenges throughout his life Smith recounts FDR s battles with polio and physical disability and how these experiences helped forge the resolve that FDR used to surmount the economic turmoil of the Great Depression and the wartime threat of totalitarianism Here also is FDR s private life depicted with unprecedented candor and nuance with close attention paid to the four women who molded his personality and helped to inform his worldview His mother Sara Delano Roosevelt formidable yet ever supportive and tender his wife Eleanor whose counsel and affection were instrumental to FDR s public and individual achievements Lucy Mercer the great romantic love of FDR s life and Missy LeHand FDR s longtime secretary companion and confidante whose adoration of her boss was practically limitless Smith also tackles head on and in depth the numerous failures and miscues of Roosevelt s public career including his disastrous attempt to reconstruct the Judiciary the shameful internment of Japanese Americans and Roosevelt s occasionally self defeating Executive overreach Additionally Smith offers a sensitive and balanced assessment of Roosevelt s response to the Holocaust noting its breakthroughs and shortcomings Summing up Roosevelt s legacy Jean Smith declares that FDR more than any other individual changed the relationship between the American people and their government It was Roosevelt who revolutionized the art of campaigning and used the burgeoning mass media to garner public support and allay fears But more important Smith gives us the clearest picture yet of how this quintessential Knickerbocker aristocrat a man who never had to depend on a paycheck became the common man s president The result is a powerful account that adds fresh perspectives and draws profound conclusions about a man whose story is widely known but far less well understood Written for the general reader and scholars alike FDR is a stunning biography in every way worthy of its subject **Presidential Seclusion** Charles Ferguson,2025-11-04 Behind the gates of Camp David where presidents find solitude forge diplomacy and shape history in absolute secrecy The Presidential Retreat Camp David is shrouded in mystery and rightfully so The hidden retreat atop the

Catoctin Mountains is the one place the President First Family and invited guests can gather in absolute secrecy for relaxation rejuvenation and world changing decisions Because of this dedication to privacy and a desire to maintain the mystery and exclusivity of the last bastion of solitude for the President few comprehensive accounts exist detailing the storied history of Camp David and the role the Spirit of Camp David plays in world affairs Presidential Seclusion provides an exclusive account of the mysterious and storied retreat Extensively researched from Presidential Archives as well as from the pages of Presidential memoirs this non partisan informative account weaves exclusive stories into a tapestry revealing the importance of Camp David on diplomacy and world history Written by the former Camp David Historian this personalized tour of the exclusive retreat makes tree shrouded trails majestic vistas and rooms where history happened over the last 80 years accessible to everyone As you read the Spirit of Camp David is revealed to infuse everyone who works and visits the President s private mountain retreat mainly how Camp David personally affected its primary guests the fifteen First Families fortunate to call the private retreat a second home The Games Presidents Play John Sayle Watterson,2006-10-27 Looking at the athletic strengths feats and shortcomings of our presidents John Sayle Watterson explores not only their health physical attributes personalities and sports IQs but also the increasing trend of Americans in the past century to equate sporting achievements with courage manliness and political competence Dust jacket p 2 **FDR** Iwan Morgan,2022-07-14 One of the greatest American presidents Franklin Delano Roosevelt built a coalition of labour ethnic urban low income and African American voters that underwrote the Democratic Party s national ascendancy from the 1930s to the 1980s Over his four terms he promoted the New Deal the greatest reform programme in US history to meet the challenges of the Great Depression led the United States to the brink of victory in the Second World War and established the modern presidency as the driving force of American politics and government Iwan Morgan takes a fresh look at FDR showing how his leadership enabled the United States of America to become the most successful country of the twentieth century This astute and original assessment of a highly consequential presidency explains how Roosevelt enhanced the governing capacity of his office promoted a constitutional revolution through his dealings with the Supreme Court and forged a new intimacy between the president and the American people through his genius for political communication It also demonstrates the significance of his organizational and strategic leadership as commander in chief in America s greatest foreign war his role in holding together the US British Soviet Grand Alliance against the Axis powers and his pioneering development of the national security presidency that sought to promote a lasting post war peace for the world In fluid immensely readable prose Morgan focuses on the ways in which FDR transformed the presidency into an institution of domestic and international leadership to establish the modern ideal of the office as an assertive democratic executive charged with meeting the challenges facing the US at home and abroad FDR on His Houseboat Karen Chase,2016-09-07 Presents and expands upon Roosevelt s daily nautical log as he was trying to regain the use of his polio damaged legs In the midst of the Jazz Age while Americans were making

