When all has been lost we find ourselves Out of the ashes of destruction a new world has arisen The plagues of the past the worship of greed and pursuit of power are gone Now the communities that remain in this post apocalyptic world focus on creating connections on forging futures filled with family and love And all with the help of hard work hope and a little bit of magic Artist Matthew Sugiyama knows this well Traveling the countryside in search of the family he lost as a child he trades his art for supplies and uses his honed magic to re draw the boundaries of reality to fashion a world that is better for those he meets Following glimpses of visions half seen Matthew and the friends he encounters along the way will travel a path from light to darkness and back again A road where things lost in the past can only be found in the love of the present and the hope for the future And he will travel this path wherever it leads From joy to sorrow from tears to laughter Because Matthew is the Elemental Artist and he knows that though dangers arise humanity will always triumph in a world he has painted in shades of Oil and Dust Author Jami Farleigh invites you to meet a rich tapestry of characters and to travel through a world that blends fantasy laughter coming of age and evocative literary stylings to create a perfect escape Fans of The Goblin Emperor The Long Way to a Small Angry Planet The Language of Flowers and Quarter Share will delight in this tale of humor humanity and the power of hope Click Buy Now to curl up with your copy of Oil and Dust today Our village (selected and ed. by E.
