Diagrams and Symbols Illustrating (Depicting) Verses from the Holy Bible Davy Peter Rajanayagam, 2012-03-21 The first and foremost thing to remember is that these diagrams symbols are not free hand drawings. These are generated drawn byt the computer hence the equations on the sides The equations are all simple every day equations used in schools and first year college courses They do have technical or scientific significance But I stress the fact that these diagrams symbols do no have any abstract high flung mathematics physics concepts attached to them They do not have hidden obscure meanings The concepts are all common ones in every day use Ephod of God Joan Angley, 2020-06-18 Teach them the difference between the holy and the profane between the clean and unclean Teach them all the word God has given Leviticus 10 10 Emeralds sapphires diamonds What do precious gems have to do with God Everything if you study the high priest breastplate and decode the message Proverbs 25 2 says It is the glory of God to conceal a thing but the glory of kings is to search a thing out There is much more buried deep in the scriptures than we know It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds How does God see these jewels Does the Hebrew name for ruby written three thousand years ago mean flaming sword of light and does it hint at the laser hidden inside its depths Do these gems represent anything important and of great value Absolutely Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel accompanied by two very specific blessings and a tribal banner which surprisingly has an astronomical significance Jesus said that before He comes back there will be signs in the sun moon and stars Do these constellations depicted in the tribal banners tell us something of great import for the world Are there warnings broadcast in the stars that we should be paying attention to them now Buckle up and begin one of the most fascinating journeys into the Inside a Catholic Church Joseph M.