merry Franklin Delano Roosevelt was stricken by polio and withdrew from public life From 1924 to 1926 believing that warm water and warm air would help him walk again he spent the winter months on his new houseboat the *Larooco* sailing the Florida Keys fishing swimming playing Parcheesi entertaining guests and tending to engine mishaps During his time on the boat he kept a nautical log describing each day's events including rare visits by his wife Eleanor who was busy carving out her own place in the world Missy LeHand his personal assistant served as hostess aboard the *Larooco* While FDR was sailing the Keys the larger world was glittering Chaplin Gershwin Hemingway Fitzgerald Bessie Smith Louis Armstrong Gertrude Stein Frida Kahlo Martha Graham all were flourishing in the Roaring Twenties but so were Stalin Al Capone and Hitler The world went on as Roosevelt fished for mangrove snapper and drank martinis Karen Chase presents FDR's log entries interspersed with photographs from the tumultuous outer world to form a kind of timeline between two arenas one man's small private life full of struggle and fun juxtaposed with the large public sphere Chase gives us a side of FDR seldom seen before revealing his wit his penchant for practical jokes and his zest for each day's ordinary concerns in the context of his painful struggle to regain the use of his legs The book also includes a facsimile of the original *Larooco* log For many decades FDR's log was virtually unknown to the public appearing only once in 1949 in his son Elliott's four volume collection of Roosevelt's personal letters What a good idea The little known record of one of the least understood periods in the life of Franklin Roosevelt filled with all the grit and gallantry and good humor with which he faced the disease that would have defeated a less resilient man Geoffrey C Ward coauthor with Ken Burns of *The Roosevelts An Intimate History* and author of *A First Class Temperament The Emergence of Franklin Roosevelt 1905-1928* The *Larooco* Log is a wonderfully powerful chronicle of perhaps the most difficult period in FDR's personal life the aftermath of the onset of his bout with polio and his enduring struggle to find remedy In his own words the log demonstrates his wit and charm his embrace of life and friends his frustrations with his slow progress toward restoration of his legs and the pain he endures on an almost daily basis With personal understanding and feeling Karen Chase has performed a masterful edit of this revealing journal A fantastic read David B Roosevelt FDR's grandson Karen Chase has put together an absolutely fascinating edition of the log describing Franklin Roosevelt's winter cruises along the Florida coast in 1924-26 Wonderfully illustrated and edited this is a book that will appeal to historians FDR aficionados Floridians fishermen and boaters of all kinds Highly recommended Nathaniel Philbrick author of *In the Heart of the Sea The Tragedy of the Whaleship Essex* and *Valiant Ambition* **1932** David Pietrusza, 2015-10-20 Two Depression battered nations confronted destiny in 1932 going to the polls in their own way to anoint new leaders to rescue their people from starvation and hopelessness America would elect a Congress and a president ebullient aristocrat Franklin Roosevelt or tarnished Wonder Boy Herbert Hoover Decadent divided Weimar Germany faced two rounds of bloody Reichstag elections and two presidential contests doddering reactionary Paul von Hindenburg against rising radical hate monger Adolf Hitler The outcome seemed foreordained unstoppable forces advancing upon crumbled

disoriented societies A merciless Great Depression brought greater perhaps hopeful perhaps deadly transformation FDR s New Deal and Hitler s Third Reich But neither outcome was inevitable Readers enter the fray through David Pietrusza s page turning account Roosevelt s fellow Democrats may yet halt him at a deadlocked convention 1928 s Democratic nominee Al Smith harbors a grudge against his one time protege Press baron William Randolph Hearst lays his own plans to block Roosevelt s ascent to the White House FDR s politically inspired juggling of a New York City scandal threatens his juggernaut In Germany the Nazis surge at the polls but twice fall short of Reichstag majorities Hitler tasting power after a lifetime of failure and obscurity falls to Hindenburg for the presidency also twice within the year Cabals and counter cabals plot Secrets of love and suicide haunt Hitler Yet guile and ambition may yet still prevail 1932 s breathtaking narrative covers two epic stories that possess haunting parallels to today s crisis filled vortex It is an all too human tale of scapegoats and panaceas class warfare and racial politics of a seemingly bottomless depression of massive unemployment and hardship of unprecedented public works infrastructure programs of business stimulus programs and damaging allegations of political cronyism of waves of bank failures and of mortgages foreclosed of Washington bonus marches and Berlin street fights of once solid financial empires collapsing seemingly overnight of rapidly shifting social mores and of mountains of irresponsible international debt threatening to crash not just mere nations but the entire global economy It is the tale of spell binding leaders versus bland businessmen and out of touch upper class elites and of two nations inching to safety but lurching toward disaster It is 1932 s nightmare with lessons for today

