**Sandinista Narratives** Jean-Pierre Reed,2020-10-21 Sandinista Narratives is an analysis of the role of agency in the Nicaraguan Revolution and its aftermath Jean Pierre Reed argues that the insurrection in Nicaragua was shaped by political contingency action specific subjectivity and popular culture He also examines how Sandinista ideology contributed to state building in Nicaragua while tracing the role of post revolutionary Sandinismo as a political identity      **A History of Christianity in Asia, Africa, and Latin America, 1450-1990** Klaus Koschorke,Frieder Ludwig,Mariano Delgado,Roland Spliesgart,2007-09-14 Taking the three continents in turn the documents trace chronologically the transfer of Christianity from the beginning of Western colonization through the end of the Cold War Traditional forms of Christianity in Asia and Africa are not covered The emphasis is on the voices of people working in the field both missionaries and Indigenous people rather than those at the imperial centers      **Catholics and Political Violence in the Twentieth Century** Lucia Ceci,2024-10-14 Catholics and Political Violence in the Twentieth Century presents a historical reconstruction of the ways in which Catholics have justified the recourse to political violence during the twentieth century a period marked by major wars nationalisms decolonization ideological clashes and episodes of genocide Legitimation processes are particularly complex when this violence is not endorsed by the state and perhaps used against it Depending on perspective the protagonists of this radical form of collective action may be seen as terrorists or freedom fighters Written by a leading historian of contemporary Catholicism this book examines a series of case studies from different parts of the world selected because of the central role played by the Catholic religion They range from Northern Ireland to the Basque Country from the Philippines to Colombia and from Mexico to Rwanda It highlights how theological sources paradigms of martyrdom and symbols of the Christian

tradition have provided a catalogue of reasons to give moral value to violence and promote it in the name of God By looking at the history of Catholicism in global terms and adopting a transnational perspective Catholics and Political Violence in the Twentieth Century sheds a critical light on the themes that are crucial to understanding the relationship between religion and violence It will appeal to scholars and students working and studying in the fields of Modern and Contemporary History Religious Studies Terrorism Studies Cultural and Global Studies Intellectual History and the History of Political Thought

*Latin American Liberation Theology* David Tombs,2021-11-08 David Tombs offers an accessible introduction to the theological challenges raised by Latin American Liberation and a new contribution to how these challenges might be understood as a chronological sequence Liberation theology emerged in the 1960s in Latin America and thrived until it reached a crisis in the 1990s This work traces the distinct developments in thought through the decades thus presenting a contextual theology The book is divided into five main sections the historical role of the church from Columbus s arrival in 1492 until the Cuban revolution of 1959 the reform and renewal decade of the 1960s the transitional decade of the 1970s the revision and redirection of liberation theology in the 1980s and a crisis of relevance in the 1990s This book offers insights into liberation theology s profound contributions for any socially engaged theology of the future and is crucial to understanding liberation theology and its legacies This publication has also been published in paperback please click here for details

**Global Rebellion** Mark Juergensmeyer,2008-05-16 Why has the turn of the twenty first century been rocked by a new religious rebellion From al Qaeda to Christian militias to insurgents in Iraq a strident new religious activism has seized the imaginations of political rebels around the world Building on his groundbreaking book *The New Cold War Religious Nationalism Confronts the Secular State* Mark Juergensmeyer here provides an up to date road map through this complex new religious terrain Basing his discussion on interviews with militant activists and case studies of rebellious movements Juergensmeyer puts a human face on conflicts that have become increasingly abstract He revises our notions of religious revolution and offers positive proposals for responding to religious activism in ways that will diminish the violence and lead to an accommodation between radical religion and the secular world

Van Engen, Nancy Thomas, Robert Gallagher, 2011-07-27 Twenty five doctoral students from around the world recently set out to forge a new path toward a theology of mission As they blazed a

