

Salem On Trial

K. David Goss

Salem On Trial:

Witch-Hunt Marc Aronson, 2003-12-02 Publisher Description *The Salem Witch Trials* Michael Burgan, 2019 In the spring of 1692 girls in Salem Massachusetts accused several local women of witchcraft The events that followed were marked by mass hysteria and religious extremism and ultimately led to trials convictions executions and many more accusals

A Storm of Witchcraft Emerson W. Baker, 2014-09-08 Beginning in January 1692 Salem Village in colonial Massachusetts witnessed the largest and most lethal outbreak of witchcraft in early America Villagers mainly young women suffered from unseen torments that caused them to writhe shriek and contort their bodies complaining of pins stuck into their flesh and of being haunted by specters Believing that they suffered from assaults by an invisible spirit the community began a hunt to track down those responsible for the demonic work The resulting Salem Witch Trials culminating in the execution of 19 villagers persists as one of the most mysterious and fascinating events in American history Historians have speculated on a web of possible causes for the witchcraft that started in Salem and spread across the region religious crisis ergot poisoning an encephalitis outbreak frontier war hysteria but most agree that there was no single factor Rather as Emerson Baker illustrates in this seminal new work Salem was a perfect storm a unique convergence of conditions and events that produced something extraordinary throughout New England in 1692 and the following years and which has haunted us ever since Baker shows how a range of factors in the Bay colony in the 1690s including a new charter and government a lethal frontier war and religious and political conflicts set the stage for the dramatic events in Salem Engaging a range of perspectives he looks at the key players in the outbreak the accused witches and the people they allegedly bewitched as well as the judges and government officials who prosecuted them and wrestles with questions about why the Salem tragedy unfolded as it did and why it has become an enduring legacy Salem in 1692 was a critical moment for the fading Puritan government of Massachusetts Bay whose attempts to suppress the story of the trials and erase them from memory only fueled the popular imagination Baker argues that the trials marked a turning point in colonial history from Puritan communalism to Yankee independence from faith in collective conscience to skepticism toward moral governance A brilliantly told tale A Storm of Witchcraft also puts Salem's storm into its broader context as a part of the ongoing narrative of American history and the history of the Atlantic World The Story of the Salem Witch Trials Bryan F. Le Beau, 2016-05-23 Between June 10 and September 22 1692 nineteen people were hanged for practicing witchcraft in Salem Massachusetts One person was pressed to death and over 150 others were jailed where still others died *The Story of the Salem Witch Trials* is a history of that event It provides a much needed synthesis of the most recent scholarship on the subject places the trials into the context of the Great European Witch Hunt and relates the events of 1692 to witch hunting throughout seventeenth century New England This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials From beginning to end the reader is carried along by the author's powerful narration and mastery of the

subject While covering the subject in impressive detail Bryan Le Beau maintains a broad perspective on events and wherever possible lets the historical characters speak for themselves Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history

[The Salem Witch Trials](#) Marilynne K. Roach, 2004-10-25 Based on over twenty years of original archival research this history unfolds a nearly day by day narrative of the Salem Witch Trials as the citizens of Salem experienced the outbreak of hysteria

[The Salem Witch Trials](#) Matt Doeden, 2011-01-01 Describes the people and events involved in the Salem witch trials The reader's choices reveal the historical details from the perspectives of an accused witch the family member of an accused witch and an accuser Provided by publisher

The Salem Witch Trials Judith Bloom Fradin, Dennis B. Fradin, 2009 Learn about the Salem witch trials an important event in American history that influenced social economic and political policies that affected the nation's future

[The Salem Witchcraft Trials](#) Peter Charles Hoffer, 1997 Historian Peter Charles Hoffer reexamines a notorious episode in American history and presents many of its legal details in true perspective for the first time Hoffer also shows how rights we take for granted today did not exist in colonial times and he demonstrates how these cases relate to current instances of children accusing adults of abuse

The Salem Witch Trials Lori Lee Wilson, 1997-01-01 Discusses the witchcraft trials in Salem in 1692 the events leading up to them and how the trials have been viewed by different historians since then

The Salem Witchcraft Trials Geraldine Woods, 2000 Examines the events surrounding the Salem Witchcraft Trials and the unjust treatment of those who were falsely accused