Shepherds of the Sea Robert F Cross, 2010-05-15 This compelling tale of courage heroism and terror is told in the words of ninety one sailors and officers interviewed by the author about their World War II service aboard fifty six destroyer escorts They reveal many never before told details of life at sea during wartime and along with information found in secretly kept war diaries and previously unpublished personal photographs add important dimensions to the official record Unseasoned teenage recruits when they first went to sea these sailors were led by inexperienced college boys more accustomed to yachts than warships Their ships were untested vessels designed by a man with no formal training in ship design and which many viewed as a waste of money Yet as Cross points out these men are credited with helping turn the tide of the war in the Atlantic as they singlehandedly sank some seventy U boats and captured U 505 the only German submarine taken during the war and the first enemy vessel captured by Americans at sea since the War of 1812 In the Pacific the destroyer escorts fought in every major battle side by side with Allied battleships and destroyers But this story is not just about battles It is also about American genius hard work honor and growing up in the Great Depression The author provides eyewitness details about the historic first step taken to end racial discrimination in the military as African Americans stepped aboard the destroyer escort USS Mason as full fledged sailors for the first time and earned a Navy commendation of heroism in the Battle of the Atlantic presented to the surviving crewmen fifty one years later Readers also learn about an ingenious invention when a sailor breaks his silence about a secret weapon tested aboard his

destroyer escort that rendered a new German radio controlled glide bomb useless World War II at Sea Craig L. Symonds, 2018 Craig L. Symonds World War II at Sea offers a definitive naval history of the Second World War presenting the chronology of the naval war from The London Conference of 1930 to the surrender in Tokyo Bay in 1945 on a global scale for the first time

Pediatric Rehabilitation Kevin P. Murphy, Mary A. McMahon, Amy J. Houtrow, 2020-11-02 Note to Readers Publisher does not guarantee quality or access to any included digital components if book is purchased through a third party seller This revised and greatly expanded sixth edition of Pediatric Rehabilitation continues to set the standard of care for clinicians and remains the premier reference dedicated to education and training in the field of pediatric rehabilitation medicine Under the direction of a new editorial team this text brings together renowned specialists from all sectors of the pediatric rehabilitation community to provide the most current and comprehensive information with evidence based discussions throughout The sixth edition encompasses substantial updates from beginning to end and addresses emerging topics in the field with eight entirely new chapters devoted to brachial plexus palsy oncology robotics genetics spasticity management rheumatology burns and advocacy Major revisions to chapters on spinal cord injuries acquired brain injury cerebral palsy neuromuscular diagnoses and medical care of children reflect recent advances and expand coverage to include pediatric stroke anoxic brain injury bone health pain management and more Chapter pearls detailed summary tables and over 250 figures emphasize major takeaways from the text for readers With contributors chosen both for their academic and clinical expertise chapters offer a real hands on perspective and reference the most up to date literature available Pediatric Rehabilitation covers all aspects of pediatric rehabilitation medicine from basic examination and testing to in depth clinical management of the full range of childhood disabilities and injuries As the foundational reference dedicated to the field of pediatric rehabilitation medicine over 6 editions the book provides a thorough and contemporary review of clinical practice principles and serves as the primary resource for trainees and clinicians in this area Key Features Thoroughly revised and expanded new edition of the seminal reference for the field of pediatric rehabilitation medicine Contains eight entirely new chapters to address areas of growing importance Increased coverage of core topics including brain injury and concussion in children integrated spasticity management lifespan care for adults with childhood onset disability pediatric stroke and much more 13 high quality gait videos review ambulation in children and adults with cerebral palsy New editorial team and many new contributors provide new perspectives and a modern evidence based approach Clinical pearls and highly illustrative tables and lists underscore most essential information

