Bowdler William Shakespeare,1853 **Shakespeare's borrowed feathers** Darren Freebury-Jones,2024-10-08 A fascinating book exploring the early modern authors who helped to shape Shakespeare s beloved plays Shakespeare s plays have influenced generations of writers but who were the early modern playwrights who influenced him Using the latest techniques in textual analysis Shakespeare s borrowed feathers offers a fresh look at William Shakespeare and reveals the influence of a community of playwrights that shaped his work This compelling book argues that we need to see early modern drama as a communal enterprise with playwrights borrowing from and adapting one another s work From John Lyly s wit to the collaborative genius of John Fletcher to Christopher Marlowe and Ben Jonson Shakespeare s borrowed feathers offers fresh insights into Shakespeare s artistic development and shows us new ways of looking at the masterpieces that have enchanted audiences for centuries Readers' Guide ,1915 *The Shakespeare Multiverse* Valerie M. Fazel,Louise Geddes,2021-11-29 The Shakespeare Multiverse Fandom as Literary Praxis argues that fandom offers new models for a twenty first century reading practice that embraces affective pleasure and subjective self positioning as a means of understanding a text Part critical study part source book The Shakespeare Multiverse suggests that fannish contributions to the ongoing expansion of the object that we call Shakespeare is best imagined as a multiverse encompassing different worlds that consolidate the various perspectives that different fans bring to Shakespeare Our concept of the multiverse

redefines Shakespeare not as a singular body of work but as space where a process of inquiry and cultural memory memories in the making and those already made is influenced and shaped by the technologies available to the reader Characteristic of fandom is an intertextual reading strategy that we term cyborg reading an approach that accommodates the varied elements of identity politics culture sexuality and race that shape the ways that Shakespeare is explored and appropriated throughout fannish reading communities The Shakespeare Multiverse intersects literary theory fan studies and popular culture as it traverses Shakespeare fandom from the 1623 Folio to the age of the Internet exploring the different textures of fan affect from those who firmly uphold fidelity to the text to those who sit on the very edge of the fandom threatening to cross over into Shakespearean anti fandom By recognizing the literary value of fandom The Shakespeare Multiverse offers a new approach to literary criticism that challenges the limits of hegemonic authority and recognizes the value of a joyfully speculative critical praxis
