**Stephen King's Contemporary Classics** Philip L. Simpson, Patrick McAleer, 2014-11-13 Many readers know Stephen King for his early works of horror from his fiction debut Carrie to his blockbuster novels The Shining The Stand and Misery among others While he continues to be a best selling author King's more recent fiction has not received the kind of critical attention that his books from the 1970s and 1980s enjoyed Recent novels like Duma Key and 1 2 2 63 have been marginalized and arguably cast aside as anomalies within the author's extensive canon In Stephen King's Contemporary Classics Reflections on the Modern Master of Horror Philip L Simpson and Patrick McAleer present a collection of essays that analyze assess and critique King's post 1995 compositions Purposefully side stepping studies of earlier work these essays are

arranged into three main parts the first section examines five King novels published between 2009 and 2013 offering genuinely fresh scholarship on King the second part looks at the development of King's distinct brand of horror the third section departs from probing the content of King's writing and instead focuses on King's process By concentrating on King's most recent writings this collection offers provocative insights into the author's work featuring essays on Dr Sleep Duma Key The Girl Who Loved Tom Gordon Joyland Under the Dome and others As such Stephen King's Contemporary Classics will appeal to general fans of the author's work as well as scholars of Stephen King and modern literature

[An Introduction to Queer Literary Studies](#) Will Stockton, 2022-11-01 An Introduction to Queer Literary Studies Reading Queerly is the first introduction to queer theory written especially for students of literature Tracking the emergence of queer theory out of gay and lesbian studies this book pays unique attention to how queer scholars have read some of the most well known works in the English language Organized thematically this book explores queer theoretical treatments of sexual identity gender and sexual norms and normativity negativity and utopianism economics and neoliberalism and AIDS activism and disability Each chapter expounds upon foundational works in queer theory by scholars including Michel Foucault Eve Kosofsky Sedgwick and Lee Edelman Each chapter also offers readings of primary texts ranging from the highly canonical like John Milton's Paradise Lost to more contemporary works of popular fiction like Stephen King's Salem's Lot Along the way An Introduction to Queer Literary Studies Reading Queerly demonstrates how queer reading methods work alongside other methods like feminism historicism deconstruction and psychoanalysis By modelling queer readings this book invites literature students to develop queer readings of their own It also suggests that

reading queerly is not simply a matter of reading work written by queer people. Queer reading attunes us to the queerness of even the most straightforward text.

Shirley Jackson Bernice M. Murphy, 2005-10-19 Shirley Jackson was one of America's most prominent female writers of the 1950s. Between 1948 and 1965 she published six novels, one best-selling story collection, two popular volumes of her family chronicles, and many stories which ranged from fairly conventional tales for the women's magazine market to the ambiguous, allusive, delicately sinister and more obviously literary stories that were closest to Jackson's heart and destined to end up in the more highbrow end of the market. Most critical discussions of Jackson tend to focus on *The Lottery* and *The Haunting of Hill House*. An author of such accomplishment and one so fully engaged with the pressures and preoccupations of postwar America merits fuller discussion. To that end, this collection of essays widens the scope of Jackson scholarship with new writing on such works as *The Road through the Wall* and *We Have Always Lived in the Castle* and topics ranging from Jackson's domestic fiction to ethics, cosmology, and eschatology. The book also makes newly available some of the most significant Jackson scholarship published in the last two decades.

American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper's productions, which often trespassed upon the safety of the family unit, cast a critical eye toward an America in crisis. Often dismissed by scholars and critics as a one-hit wonder thanks to his 1974 horror classic *The Texas Chain Saw Massacre*, Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017. In *American Twilight*, the authors assert that the director was an auteur whose works featured complex monsters and disrupted America's sacrosanct perceptions of prosperity and domestic security. *American Twilight* focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast array of feature and documentary films, made for television, movies, television episodes, and music videos. From *Egg Shells* (1969) to *Poltergeist* (1982), *Djinn* (2013), and even Billy Idol's music video for *Dancing with Myself* (1985), Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism.

**HSA Books and Manuscripts Dallas Auction Catalog #682** Sandra Palomino, 2008 *The Stephen King Universe* Stanley Wiater, Christopher Golden, Hank Wagner, 2001-05-21 This unique work of popular criticism of the stories and characters of author Stephen King embraces and explains the entire body of his work. The authors also demonstrate King's impact on popular culture and include a chronology of his life and career.

Blood Thirst Leonard Wolf, 1999-01-28 In *Blood Thirst: One Hundred Years of Vampire Fiction*, Leonard Wolf gathers thirty tales in which vampires of all varieties make their ghastly presence felt.