The Salem Witch Trials Bruce Watson, 2018-02-06 What caused the worst witch hunt in U S history What demons sent twenty innocent people to their deaths Was it panic Payback Puritanism run amok In this probing short form book award winning journalist Bruce Watson captures all the fear and fear mongering while exploring the latest historical research into this unforgettable American tragedy

Salem Story Bernard Rosenthal, 1993 Salem Story engages the story of the Salem witch trials by contrasting an analysis of the surviving primary documentation with the way events of 1692 have been mythologised by our culture Resisting the temptation to explain the Salem witch trials in the context of an inclusive theoretical framework the book examines a variety of individual motives that converged to precipitate the witch hunt Of the many assumptions about the Salem witch trials the most persistent is that they were instigated by a circle of hysterical girls Through an analysis of what actually happened by perusal of the primary materials with the close reading approach of a literary critic a different picture emerges one where hysteria inappropriately describes the logical rational strategies of accusation and confession followed by the accusers males and females alike

A Delusion of Satan Frances Hill, 2002 A study of the Salem witch trials applies contemporary psychology to the hysteria of the late 1600s analyzing the Puritan mind and linking the trials to the witch hunts of the twentieth century

[The Making of Salem](#) Robin DeRosa, 2009-07-28 The Salem Witch Trials of 1692 are a case study in hysteria and group psychology and the cultural effects still linger centuries later This critical study

examines original trial transcripts historical accounts fiction and drama film and television shows and tourist sites in contemporary Salem challenging the process of how history is collected and recorded Drawing from literary and historical theory as well as from performance studies the book offers a new definition of history and uses Salem as a tool for rethinking the relationships between the truth and the stories people tell about the past [The Salem Witch Trials Reader](#) Frances Hill,2000-10-19 Contains primary source material **What Were the Salem Witch Trials?** Joan Holub,Who HQ,2015-08-11 Something wicked was brewing in the small town of Salem Massachusetts in 1692 It started when two girls Betty Parris and Abigail Williams began having hysterical fits Soon after other local girls claimed they were being pricked with pins With no scientific explanation available the residents of Salem came to one conclusion it was witchcraft Over the next year and a half nineteen people were convicted of witchcraft and hanged while more languished in prison as hysteria swept the colony Author Joan Holub gives readers and inside look at this sinister chapter in history [The Salem Witch Trials](#) Joeming W. Dunn,2008-07-01 Bold full color graphic illustrations and exciting text work together to explain to reluctant readers events that shaped the course of world history [The Salem Witch Trials](#) Don Nardo,Tanya Dellaccio,2016-12-15 Mass hysteria in the late 17th century led to trials of people suspected to be witches in Salem Massachusetts Anyone could be accused of causing mysterious maladies or unfortunate occurrences such as the death of cattle Readers discover important facts and captivating details about this fascinating time in American history The dangers of leveling accusations without proof and succumbing to panic are discussed in this engaging text which is supplemented with a fact filled timeline full color photographs and primary sources [The Salem Witch Trials](#) K. David Goss,2007-12-30 Part of the enduring fascination of the Salem witch trials is the fact that to date no one theory has been able to fully explain the events that ravaged Salem in 1692 Countless causes from ergot infected rye to actual demonic possession have been offered to explain why the accusations and erratic behavior of seven village girls left hundreds accused over 20 dead and the townspeople of eastern Massachusetts shaken Through a multitude of resources this authoritative reference guide explores the Salem Witchcraft episode including the religious and political climate in Puritan New England and accessibly summarizes the major interpretations of and reactions to the events from the seventeenth century until the present day Biographical sketches of each person central to the events including afflicted girls victims ministers and magistrates add a human element and primary document excerpts including petitions letters and revealing testimony give a firsthand glimpse of the proceedings in the players own words A chronology of events a glossary of terms an annotated bibliography and over 25 photos make this a must have resource for students of American history criminal justice gender issues and culture A must have for any student of American history this resource gives a unique glimpse into the 17th century politics religious culture and gender issues that created the Salem witchcraft episode and gives context to an impact that still resonates today in everything from modern political life to popular culture **The Salem Witch Trials** Edward F. Dolan,2002 Describes the

circumstances that lead to trials in 17th century Massachusetts accusing certain people of practicing witchcraft
