Salute The Historic Black Achievers:

Salute to Historic Black Achievers Howard Snead,1992-05 *Salute to Historic Black Achievers* Coretta Scott King,1992-06-01 Chronicles the history of blacks in America and tells the life story of seven of the nation s most influential African Americans

Achievements and Accomplishments of African Americans Marian Olivia Heath Griffin,2020-03-12 African Americans have played a definitive role in shaping the American traditions economics culture and beliefs It is becoming increasingly clear that thousands of black Americans have added much much to the growth and development of our country Despite the persecutions and cruelty perpetrated on blacks over the years records show that they have accomplished much and have overcome incredible hardships with very little to sustain them but their determination courage and faith Of those African Americans not mentioned and remain anonymous we set out to acknowledge and honor them

I Know Me Marian Olivia Heath Griffin,2020-10-30 It seems like yesterday that things that were happening in my life over seventy years ago demands that I trust in the loving purpose of a Sovereign God I have learned to trust that He is in control especially when life seems out of control I am prospering and am always hopeful because as a blessed African American woman I accept my responsibility to give back to the people in this country as much as it has given to me I will always acknowledge my roots as they are more important than ever I am an empty vessel but am versed with a spiritual being to complete a mission for God And I have an angel or angels who have guided me all my days They are sent from my Sovereign Creator

Harriet Tubman Milton C. Sernett,2007-11-05 An exploration of the way history meaning and memory have interacted in the process of transforming Harriet Tubman into an American icon and a figure of inspiration like Abraham Lincoln or Fredrick Douglass

Born in a Shack Did Not Hold Me Back Marian Olivia Heath Griffin,2019-01-31 There is something within us that lets us know that there is a God somewhere I have walked and talked with many people in my lifetime who came from small humble beginnings and made a tremendous life change for themselves and their families Some of us were born in a shack There were no zip codes and no area codes in those days Yet where we were born and where we lived mattered then and matters now Sometimes life presents us with difficulties and hardships From time to time an individual has to look back and ponder from whence he or she has come More importantly no matter what happens in our lives individually or collectively God will be there with us always All we have to do is heed his call and follow him

A Salute to Blacks in the Federal Government Richard L. Green,1996 Presents biographical sketches of more than twenty African Americans who have served in either elected or appointed positions in the national government during the nineteenth and twentieth centuries

A Voice Calls in the Night Find My People Save My People Marian Olivia Heath Griffin,2019-12-18 IT HAS BEEN ESTABLISHED that African Americans have been and are still being subjected to marginalized and harsh treatment today in America We came to the Americas a million years ago and helped build this wilderness country It is incumbent upon us as a nation to come to grips with the humanness of all people and treat each

other with respect and love acknowledging each other's skills, talents and achievements. We are a strong nation of people. Let's not allow the weak racial prejudicial side of us to rule us. We can only move forward if we have a collective truthful and faithful heart. There is something inherent in all of us that should not be stifled or extinguished. We are all put on earth for a specific purpose. All generations should be given an opportunity to be what we can be as our Creator ordained it. *The Greatest Black Achievers in History* Sylvia Lovina Chidi, 2014-06-13. African American Sites in Florida Kevin M. McCarthy, 2007. Over 400 years ago in 1528 an African named Estevanico first set foot in Florida near present day Tampa as part of a Spanish exploration party. Since then African Americans in Florida have continued to set examples of courage, perseverance and leadership. In this book you will read about some people you may already know about such as Ray Charles and Carrie Pittman Meek and many others whose lives are also inspirational even if their names are not so familiar. Though many African Americans started life in poverty and had to fight racial injustice, their stories prove that the desire to succeed can overcome many obstacles. They followed their dreams to become teachers, artists, soldiers, lawyers, nurses, sports stars, authors and many other occupations. Their important contributions to the state and to the country enrich us all. This book also includes detailed descriptions of the 141 historical and cultural sites on the Florida Black Heritage Trail and a calendar of significant dates in the history of African Americans in Florida.
