Saint Augustine of Hippo Miles Hollingworth, 2013 Saint Augustine of Hippo is a major revisionist treatment of Augustine's life and thought It has long been assumed and not without good reason that the main lines of Augustine's leading ideas have been more or less fixed since his death That insofar as we should be aware of him in the twenty first century he is a figure described by his times In a stimulating and provocative reinterpretation of Augustine's ideas and their position in the Western intellectual tradition Miles Hollingworth's work carefully positions itself vis a vis the latest scholarship drawing its inspiration from the actual narrative of Augustine's life And by this means it returns a cardinal but long neglected fact to the centre of Augustinian studies the fact that there is a direct line from Augustine's own early experiences of life to his later commentaries on it That his new Christianity did not obliterate what had gone before in blunt assaults of dogma and doctrine but actually caught a subtle and reflective mind at the point when it was despairing of finding the truth Christianity vindicated a disquiet that Augustine had been feeling all along he felt that it alone had spoken to his serious rage about man abandoned to the world and dislocated from all real understanding by haunting glimpses of the Divine This book is radical enough to be considered a major new treatment of Augustine on all fronts it achieves its purpose by privileging a genuinely neglected element in his writings and in so doing it introduces us to Augustine as he emerges from the unique circumstances of his life yet uncovering the ironies and inconsistencies that we might just as well find in our own lives **The Confessions of Saint Augustine** Saint Augustine, 1996-09-01 The Confessions of St Augustine has a special place among the world's

greatest books As Augustine reflects upon his life in the light of Scripture and the presence of God he reveals how you can find the way to rest securely in Jesus discern good from evil avoid false spiritual pursuits and know the will of God He begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of God Here is the timeless conflict between good and evil portrayed through the life of one man who found spiritual growth and unshakable faith Just as Augustine did you can experience the unspeakable joy of being pure and righteous before God regardless of your past **The Confessions of St. Augustine** Augustine,2008-04 In seventy six chapters he traces philosophy from the rise of Greek civilization to the emergence of logical analysis in the twentieth century

The Confessions of Saint Augustine St. Augustine,2000-11-01 The reader who has never met Augustine before ought to go first of all to the Confessions reflected the Trappist monk and scholar Thomas Merton Augustine lived the theology that he wrote He experienced the reality of Christ living in his own soul Saint Augustine the celebrated theologian who served as Bishop of Hippo from A D 396 until his death in A D 430 is widely regarded as one of the most influential thinkers in the Western world Written in the form of a long prayer addressed directly to God Augustine s Confessions the remarkable chronicle of his conversion to Christianity endures as the greatest spiritual autobiography of all time Augustine possessed a strong capacious argumentative mind wrote Edward Gibbon He boldly sounded the dark abyss of grace predestination free will and original sin And the eminent historian Jaroslav Pelikan remarked There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual spiritual and cultural force

The Rule of Saint Augustine Augustine,1986-02-21 The oldest monastic Rule in the West A giant of the faith St Augustine is well known as the restless searcher for truth His life and the Rule he formulated have had enduring influence on the Christian ideal of the religious life This is a new modern English translation of the Rule from the original critical Latin text An extensive Commentary elucidates its meaning and its relevance to those who follow or study it today Augustine s concise spiritual directions based heavily on the Scriptures cover such subjects as prayer love and community mutual responsibility service authority and obedience He outlines the basics for exercising genuine love the goal of all things indeed life itself This brief but classic guide is as inspiring and applicable to the twentieth century as it was to Augustine s early followers It clearly reflects his own vision and spiritual depth As Van Bavel observes in his Introduction We could characterize the Rule of Augustine as a call to the evangelical equality of all people It voices the Christian demand to bring all men and women into full community The Rule of St Augustine is indeed a Rule for all Christians religious and laity alike

The City of God Books 11-22 Saint Augustine,2014-06-18 Along with his Confessions The City of God is undoubtedly St Augustine s most influential work In the context of what begins as a lengthy critique of classic Roman religion and a defense of Christianity Augustine touches upon numerous topics including the role of grace the original state of humanity the possibility of waging a just war the ideal form of government and the nature of heaven and hell But his major concern is the

Late Have I Loved Thee Augustine of Hippo, 2006-12-05 The first collection of Saint Augustine's varied writings on human and divine love chosen to reflect his lifelong preoccupation with ordo amoris, the principle of rightly directed love. My weight is my love, Saint Augustine writes in The Confessions. He sees our ability to love as disordered by sin so that we often choose badly what and how to love. Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered. Late Have I Loved Thee draws on the riches found in Augustine's sermons, letters, treatises, and Scripture commentaries as well as passages from The Confessions and City of God. Augustine 354-430 A.D. was the most prolific writer of Christian antiquity and the most influential theologian.
