collection of fifteen unrelated short stories They were written over a number of years and originated from a variety of sources of inspiration The over riding inspiration for the stories came from my all encompassing belief in the resilience and strength of the human spirit and heart The fact that I am a hopeless romantic also had a great deal to do with the creation of my characters and their situations In each story I attempted to take ordinary people and place them in extraordinary situations I hoped to illustrate the awesome magnificence of the human spirit and the mighty power of true love How the spirit of love whether it be the love a father has for his son or the bond between soulmates can survive even death Within its pages you will find ghosts of both a congenial and malevolent nature You will discover children being given magical gifts You will find enchanted potions magical spells and supernatural intervention I chose the name of the book based not only on one of the storys titles but my strong belief in the spirit of romance      **I Didn't Write the Memo I Just Read It** Vinnie
