Salome Elektra English National Opera Guide 37

Rachel Cowgill, Hilary Poriss

Salome Elektra English National Opera Guide 37:

Wilde: Salome William Tydeman, Steven Price, 1996-08-28 This 1998 book is a study of Oscar Wilde's Salome a play now Modern Critical Theory and Classical Literature J.P. Sullivan, Irene J.F. de regarded as central to his artistic achievement Jong, 2018-07-17 In recent decades the study of literature in Europe and the Americas has been profoundly influenced by modern critical theory in its various forms whether Structuralism or Deconstructionism Hermeneutics Reader Response Theory or Rezeptions sthetik Semiotics or Narratology Marxist feminist neo historical psychoanalytical or other perspectives Whilst the value and validity of such approaches to literature is still a matter of some dispute not least among classical scholars they have had a substantial impact on the study both of classical literatures and of the mentalit of Greece and Rome In an attempt to clarify issues in the debate the eleven contributors to this volume were asked to produce a representative collection of essays to illustrate the applicability of some of the new approaches to Greek and Latin authors or literary forms and problems The scope of the volume was deliberately limited to literary investigation broadly construed of Greek and Roman authors Broader areas of the history and culture of the ancient world impinge in the essays but are not their central focus The volume also contains a separate bibliography offering for the first time a complete bibliography of classical studies which incorporate modern critical theory The Arts of the Prima Donna in the Long Nineteenth Century Rachel Cowgill, Hilary Poriss, 2012-07-12 Female characters assumed increasing prominence in the narrative of 19th and early 20th century opera This book shines a light on the singers who created and inhabited these roles the flesh and blood women who embodied these fabled doomed women onstage before an audience Richard Strauss Michael Kennedy, 2006-11-02 This book re evaluates a figure whom the author considers to be the greatest composer of the twentieth century Kennedy deals fully with Strauss s life as leading composer and national figure in the Third Reich during which he was both f ted and cold shouldered by the authorities In putting this period into perspective he draws heavily on hitherto ignored material including Strauss's own letters and diaries In addition he reveals much about Strauss's long happy but tempestuous marriage to the soprano Pauline de Ahna as well as tracing the important relationships to his librettists Hugo von Hofmannsthal Stefan Zweig Joseph Gregor and Clemens Krauss Kennedy reassesses the man and the music revealing a picture of a level headed practical and extremely versatile musician a great conductor as well as a great composer Opera Jack Sacher, 1997 The book s second part explores the relation of opera to the human condition Music, Books on Music, and Sound Recordings Library The Secret Life of Theater Brian Kulick, 2019-01-08 What is the secret DNA of theater What makes it of Congress, 1989 unique from its sister arts Why was it invented Why does it persist And now in such an advanced technological age why do we still feel compelled to return to a mode of expression that was invented over two thousand years ago These are some of the foundational questions that are asked in this study of theater from its inception to today The Secret Life of Theater begins with a look at theater's origins in Ancient Greece Next it moves on to examine the history and nature of theater from

Agamenon to Angels in America through theater s use of stage directions revealing the many unspoken languages that are employed to communicate with its audiences Finally it looks at theater s ever shifting strategies of engendering fellow feeling through the use of emotion allowing the form to become a rare space where one can feel a thought and think a feeling In an age when many studies are concerned with the how of theater this work returns us to theatre s essential why The Secret Life of Theater suggests that by reframing the question we can re enchant this unique and ever vital medium of expression

Bibliographic Guide to Music New York Public Library. Music Division,1990 **Lohengrin** Richard Wagner.1993 The English National Opera Guides were originally conceived in partnership with the English National Opera and edited by Nicholas John the ENO's dramaturg who died tragically in an accident in the Alps Most of the guides are devoted to a single opera which is described in detail with many articles that cover its history and information about the composer and his times The complete libretto is included in both the original language and in a modern singing translation except where the opera was written in English Each has a thematic guide to the most important musical themes in musical notation and each guide is lavishly illustrated They also contain a bibliography and a discography which is updated at each reprint The ENO guides are widely regarded as the best series of their kind and excellent value The British National Bibliography Arthur James Wells, 1968 **Opera** George Henry Hubert Lascelles Earl of Harewood, 2005 Opera Canada ,1989 Subject Guide to Books in Print ,1993 American Book Publishing Record, 1988 Macbeth, Giuseppe Verdi Giuseppe Verdi, Francesco Maria Piave, 1990 The English National Opera Guides were originally conceived in partnership with the English National Opera and edited by Nicholas John the ENO's dramaturg who died tragically in an accident in the Alps Most of the guides are devoted to a single opera which is described in detail with many articles that cover its history and information about the composer and his times The complete libretto is included in both the original language and in a modern singing translation except where the opera was written in English Each has a thematic guide to the most important musical themes in musical notation and each guide is lavishly illustrated They also contain a bibliography and a discography which is updated at each reprint The ENO guides are widely regarded as the best series of their kind and excellent value **Forthcoming Books** Rose Arny, 1989-09 An Opera Bibliography ,1995 **An Opera Bibliography** Charles H. Parsons, 1995 A multi volume set giving detailed information on every aspect of opera over 100 000 entries Improves on Steiger's Opernlexikon by including two additional data categories for each work language of text and literary sources and by covering composers who have appeared since the end date of Steiger's work 1934 International Who's who in Music and Musicians' **Directory** David M. Cummings, 2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company L'incoronazione Di Poppea Claudio Monteverdi,1992 The English National Opera Guides were originally conceived in partnership with the English National Opera and edited by Nicholas John the ENO's dramaturg who died tragically in an

accident in the Alps Most of the guides are devoted to a single opera which is described in detail with many articles that

cover its history and information about the composer and his times The complete libretto is included in both the original language and in a modern singing translation except where the opera was written in English Each has a thematic guide to the most important musical themes in musical notation and each guide is lavishly illustrated They also contain a bibliography and a discography which is updated at each reprint The ENO guides are widely regarded as the best series of their kind and excellent value
