The Book of Saints and Heroes Mrs. Lang, 1912 A noted non Catholic writer on pedagogical subjects stated some time ago that if his own religious body had the wealth of story contained in the lives of the saints of the Catholic Church it would be abundantly supplied with religious literature for children It is true that the lives of the saints are an inexhaustible treasure house for all that will interest and stimulate children and that the same treasure house is too seldom drawn upon Its riches are comparatively speaking little known to our children or indeed to our older folks A book that taps this vein of Catholic inheritance is The Book of Saints and Heroes by Mrs Lang and edited by the late Andrew Lang Needless to say the work is admirably well written and no child even though tired would think of sleep while the story of Jerome and the Lion or Francis and the Wolf of Agobio was being read Here is all that will arouse the imagination fascinate the mind and instill that romantic love of heroic deeds which in turn is so powerful a stimulus to virtue The book is most richly and tastefully illustrated with page drawings many of them beautifully colored The author has combined legend and history and has sought to give us an interesting story book

actually believed in fairies more than some wise and grave little boys and girls do at present Why should they not believe in them for they met them dancing in the open dells of the forests and saw them beautiful girl fairies wading and swimming in the river pools These fairies were as friendly as they were fair to see and the fairy of the oak tree or the well would step out of it when a handsome shepherd or warrior passed and the pair would fall in love with each other and some times marry Homer the Oldest of Greek poets tells us as if it were the most natural thing in the world about a man who married a fairy and how as they were kind friendly people they built their house near a road and entertained all the passers by This sort of thing is still going on in the islands of the Pacific or so the natives believe A native of New Caledonia a young man the friend of a cousin of mine named Jim came to see him once and stayed long and seemed nervous and cried when he was saying goodbye About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*A Book of Saints and Heroes* Joanna Bogle, 2013-07 Life is a great adventure God calls each of us to do something that is unique to give some particular service that only we can give As we grow up we pray about this and are open to hear God's call This book is about men who did that They are heroes men who put a priority on God and on truth on serving others and on doing the right thing They knew that these things are much more important than personal comfort or well being Reading the stories of heroes can be exciting but also a bit daunting It can make us think Would I be brave enough to do that But people aren't born brave They acquire courage as we can acquire other virtues by prayer and by practice Today there are still martyrs for the Faith and people who endure hardship and difficulty rather than betray what they know to be true In this book Joanna Bogle has written about some of the great saints and heroes from long ago St Peter the very first Pope St Edmund the boy king in Saxon England St Thomas More who lived and died under King Henry VIII But half of the book is about men who lived in more modern times including the 20th century and one who lived into the 21st These are men whose lives really are quite close to our own And who will be the saints and heroes of the years to come

**Heroes, Saints, and Ordinary Morality** Andrew Michael Flescher, 2003-11-25 Most of us are content to see ourselves as ordinary people unique in ways talented in others but still among the ranks of ordinary mortals Andrew Flescher probes our contented state by asking important questions How should ordinary people respond when others need our help whether the situation is a crisis or something less Do we have a responsibility an obligation to go that extra mile to act above and beyond the call of duty Or should we leave the braver responses to those who are somehow different than we are better somehow heroes or saints Traditional approaches to ethics have suggested there is a sharp distinction between ordinary people and those called heroes and saints between duties and acts of supererogation going beyond the expected Flescher seeks to undo these standard dichotomies by looking at the lives and actions of certain historical figures Holocaust rescuers Martin Luther King Jr Dorothy Day among others who appear to be extraordinary but were in fact ordinary people Heroes Saints and Ordinary Morality shifts the way we regard ourselves in relationship to those we admire from afar it asks us not only to admire but to emulate as well further it challenges us to actively seek the acquisition of virtue as seen in the lives of heroes and saints to learn from them a dynamic aspect of ethical behavior that goes beyond the mere avoidance of wrongdoing Andrew Flescher sets a stage where we need to think and act calling us to lead lives of self examination even if that should sometimes provoke discomfort He asks that we strive to emulate those we admire and therefore allow ourselves to grow morally and spiritually It is then that the individual develops

a deeper altruistic sense of self a state that allows us to respond as the heroes of our own lives and therefore in the lives of others when times and circumstance demand that of us      [25 Questions about Catholic Saints and Heroes](#) Les Miller,2011-05-01      *Saints and Heroes to the End of the Middle Ages* HardPress,Hodges George 1856-1919,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