new trail they discovered the footprints of God evidence that God was their trial guide Charles Van Engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as What is theology of mission and What is missiology The team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work By drawing from personal stories the authors show how human factors affect missiology All of the chapters are set within a unique theological framework created by Charles Van Engen that focuses on mission of the way mission in the way and mission on the way This framework reveals that mission must be of the way Christ centered in the way happening among the peoples and cultures of the world and on the way moving forward over time through God s people as they anticipate Christ s present and coming kingdom If you are concerned about connecting the Bible theology and ministry with the complexity and variety of contexts facing Christians today then you will want to join this journey to discover the footprints of God As Van Engen says you will be encouraged to think theologically about mission and missiologically about theology Revolution, Revival, and Religious Conflict in Sandinista Nicaragua Calvin L. Smith, 2007-03-31 This interdisciplinary study breaks new ground by exploring relations between Protestants mainly Pentecostals and the Sandinistas in revolutionary Nicaragua which to date have received scant attention It challenges the view that most Protestants supported the Sandinistas in fact the majority vigorously opposed them and establishes why many believed Nicaragua was heading towards communism or totalitarianism Meanwhile the Sandinistas expressed irritation with Pentecostalism s otherworldliness and support for Israel Pentecostals were harassed even brutally repressed in the northern highlands leading many to join the Contras That a minority of Protestants supported the Sandinistas caused further problems Pentecostals and Sandinistas were ideological rivals offering an alternative vision to the poor revolution or revival As Pentecostalism exploded a collision between the two was inevitable Religion and Globalization Peter Beyer, 1994-03-31 In his exploration of the interaction between religion and worldwide social and cultural change the author examines the major theories of global change and discusses the ways in which such change impinges on contemporary religious practice meaning and influence Beyer explores some of the key issues in understanding the shape of religion today including religion as culture and as social system pure and applied religion privatized and publicly influential religion and liberal versus conservative religions He goes on to apply these issues to five contemporary illustrative cases the American Christian Right Liberation Theology movements in Latin America the Islamic Revolution in Iran Zionists in Israel and religious **The New Cold War?** Mark Juergensmeyer, 2023-04-28 Will the religious confrontations with secular authorities around the world lead to a new Cold War Mark Juergensmeyer paints a provocative picture of the new religious revolutionaries altering the political landscape in the Middle East South Asia Central Asia and Eastern Europe Impassioned Muslim leaders in Egypt Palestine

and Algeria political rabbis in Israel militant Sikhs in India and triumphant Catholic clergy in Eastern Europe are all players in Juergensmeyer's study of the explosive growth of religious movements that decisively reject Western ideas of secular nationalism. Juergensmeyer revises our notions of religious revolutions. Instead of viewing religious nationalists as wild-eyed anti-American fanatics, he reveals them as modern activists pursuing a legitimate form of politics. He explores the positive role religion can play in the political life of modern nations even while acknowledging some religious nationalists' proclivity to violence and disregard of Western notions of human rights. Finally, he situates the growth of religious nationalism in the context of the political malaise of the modern West. Noting that the synthesis of traditional religion and secular nationalism yields a religious version of the modern nation state, Juergensmeyer claims that such a political entity could conceivably embrace democratic values and human rights. Will the religious confrontations with secular authorities around the world lead to a new Cold War? Mark Juergensmeyer paints a provocative picture of the new religious revolutionaries altering the political landscape in the Middle East, South Asia, and Central America.

The U.S. Catholic Press on Central America Edward Tracy Brett, 2003. The U.S. Catholic Press on Central America traces the remarkable transformation in reports on Central America by popular Catholic periodicals in the second half of the twentieth century. In the 1950s, writers for these periodicals vigorously opposed the Arbenz government in Guatemala. Influenced by McCarthyism, secular media coverage and reports from the archdiocese of Guatemala City called on the U.S. government to overthrow the Arbenz regime before its communism infected the Americas. Just fifteen years later, these same writers were lamenting the collapse of the reformist Arbenz government and calling for the U.S. to reassess its policies toward the entire Central American isthmus. What caused such a dramatic shift? In the first half of his compelling study, Edward T. Brett emphasizes the importance of U.S. missionaries in this evolutionary process. He carefully explains the effect of the murders of Archbishop Romero, the four U.S. churchwomen, and the six Jesuits and their housekeepers in El Salvador on reporting in Catholic journals. The second half of the book details the responses of the transformed U.S. Catholic press to the crises arising in Central America in the late 1970s and 80s. Brett also devotes considerable attention to the methods of a small group of conservative Catholic publications which, unlike the majority of Catholic periodicals, championed the policies of the Reagan administration on Central America. He concludes by placing the Catholic critique of U.S. Central American policy within the larger context of U.S. Catholic history. In so doing, he demonstrates that the American Catholic response to its government's isthmian policy marks the first time in history that the U.S. Catholic Church publicly opposed its government on an issue of foreign policy.

The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
