10th census, 1880,1991 *A Saint of Our Own* Kathleen Sprows Cummings,2019-04-08 What drove U S Catholics in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and American culture Throughout much of U S history the making of a saint was also about the ways in which the members of a minority religious group defined defended and celebrated their identities as Americans Their fascinatingly diverse causes for canonization from Kateri Tekakwitha and Elizabeth Ann Seton to many others that are failed forgotten or still under way represented evolving national values as Catholics made themselves at home Cummings s vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged United States Official Postal Guide ,1916

Dryfhout,2008 Updated catalogue raisonn of one of the most important figures in American sculpture **Trade and Privateering in Spanish Florida, 1732-1763** Joyce Elizabeth Harman,2004-04-12 Trade and Privateering examines the illegal yet highly profitable and mutually beneficial trade between Spanish Florida and the English colonies on the eastern seaboard in the mid 18th century In St Augustine the arrival of subsidies from Spain was erratic causing shortages of food and supplies so authorities ignored the restrictions on trade with foreign colonies and welcomed British goods Likewise the British colonists sought Spanish products from Florida especially oranges But when England and Spain became declared enemies in the War of Jenkins Ear and the French and Indian Wars this tacit trade arrangement was threatened and the result was a rise of privateering in the region Rather than do without

Spanish goods the English began to attack and capture Spanish vessels with their cargoes at sea Likewise the Spaniards resorted to privateering as a means of steadily supplying the Florida colony Harman concludes that both willingly and unwillingly the English colonies helped their Spanish neighbor to sustain its position in the Southeast
