## Sal Si Puedes:

**Salsipuedes** Ramón Betancourt, 2003-03-31 In this debut collection of Spanish language short stories Ramón Betancourt crafts portraits of the inhabitants of the urban Hispanic communities located on the southernmost part of California on the border with Mexico Through their adventures the characters struggle with complexities of living on the border poverty tradition progress and changing gender relationships In the title story a young boy and his family scavenge the landfills for food and hope but when tragedy strikes and the boy is forced to abandon the fantastic truth only he believes the memory of the life that he's left behind Among the other voices painted in the collection are a man who is not spying on the lover of the man living above him though he listens anxiously to the clatter of her high heels and has memorized her phone number the renewed promise offered by a guitar purchased in a bar in Los Angeles that is shattered when a man's young dreams are again defeated a Lolita and her professor who listen to the robbery of a neighboring laboratory and a bruised and battered boxer who schemes to break his poverty through his fists and plastic packages of cocaine Themes of superstition survival and success weave through each of the stories included in this engrossing collection Each character must be armed for survival in the ever changing world whether it is on the Mexican side of the border or on the U S

## **The Nature of California**

Sarah D. Wald, 2016-05-02 The California farmlands have long served as a popular symbol of America's natural abundance and endless opportunity Yet from John Steinbeck's *The Grapes of Wrath* and Carlos Bulosan's *America Is in the Heart* to Helena Maria Viramontes's *Under the Feet of Jesus* many novels plays movies and songs have dramatized the brutality and hardships of working in the California fields Little scholarship has focused on what these cultural productions tell us about who belongs in America and in what ways they are allowed to belong In *The Nature of California* Sarah Wald analyzes this legacy and its consequences by examining the paradoxical representations of California farmers and farmworkers from the Dust Bowl migration to present day movements for food justice and immigrant rights Analyzing fiction nonfiction news coverage activist literature memoirs and more Wald gives us a new way of thinking through questions of national belonging by probing the relationships among race labor and landownership Bringing together ecocriticism and critical race theory she pays special attention to marginalized groups examining how Japanese American journalists Filipino workers United Farm Workers members and contemporary immigrants rights activists among others pushed back against the standard narratives of landownership and citizenship