The Eleventh Hour L. Douglas Keeney, 2015-03-31 In late November 1943 President Franklin Delano Roosevelt and his Joint Chiefs of Staff secretly boarded the battleship USS Iowa to attend a conference in Tehran with British Prime Minister Winston Churchill and Soviet Union leader Joseph Stalin where the Allies would come to an agreement on a war plan to defeat Germany Although Roosevelt's preparation at sea established the groundwork for the American position on D Day it was in the heated and electrifying debates that followed in Tehran and

only through those intense debates that a deal was ultimately struck In *The Eleventh Hour* critically acclaimed author L Douglas Keeney explores FDR s covert conferences on the battleship and provides stunning insight into the formerly secret behind the scenes transcripts from the meetings in Tehran Brilliantly chronicling the three days of aggressive debates between the heads of state Keeney demonstrates that Tehran although remembered as a diplomatic conference with a well known outcome was in reality chaotic conflicted and subject to numerous heated closed door sessions with a petulant irritable Churchill a strikingly reserved detached Roosevelt and an assertive but unexpectedly diplomatic and even charming Stalin winning over his guest President Roosevelt whose quarters were bugged by the Soviets Seamlessly stitching together the private papers diaries meeting notes and letters home of those on board *The Eleventh Hour* narrates declassified transcripts exposes surprising secrets and illuminates how the debates of three men would ultimately end WWII *Neptune* Craig L. Symonds, 2014-04-10 Seventy years ago more than six thousand Allied ships carried more than a million soldiers across the English Channel to a fifty mile wide strip of the Normandy coast in German occupied France It was the greatest sea borne assault in human history The code names given to the beaches where the ships landed the soldiers have become immortal Gold Juno Sword Utah and especially Omaha the scene of almost unimaginable human tragedy The sea of crosses in the cemetery sitting today atop a bluff overlooking the beaches recalls to us its cost Most accounts of this epic story begin with the landings on the morning of June 6 1944 In fact however D Day was the culmination of months and years of planning and intense debate In the dark days after the evacuation of Dunkirk in the summer of 1940 British officials and soon enough their American counterparts began to consider how and where and especially when they could re enter the European Continent in force The Americans led by U S Army Chief of Staff General George C Marshall wanted to invade as soon as possible the British personified by their redoubtable prime minister Winston Churchill were convinced that a premature landing would be disastrous The often sharp negotiations between the English speaking allies led them first to North Africa then into Sicily then Italy Only in the spring of 1943 did the Combined Chiefs of Staff commit themselves to an invasion of northern France The code name for this invasion was Overlord but everything that came before including the landings themselves and the supply system that made it possible for the invaders to stay there was code named *Neptune* Craig L Symonds now offers the complete story of this Olympian effort involving transports escorts gunfire support ships and landing craft of every possible size and function The obstacles to success were many In addition to divergent strategic views and cultural frictions the Anglo Americans had to overcome German U boats Russian impatience fierce competition for insufficient shipping training disasters and a thousand other impediments including logistical bottlenecks and disinformation schemes Symonds includes vivid portraits of the key decision makers from Franklin Roosevelt and Churchill to Marshall Dwight Eisenhower and Admiral Sir Bertram Ramsay who commanded the naval element of the invasion Indeed the critical role of the naval forces British and American Coast Guard and Navy is central throughout In the end as Symonds shows in

