Saint Juan Diego and Our Lady of Guadalupe Elizar Torres, Joel T. Ramirez, 2007-03-01 *Saint Juan Diego and Our Lady of Guadalupe* Josephine Nobisso, 2002 Recounts the story of Juan Diego who hears the voice of the Virgin Mary asking him to petition the bishop for a shrine to be built in her honor but to which the bishop will not agree unless Juan can bring him a sign **Our Lady of Guadalupe** Carl Anderson, Eduardo Chavez, 2009-08-04 Nearly a decade after Spain's conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the continent would be lost Between December 9 and December 12 1531 that miracle happened and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Guadalupe's place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe's message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe

continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin s miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In *Our Lady of Guadalupe Mother of the Civilization of Love* Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss how her message was and continues to be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ s call of conversion and witness the authors explore the changing face of the Catholic Church in North Central and South America and they show how Our Lady of Guadalupe s message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today *Our Lady of Guadalupe*,2012 One morning while walking to an early church service Juan Diego hears a voice calling Juanito Juan Dieguito He comes face to face with the Virgin Mary I would like a shrine built on this hill she tells him and she instructs him to take her wish to the bishop Juan Diego a lowly peasant protests that the bishop will pay no attention to him but the Virgin says that she will protect him Juan Diego visits the bishop three times but only after he brings a sign from the Virgin a bunch of roses that are miraculously blooming in December does the bishop relent and agree to the Virgin s request From then on the image of the Virgin is imprinted on Juan Diego s rough cactus fiber tilma the cloak in which he carried the roses Today millions of pilgrims visit the shrine and pray before the image of Our Lady of Guadalupe Tonya Engel s sweeping oil and encaustic illustrations capture 16th century Mexican country and city landscapes with stunning clarity An Author s Note about the origins of the legend and miracle is included **Talking Eagle and the Lady of Roses** ,2010-12 Recounts the appearance of the Lady of Guadalupe to a poor Indian farmer in Mexico in 1531 *Mexican Phoenix* D. A. Brading,2001 Juan Diego to whom the Virgin Mary appeared in 1531 miraculously imprinting her likeness on his cape was canonised in Mexico in 2002 by Pope John Paul II In 1999 the revered image of Our Lady of Guadalupe had been proclaimed patron saint of the Americas by the Pope How did a poor Indian and a sixteenth century Mexican painting of the Virgin Mary attract such unprecedented honours Across the centuries the enigmatic power of the image has aroused fervent devotion in Mexico it served as the banner of the rebellion against Spanish rule and despite scepticism and anti clericalism still remains a potent symbol of the modern nation This book traces the intellectual origins the sudden efflorescence and the adamant resilience of the tradition of Our Lady of Guadalupe and will fascinate anyone concerned with the history of religion and its symbols **Our Lady of Guadalupe** Carl Anderson,Eduardo Chavez,2017-12-05 Nearly a decade after Spain s conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the

continent would be lost Between December 9 and December 12 1531 that miracle happened and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Guadalupe s place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe s message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin s miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In Our Lady of Guadalupe Mother of the Civilization of Love Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ s call of conversion and witness the authors explore the changing face of the Catholic Church in North Central and South America and they show how Our Lady of Guadalupe s message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today

Butler's Saints of the Third Millennium Paul Burns,2001-01-01 Pope John Paul II has proclaimed an unprecedented number of new saints and blessed in the 25 years of his pontificate and shows few signs of slowing the process despite the criticism from at least one cardinal that the altars are getting a little crowded The proclamations have been made in a large number of countries from

which the new saints and blessed have come This reflects a deliberate policy of strengthening the faith of local churches against the threats from totalitarianism secularism Pentecostalism etc the Vatican tends to see most of the outside world as a threat There has also been a deliberate policy to seek more examples of holiness from outside the ranks of clergy and religious The twentieth century has been seen as the century of martyrs largely those of Nazism and Communism and they feature prominently those of nominally Catholic military regimes are less favoured The Introduction will make such points This volume proposes to cover a four year period in the Butler s style Blessed appearing in the 1995 2000 volumes who have since been canonized will have their entries updated and expanded as necessary new blessed will be featured with the information that is available which in the case of some Third World figures is not very much Entries will therefore range from around 3 000 words to 200 with an average of some 800 The number of entries will be approximately 80 **We Learn**
