Tombstone's Treasure Sherry

Monahan, 2010-11-23 Sherry Monahan is an authority on the city that wouldn't die and its history. In *Tombstone's Treasure* she focuses on the silver mines, one reason for the city's founding, and the saloons, the other reason the city grew so quickly. When the discovery of silver at Tombstone first became known in mid 1880, there were about twenty-six saloons and breweries. By July of the following year, the number of saloons in Tombstone had doubled. The most popular saloon games of the time were faro, monte, and poker, with some offering keno, roulette, and twenty-one. Monahan shares true tales about Tombstone's mining and gambling history and describes a different time and locale where wealthy businesspeople and rugged miners rubbed elbows at the bar and gambled side by side. It is both shocking and enlightening to learn just how sophisticated Tombstone really was when the Earps, Doc Holliday, Johnny Ringo, and Curly Bill strode the boardwalks. Tombstone actually had telephones, ice cream parlors, coffee shops, a bowling alley, and a swimming pool. Wow! It is so contrary to the Hollywood version of the town, but it's absolutely true. From the Foreword by Bob Boze Bell. Read Sherry Monahan's interview on AMC on the Wild West and the film *Wild Bill*.

The Saloon Perry Duis, 1999 This colorful and perceptive study presents persuasive evidence that the saloon, far from being a magnet for vice and crime, played an important role in working-class community life. Focusing on public drinking in wide-open Chicago and tightly controlled Boston, Duis offers a provocative discussion of the saloon as a social institution and a locus of the struggle between middle-class notions of privacy and working-class uses of public space.

A Century of Restaurants Rick Browne, 2013-10-15 From the public television host a tour of the U.S.'s oldest and greatest dining spots, with delightful tales, delicious recipes, and hundreds of photographs. Ted Allen, host of Food Network's *Chopped*, Come along on a pilgrimage to some of the oldest, most historic restaurants in America. Each is special, not only for its longevity but also for its historic significance, interesting stories, and, of course, wonderful food. The oldest Japanese restaurant in the country is profiled, along with stagecoach stops, elegant eateries, barbecue joints, hamburger shops, cafes, bars, and grills, and two dueling restaurants that both claim to have invented the French dip sandwich. The bestselling author and host producer of *Barbecue America* shares the charm, history, and appeal that made these establishments, some as many as three hundred years old, successful. Each profile contains a famous recipe, the history of the restaurant, a look at the restaurant today, descriptions of some of its signature dishes, fun facts that make each place unique, and beautiful photos. It's all you need for an armchair tour of one hundred restaurants that have made America great. Browne spent three years traveling more than 46,000 miles to profile the 100 restaurants, inns, taverns, and public houses he selected as being the most historic, most interesting, and most successful. *Orlando Sentinel*: It is Browne's exploration of the history behind each place that I found most interesting. The White Horse Tavern gave him the Beef Wellington recipe; Peter Luger, the legendary Brooklyn Steakhouse, shared one for German Fried Potatoes; and Katz's Delicatessen in New York City offered Katz

s Noodle Kugel And Ferrara in Little Italy in New York City parted with its cannoli recipe Sioux City Journal Ask any chef It s not easy keeping a restaurant alive for a week let alone a year or a decade So what does it take to last a century After five years of criss crossing the country and gobbling up regional specialties from chowder to chili Rick Browne reveals the answer to that question Ted Allen host of Food Network s Chopped *History of Hall County, Nebraska* August F. Watering Holes Richard F. Selcer,2004 Saloons barrooms honky tonks or watering holes by whatever name they are part of the mythology of the American West and their stories are cocktails of legend and fact as Richard Selcer David Bowser Nancy Hamilton and Chuck Parsons demonstrate in these entertaining and informative accounts of four legendary Texas establishments In most Western communities the first saloon was built before the first church and the drinking establishments far outnumbered the religious ones Beyond their obvious functions saloons served as community centers polling places impromptu courtrooms and public meeting halls The authors of this volume discuss both the social and operational aspects of the businesses who the owners were what drinks were typically served the democratic ethos that reigned at the bars the troubling issues of social segregation by race and gender within each establishment and the way order was maintained if it was at all Here the spotlight is thrown on four saloons that were legends in their day Jack Harris s Saloon and Vaudeville Theater in San Antonio Ben Dowell s Saloon in El Paso the Iron Front of Austin and the White Elephant of Fort Worth Together with architectural renderings of the floor plans and old photographs of the establishments and some of their more famous customers the history of each is woven into the history of its city Fatal shootings are recounted and forms of entertainment are described with care and verve One of this book s most fascinating aspects is the sharp detail that brings to life the malodorous smoky interiors and the events that took place there Selcer and his co authors are experts on their respective watering holes They start with the origins of each establishment and follow their stories until the last drink was served and the places closed down for good There are stops along the way to consider the construction of the ornate bars the suppliers of the liquor served the attire of the gentlemen gamblers the variety of casino games that emptied men s pockets and more Through the wealth of detail and the animated narrative a crucial part of Texas Western heritage becomes immediately accessible to the present Tobacco Record ,1919