this gripping account of D Day success depended mostly on the men themselves the junior officers and enlisted men who drove the landing craft cleared the mines seized the beaches and assailed the bluffs behind them securing the foothold for the eventual campaign to Berlin and the end of the most terrible war in human history *The Impact of the First World War on U.S. Policymakers* Michael G. Carew,2014-07-18 The Impact of the First World War on U S Policymakers American Strategic and Foreign Policy Formulation 1938 1942 is designed to recount the formulation of foreign and defense policies through an examination of the background of the policymakers with specific emphasis on the World War I experience The introduction provides an analysis of the literature of the history of this American World War II policy formulation The events and factors that led to the reorientation of priorities in 1938 1939 are examined From that base Michael Carew reviews the unfolding events of the European and Japanese degeneration into war through the spring of 1940 and their perception for the American policy makers He also recounts the tectonic shifts of the subsequent eighteen months and the scramble for an American response The immediate consequences of Pearl Harbor brought the policymaking to a crisis and the Casablanca conference of January 1943 signified the completion of the formulation of American foreign policy and naval military strategy Carew emphasizes the leadership of President Roosevelt and his cadre of planners in the policy formulation realm the assertion of leadership of the alliance and Roosevelt s specific tasks in managing the American war effort These presidential tasks included the industrial mobilization of the American economy the domestic political leadership of the war the persuasion of the alliance to the propriety of American policy and the defeat of the Axis **Pacific Crucible** Ian W. Toll,2012 Draws on eyewitness accounts and primary sources to describe the first months of World War II in the Pacific after the U S Navy suffered the worst defeat in its history at Pearl Harbor **Moondoggle** Mark C. Borton,2023-04-15 For 25 years Franklin Roosevelt tried to build the world s first tidal electric power plant by harnessing the Bay of Fundy s giant tides The enormous project would have dammed up 110 square miles of coastal Maine and Canada Moondoggle is a dramatic tale about the appeal of tidal power the difficulties in realizing its potential and the engineers and three U S Presidents Roosevelt Truman and Kennedy who tried to make clean and renewable tidal power a reality Now on the 100th anniversary of the Passamaquoddy Project s conception 1920 2020 Moondoggle the only book on the project explores what almost was and what could be King's Navy David Kohnen,2024-11-28 An authoritative account of the rise and fall of American sea power between 1897 and 1947 and the definitive biography of Fleet Admiral Ernest J King Between 1897 and 1945 the US Navy rose to lofty heights with huge manpower a lavish roster of ships and a hard earned reputation for professionalism and potency By 1947 in the wake of the Second World War the Navy although still powerful had been significantly scaled down much of the senior leadership retired and the wartime edge gradually dulled This period from 1897 to 1947 was witnessed and to a large degree driven and determined by two admirals Ernest J King and King s mentor William S Sims These admirals were empowered by two giants of American political and military history Presidents Theodore Roosevelt and Franklin D

Roosevelt Through the lives of King Sims and the Roosevelts Naval War College historian David Kohnen has crafted a sweeping history of American sea power from 1897 to 1947 This epic work was made possible through 20 years of research and writing By accessing undiscovered and recently declassified source material along with the full cooperation of the King and Sims families the author has been able to tell new stories and draw fresh conclusions making this volume a must have for scholars of naval history

Spies, Wiretaps, and Secret Operations Glenn Peter Hastedt,2010-12-09 A comprehensive two volume overview and analysis of all facets of espionage in the American historical experience focusing on key individuals and technologies In two volumes Spies Wiretaps and Secret Operation An Encyclopedia of American Espionage ranges across history to provide a comprehensive thoroughly up to date introduction to spying in the United States why it is done who does it both for and against the United States how it is done and what its ultimate impact has been The encyclopedia includes hundreds of entries in chronologically organized sections that cover espionage by and within the United States from colonial times to the 21st century Entries cover key individuals technologies and events in the history of American espionage Volume two offers overviews of important agencies in the American intelligence community and intelligence organizations in other nations both allies and adversaries plus details of spy trade techniques and a concluding section on the portrayal of espionage in literature and film The result is a cornerstone resource that moves beyond the Cold War centric focus of other works on the subject to offer an authoritative contemporary look at American espionage efforts past and present

State of War Anthony D. Atwood,2025-09-16 A deeply researched history of Florida s strategic and military roles in World War II The first book to share the entire history of Florida s involvement in World War II State of War explores how the war transformed the state into a major hub of military industry and an important training base for ground naval and air forces Drawing on historic photographs military archival data and civilian reporting in newspapers of the time Anthony Atwood explores Florida s military history and geography during the war years The state offered strategic potential in both its available space and its location near critical sea lanes This unique combination made Florida the site of over 250 military installations and a launching pad for US military power around the globe Florida was even a seat of war serving as headquarters for the Battle of the Gulf Sea Frontier against Nazi U boats Atwood also uses census data to show how the demographics of Florida were changed by the war Before World War II less than two percent of Americans lived in Florida and the state was seen as a quiet rural southern backwater During the war there were more soldiers than civilians in Florida and the influx of people led to rapid urbanization Atwood describes how hundreds of thousands of women helped build ships and aircraft and African Americans fought a battle in two fronts to win the war against the Nazis and to win civil rights at home World War II accelerated the state s relationship with the military and this book details the war s lasting impacts In addition to the airports and other infrastructure built during wartime Florida remains an important part of military operations Florida is now the base of three unified combatant commands of the US Department of Defense and is home to the third largest population of

veterans in the nation
