California Exposures: Envisioning Myth and History Richard White, 2020-03-17 Winner of the 2021 California Book Award Californiana category A brilliant California history in word and image from an award winning historian and a documentary photographer This is the West sir When the legend becomes fact print the legend This indelible quote from The Man Who Shot Liberty Valance applies especially well to California where legend has so thoroughly become fact that it is visible in everyday landscapes Our foremost historian of the West Richard White never content to print the legend collaborates here with his son a talented photographer in excavating the layers of legend built into California s landscapes Together they expose the bedrock of the past and the history they uncover is astonishing Jesse White s evocative photographs illustrate the sites of Richard s historical investigations A vista of Drakes Estero conjures the darkly amusing story of the Drake Navigators Guild and its dubious efforts to establish an Anglo Saxon heritage for California The restored Spanish missions of Los Angeles frame another origin story in which California s native inhabitants civilized through contact with friars gift their territories to white settlers But the history is not so placid A quiet riverside park in the Tulare Lake Basin belies scenes of horror from when settlers in the 1850s transformed native homelands into American property Near the lake bed stands a small marker commemorating the Mussel Slough massacre the culmination of a violent struggle over land titles between local farmers and the Southern Pacific Railroad in the 1870s Tulare is today a fertile agricultural county but its population is poor and unhealthy The California Dream lives elsewhere The lake itself disappeared when tributary rivers were rerouted to deliver government subsidized water to big agriculture and cities But climate change ensures that it will be back the only question is when

Theology and California Fred Sanders, Jason S. Sexton, 2016-02-17 Exploring California as a theological place this book renders critical engagement with significant Californian religious and theological phenomena and the inherent theological impulses within major Californian cultural icons Harnessing conceptual

tools inherent to theology through theological reflection assessment and critique the chapters in this volume begin to ascertain the significance of various empirical data and that no other qualitative methodological Californian study has done Many universities are picking up on California literature as a theme that highlights a place of hope wonder and cultural innovation but have neglected the significance of theological instincts flowing through the Californian dynamic Californians Fred Sanders and Jason Sexton assemble leading voices and specialists both from within and without California for engagement with California s influential culture including leading theologians and cultural critics such as Richard J Mouw Paul Louis Metzger and Fred Sanders alongside leading specialists in Film studies and cultural critique theological anthropology missiology sociology and history *Under the Influence* Monica Ganas,2010-06 An insider to California culture wittily examines the downside to our national obsessions with celebrity and appearance and shows how Christians can respond The Field Afar ,1925 **Missions, Mantras, Migrants and Microchips** Leonard A Gordon,2025-04-10 The fame of people like Priyanka Chopra Satya Nadella Sundar Pichai Kumail Nanjiani Indra Nooyi Mindy Kaling M Night Shyamalan Tata Consultancy Services TCS sponsorship of the New York City Marathon the ubiquitousness of Indian restaurants and yoga studios in many American cities and much else illustrates the close relationship the US and India enjoy today From the 1780s onwards there have been relationships of various kinds all mediated until India s independence through the British Raj While ties in the eighteenth and nineteenth centuries were somewhat thin the closer relationship through three quarters of the twentieth century has now become an extremely close one as India has sent large rivers of people and goods to America and Americans have responded with growing interest and involvement in India This despite occasional blips like the Bhopal industrial disaster **Missions Mantras Migrants and Microchips** takes the long view of the Indo US encounter Besides documenting well known ties it also brings into focus some ignored and forgotten people like Kumar Goshal Ida Scudder Charles Page Perin John Bissell and Maharishi Mahesh Yogi Deeply researched and engagingly written by veteran historian Leonard A Gordon this work is the definitive account of the Indo US connection Children of Coyote, Missionaries of Saint Francis Steven W. Hackel,2017-01-15 Recovering lost voices and exploring issues intimate and institutional this sweeping examination of Spanish California illuminates Indian struggles against a confining colonial order and amidst harrowing depopulation To capture the enormous challenges Indians confronted Steven W Hackel integrates textual and quantitative sources and weaves together analyses of disease and depopulation marriage and sexuality crime and punishment and religious economic and political change As colonization reduced their numbers and remade California Indians congregated in missions where they forged communities under Franciscan oversight Yet missions proved disastrously unhealthful and coercive as Franciscans sought control over Indians beliefs and instituted unfamiliar systems of labor and punishment Even so remnants of Indian groups still survived when Mexican officials ended Franciscan rule in the 1830s Many regained land and found strength in ancestral cultures that predated the Spaniards arrival At this study s heart are the

dynamic interactions in and around Mission San Carlos Borromeo between Monterey region Indians the Children of Coyote and Spanish missionaries soldiers and settlers Hackel places these local developments in the context of the California mission system and draws comparisons between California and other areas of the Spanish Borderlands and colonial America Concentrating on the experiences of the Costanoan and Esselen peoples during the colonial period Children of Coyote concludes with an epilogue that carries the story of their survival to the present day *Saints of the California Missions* Norman Neuerburg,1989-01 The missions had magnificent paintings of their namesakes and are reproduced here in color with their stories *Liahona* ,1917 **The Latter-Day Saints' Millennial Star** ,1853 Mission Roger G.
