If you're a history lover someone who cherishes meaningful holiday traditions or simply curious about the man behind the magic of Christmas this book will touch your heart and deepen your understanding of the season Uncover the incredible legacy of Saint Nicholas and be inspired by his timeless message of hope and charity **Saint Nicholas and Santa Claus** Charles River Editors, 2019-01-06 Includes pictures Includes contemporary accounts Includes online resources and a bibliography for further reading Christmas is the most important holiday of the year After the corresponding days that exalt the national pride of each country such as Independence Day in the United States Victory Day in Russia or Bastille Day in France it's December 25 that articulates the life the work and the economy in much of the world including many non-Christian countries Since ancient times the beginning of winter has been the occasion for most people to eat drink dance and get together to beat the drum and take a break Especially since the 20th century on the days adjacent to the holiday have become an occasion to do big business The winter season is the most solid stimulus for the economy more than any fiscal package since the incomes of families spending credit and consumption in all productive sectors are significantly increased In the United States alone Christmas sales are estimated to generate 3 trillion One of the most important figures constantly brought up during the Christmas season is Saint Nicholas despite the fact most people know little about him In the 21st century Saint Nicholas or as people often refer to him Jolly Old Saint Nick has been reduced to a pretend adorably portly grandfather type a visual often accompanied by a fleet of magical reindeer and a bustling workshop staffed by endlessly cheerful elves Most assume quite understandably that Saint Nicholas was the fount of inspiration that Santa Claus myth weavers steadily drank from over the centuries While this is accurate to some extent it is important to remember that the parallels between Saint Nicholas and the present day Santa Claus marketed by mass media are actually quite limited As a result this internationally celebrated figure has become more fiction than fact However when historians peel back the superficial layers of whimsy and caricatural perkiness swathed around his name an image arises of a far more complex and fascinating character who did more than kick off the timeless tradition of gift giving Nicholas was not just a seasonal gift giver but a philanthropist who dedicated his life to helping the disadvantaged He was not just a beloved bishop but a fierce defender of the faith who remained undaunted in the face of persecution To brand him a pious and God-fearing individual would be a massive understatement indeed he was to those around him the definition of a walking divinity and an unrivaled miracle worker sent straight from Heaven Meanwhile the turning point for old St Nicholas now Santa Claus came with the December 24 1881 edition of Harper's Weekly Artist Thomas Nast gave him his definitive look for the Christmas issue as an old man with a huge round belly and a belt a thick white beard a red nose a cap mistletoe on his head a miniature horse toy in one hand a pipe between his fingers and a child hanging from his neck Ever since Santa has been known the world over for being delightfully paunchy and endlessly jolly To most these two descriptors alone are enough to conjure up his name and lead them to envision a round bellied grandfather type clad in a fur-trimmed cherry red ensemble armed with candy canes

and a bottomless sack of presents and blessed with a bushy silvery white beard Saint Nicholas and Santa Claus The History of the Man and the Character Behind the Most Popular Christmas Traditions looks at what the real bishop's life was like and how he served as the historical inspiration for Santa Along with pictures depicting important people places and events you will learn about Saint Nicholas and Santa Claus like never before **The Real Santa Claus** Marianna Mayer,2013-10-01 For most of us young and old Santa Claus is a jolly old man as described in the classic poem A Visit from St Nicholas In fact few people realize that there was a real St Nicholas He was the Bishop of Myra and lived during the fourth century In this beautifully illustrated and richly designed book Mayer creates an inviting portrait of the man who became legendary for his generosity and miraculous acts of kindness **The Gospel of Santa Claus** Wayne a Van Der Wal,2018-10-19 Masterfully weaving past and present The Gospel of Santa Claus follows the incredible story of Saint Nicholas who overcomes childhood tragedy feels called by God to take a vow of poverty endures horrific persecution for his religious faith and becomes one of the most beloved generous loving and famous figures in human history **St. Nicholas: The Believer: A New Story for Christmas Based on the Old Story of St. Nicholas** Eric Elder,Lana Elder,2013-12 From the Introduction by Eric Elder There was a time when I almost gave up celebrating Christmas Our kids were still young and weren't yet hooked on the idea of Santa Claus and presents Christmas trees and decorations I had read that the Puritans who first came to America were so zealous in their faith that they didn't celebrate Christmas at all Instead they charged fines to businesses in their community who failed to keep their shops open on Christmas day They didn't want anything to do with a holiday that was they felt rooted in paganism As a new believer and a new father myself the idea of going against the flow of the excesses of Christmas had its appeal at least in some respects Then I read an article by a man who simply loved celebrating Christmas He could think of no greater way to celebrate the birth of the most important figure in human history than throwing the grandest of parties for Him gathering and feasting and sharing gifts with as many of his family and friends as possible This man was a pastor of deep faith and great joy For him the joy of Christ's birth was so wondrous that he reveled in every aspect of Christmas including all the planning decorating and activities that went along with it He even loved bringing Santa Claus into the festivities our modern day version of the very real and very ancient Saint Nicholas a man of deep faith and great joy as well who Himself worshipped and adored the Baby who was born in Bethlehem So why not celebrate the birth of Christ Why not make it the biggest party of the year Why not make it the Happiest season of all I was sold Christmas could stay and my kids would be much happier for it too I dove back into celebrating Christmas with full vigor and at the same time took a closer look into the life of the real Saint Nicholas a man who seemed almost irremovably intertwined with this Holy Day I discovered that Saint Nicholas and Santa Claus were indeed one and the same and that the Saint Nicholas who lived in the 3rd and 4th centuries after the birth of Christ was truly a devout follower of Christ himself As my wife and I read more and more about Nicholas fascinating story we became enthralled with this believer who had already been capturing the hearts

and imaginations of believers and nonbelievers alike throughout the centuries With so many books and movies that go to great lengths to tell you the true story of Santa Claus and how his reindeer are really powered by everything from egg nog to Coca Cola I ve found that there are very few stories that even come close to describing the actual person of who Saint Nicholas was and in particular what he thought about the Man for whom Christmas is named Jesus Christ I was surprised to learn that with all the historical documents that attest to Saint Nicholas faith in Christ compelling tellings of those stories seem to have fallen by the wayside over the ages So with the encouragement and help of my sweet wife Lana we decided to bring the story of Saint Nicholas back to life for you with a desire to help you recapture the essence of Christmas for yourself While some people with good reason may still go to great lengths to try to remove anything that might possibly hint of secularism from this holiest day of the year it seems to me equally fitting to go to great lengths to try to restore Santa to his rightful place not as the patron saint of shopping malls but as a beacon of light that shines brightly on the One for whom this Holy Day is named It is with deep faith and great joy that I offer you this Christmas novella a little story I ve enjoyed telling it and I hope you ll enjoy hearing it It just may be the most human telling of the story of Saint Nicholas you ve ever heard Above all I pray that God will use this story to rekindle your love not only for this season of the year but for the One who makes this season so bright Eric Elder Saint Nicholas and Santa Claus Charles River Editors,2023 *The True Saint Nicholas*
