Bowker Company. Department of Bibliography, R.R. Bowker Company. Publications Systems Department, 1983 **Books in Print**, 1982 *Born to Kill in the Ussr - True Stories of Soviet Serial Killers* Robert Kalman, 2014-03 An ex actor poses as a gas company worker to enter homes without suspicion When the doors are closed he strikes with a camping ax A love scorned man hunts and eats women when a magical force tells him that drinking blood from a body cleanses the soul Fifty two people lie gunned down by the Ukrainian Terminator in a horrific six month tour de force that wipes out entire families The largest park in Moscow witnesses over sixty people slaughtered in a twisted game of chess *Born to Kill in the USSR* is an unflinching portrait of the serial killers through the Soviet and Post Soviet era Forty six men and women s unconscionable devolutions are documented against the political complexities and social reality of the largest country in the world **Murder Most Moscow** Jon Lawson, 2015-06-25 The very words serial killer are enough to strike fear into the heart of any normal person While many of us are fascinated by this criminal breed and cannot resist the morbid need to learn more about them we are also repulsed by the various atrocities and horrific acts that they are able to bring themselves to commit Amongst the best known serial killers not just in Russia but in the world is the insanely evil Andrei Chikatilo aka the Rostov Ripper However there were many other serial murderers in Russia that came before him and many that came after him some were even inspired by him In this book you can learn more about some of the most evil serial killers in Russia and the unbelievably horrific acts that they committed taking the lives of boys and girls men and women children and the elderly Take Vasiliy Kulik for example a serial killer from a wealthy background whose victim s ages ranged from just two through to seventy five Sergei Ryakhovsky was another killer

that was not particularly bothered about age or gender with his victims ranging from children through to old age pensioners Another thing that is striking about many of these Russian serial killers is that many of them held down very respectable jobs before deciding to turn to murder as a new profession For example Mikhail Popkov was a police officer and was even involved in investigating some of the murders that he d actually committed himself Maxim Vladimirovich was an emergency doctor who used his position to gain the trust of vulnerable patients so that he could rob and murder them Anatoly Slivko ran his own children s club and Andre Chikatilo was a university graduate who had held down a number of teaching job In this book we look at the cases and crimes of some of the most prolific serial killers in Russia killers that have carried out crimes ranging from rape and sexual abuse through to murder cannibalism and necrophilia These are Russia s worst serial killers

The 10 Second Kill Zone The Lone Wolf, 2016-08-12 We wish we could arbitrarily accept the findings of the Warren Commission We wish we could accept the fact the Lee Harvey Oswald barely a marksman could make a once in a lifetime shot utilizing archaic weaponry at that but there are just too many questions too many loose ends Oswald who along with Jack Ruby was allegedly on the American intelligence community s payroll seemed to be more a patsy than a reliable assassin What of the mafia angle What of the alleged cooperation between the mafia and all levels of Texas government officials from the Vice President to the Governor of Texas to the Mayor of Dallas as well as its Chief of Police How did they arrange an open air procession in a state that Kennedy did not carry well know for its dislike of him Why did Jackie Kennedy shout at Lyndon B Johnson You killed Jack We don t know However there is one thing we do know It was a 10 second kill zone which involved 12 bullets

on an obscured stretch of Fish Head Beach They settled upon their sleeping arrangements during a weekend getaway from work because all of the nearby town of Jenner s accommodation properties were fully booked Their bodies were not discovered until Wednesday August 18 when a Sheriff s helicopter was dispatched following a report of a man who was stranded on a cliff above Fish Head Beach The helicopter spotted the bodies and notified the department None of Cutshall s or Allen s belongings had been taken ruling out robbery as a motive and neither of the campers had been sexually assaulted Their car a battered red Ford Tempo was parked in a pullout spot on the side of Highway 1 in Jenner and untouched A silent single bullet to the skull had killed each The evening overcast common to northern Sonoma County masked the moon and neither likely had any advanced warning that they were not alone Despite exhaustive efforts by detectives the scant evidence no apparent motive and minimal clues have yielded no solid leads or suspects A decade later the case remains cold but open The principal beach landmarks and disturbingly potential clues described in police reports have changed little Sonoma County s Russian River empties into the Pacific Ocean through a gulch severing Goat s Rock Beach and Fish Head Beach adjacent to the town of Jenner California situated on a winding stretch of the Pacific Coast Highway California Highway 1 Like generations of precedent visitors Cutshall 22 and Allen were moved by the splendor Each recorded their impressions during the sunset of August 14 2004 in a personal travel journal The sun is going down in the horizon Lindsay wrote All I see is the beams shining on the cliff face And I know that God is awesome sic I look around and I see his creation all around me Jason wrote As I stir this Mac Cheese I think to myself what a wonderful life I ve just spent two awesome sic days with my fianc Lindsay Can life ever be so perfect Only with a person who is so great God gives me this privilege in life and He has given me a wonderful woman to enjoy it It was the final entry recorded in their travel journal the day of their death

The Hillside Stranglers Darcy O'Brien, 2014-07-01 The riveting true crime account of the Hillside Stranglers and the horrific serial killings they unleashed on 1970s Los Angeles For weeks that fall the body count of sexually violated brutally murdered young women escalated With increasing alarm Los Angeles newspapers headlined the deeds of a serial killer they named the Hillside Strangler The city was held hostage by fear But not until January 1979 more than a year later would the mysterious disappearance of two university students near Seattle lead police to the arrest of a security guard the handsome charming fast talking Kenny Bianchi and the discovery that the strangler was not one man but two Compellingly O'Brien explores the symbiotic relationship between Bianchi and his cousin Angelo Buono their lust for women as insatiable as their hate before examining the crimes they remorselessly perpetrated and the lives of the unsuspecting victims they claimed Equally riveting is O'Brien s account of the trial one of the longest and most controversial criminal court cases in American history with the defense team parading one after another expert witnesses who had been effectively duped by Bianchi s impersonation of a man suffering multiple personality disorder It s one way a man might contrive to get away with murder Like Truman Capote in *In Cold Blood* and Norman Mailer in *The Executioner s Song* Darcy O'Brien weds the narrative skill of an award winning

novelist with the detailed observations of an experienced investigator to unravel this chilling true crime story
