

St David's Day

A land of rugged mountains
A land of finest slate
The sound of rushing rivers
Gives us cause to celebrate.

A land of ancient forests
Green valleys, grazing sheep
Gives the people of St David
A land they wish to keep.

Follow the red dragon flag
In parades led by Welsh bands
Raise voices in the choirs
To salute this lovely land.

For here in Wales, or far away
The Welsh remember still
And on St David's day with pride
Wear leek or daffodil.

Choice Pieces of Poetry Abraham Wright,1927 **Poetry Rx** Norman E. Rosenthal M.D.,2021-05-04 I used to believe that poetry did not speak to me but I now see how wrong I was I lived for 44 years with a husband a lyricist whose beautifully crafted heartfelt lyrics touched my every fiber and continue to uplift and inspire me a decade after his death The special beauty of Dr Rosenthal s book for me is his discussion of what each poem is saying what the poet was likely feeling and often how the poems helped him personally as when he left his birth family in South Africa for a rewarding career in the United States Jane Brody Author love that is fulfilling or addictive when to break up and how to survive when someone breaks up with you Separate sections deal with responses to the natural world and the varieties of human experience such as hope reconciliation leaving home faith self actualization trauma anger and the thrill of discovery Other sections involve finding your way in the world and the search for meaning as well as the final stages of life In describing this multitude of human experiences using vignettes from his work and life Rosenthal serves as a comforting guide to these poetic works of genius Through his writing the workings of the mind as depicted by these gifted writers speak to us as intimately as our closest friends Rosenthal also delves into the science of mind and brain Who would have thought for example that listening to poetry can cause people to have goosebumps by activating the reward centers of the brain Yet research shows that to be true And who were these fascinating poets In a short biosketch that accompanies each poem Rosenthal draws connections between the poets and their poems that help us understand the enigmatic minds that gave birth to these masterworks Altogether a fulfilling and intriguing must read for anyone interested in poetry the mind self help and genius **English-language**
